C.R.E.A.M. Solomon Jones,2007-04-01 Karima Cream Thomas is an ex-convict from an upper-crust family whose only crime was falling for a drug dealer and refusing to testify against him. Sexy, intelligent, street-smart, and determined to change after serving time in the municipal prison system, Karima returns to find that her ex, Duane Faison, wants her back. And for one passion-filled night, she considers it. But with dawn comes common sense and the realization that she must make a clean break from her past. To do that, she'll need something she's never had to ask for—help. And she knows only one person with the power to give it. Marilyn Johnson has fought to make it in the rough-and-tumble world of Philadelphia politics. After ten years on the City Council, she's finally made it to the president's seat, but she's had to forge some questionable alliances to make it there, including her long-running affair with the married mayor. When Karima asks for help in finding a job, Marilyn is caught off guard. Her niece's criminal record is one of the many secrets she has hidden from the public, but seeing an opportunity, crafty Marilyn hatches a plan to get rid of Karima once and for all. The mayor is murdered in cold blood and Marilyn is sworn into office, bringing Karima's criminal past to light. She is quickly the prime suspect in the murder investigation, and in order to save her own name and get to the bottom of the story, Karima must return to the streets.

Sweet Spot Amy Ettinger,2017-06-27 A journalist channels her ice-cream obsession, scouring the United States for the best artisanal brands and delving into the surprising history of ice cream and frozen treats in America. For Amy Ettinger, ice cream is not just a delicious snack but a circumstance and a time of year—frozen forever in memory. As the youngest child and only girl, ice cream embodied unstructured summers, freedom from the tyranny of her classmates, and a comforting escape from her chaotic, demanding family. Now as an adult and journalist, her love of ice cream has led to a fascinating journey to understand ice cream's evolution and enduring power, complete with insight into the surprising history behind America's early obsession with ice cream and her experience in an immersive ice-cream boot camp to learn from the masters. From a visit to the one place in the United States that makes real frozen custard in a mammoth machine known as the Iron Lung, to the vicious competition among small ice-cream makers and the turf wars among ice-cream trucks, to extreme flavors like foie gras and oyster, Ettinger encounters larger-than-life characters and uncovers what's really behind America's favorite frozen treats. *Sweet Spot* is a fun and spirited exploration of a treat Americans can't get enough of—one that transports us back to our childhoods and will have you walking to the nearest shop for a cone.
