**James Patterson**

*Ali Cross* James Patterson, 2019-11-25 James Patterson's blockbuster Alex Cross series has sold over 100 million copies – and now he's bringing those thrills to a new generation! Alex's son Ali is eager to follow in his father's footsteps as a detective, but when his best friend goes missing, what price will he have to pay to solve the mystery? Ali Cross has always looked up to his father, former detective and FBI agent Alex Cross. While solving some of the nation's most challenging crimes, his father always kept his head and did the right thing. Can Ali have the same strength and resolve? When Ali's best friend Gabe is reported missing, Ali is desperate to find him. At the same time, a string of burglaries targets his neighborhood -- and even his own house. With his father on trial for a crime he didn't commit, it's up to Ali to search for clues and find his friend. But being a kid sleuth isn't easy -- especially when your father warns you not to get involved! -- and Ali soon learns that clues aren't always what they seem. Will his detective work lead to a break in Gabe's case or cause even more trouble for the Cross family?

**The Cross** Robin M. Jensen, 2017-04-17 “This erudite history illuminates the social, cultural, as well as theological developments of the cross” through 2000 years of its symbolic evolution (Library Journal). Jesus’s death on the cross posed a dilemma for Saint Paul and the early Church fathers. Crucifixion was a humiliating form of execution reserved for slaves and criminals. How could their messiah and savior have been subjected to such an ignominious death? Wrestling with this paradox, they reimagined the cross as a triumphant expression of Christ’s sacrificial love and miraculous resurrection. Over time, the symbol’s transformation raised myriad doctrinal

questions, particularly about the crucifix—the cross with the figure of Christ—and whether it should emphasize Jesus’s suffering or his glorification. How should Jesus’s body be depicted: alive or dead, naked or dressed? Should it be shown at all? Robin Jensen’s wide-ranging study focuses on the cross in painting and literature, the quest for the “true cross” in Jerusalem, and the symbol’s role in conflicts from the Crusades to wars of colonial conquest. The Cross also reveals how Jews and Muslims viewed the most sacred of all Christian emblems and explains its role in public life in the West today.

**Cross the Line** James Patterson, 2016-11-21 Homicide Detective Alex Cross teams up with his wife to beat a D. C. criminal at his own game. Washington, DC, has never been more dangerous. After shots pierce the tranquil nighttime calm of Rock Creek Park, a man is dead: what looks at first like road rage might be something much more sinister. But Alex has only just begun asking questions when he's called across town to investigate a new murder, one that hits close to home: his former boss and the beloved mentor of Alex's wife, Bree. Now there's a killer on the loose, a long list of possible suspects, a city in panic, and nobody in charge of the besieged police force. . . until Bree gets tapped for the job. As Bree scrambles to find her footing and close two high-profile cases, new violence stuns the capital. What should be a time for her to rely on Alex for support and cooperation is instead a moment of crisis in their marriage as well as their city when their investigative instincts clash and their relationship reaches a breaking point. And the fiendish mind behind all the violence has appointed himself judge, jury, and executioner, with a terrifying master plan he's only begun to put in motion. To beat him at his own game, Alex and Bree must take the law back into their own hands before he puts them both out of

commission . . . permanently.

Deadly Cross James Patterson, 2020-11-23 The murder of a glamorous DC socialite becomes Alex Cross's deadliest case since *Along Came a Spider*. Kay Willingham led a life as glamorous as it was public—she was a gorgeous Georgetown socialite, philanthropist, and the ex-wife of the vice president. So why was she parked in a Bentley convertible idling behind a DC private school, in the middle of the night, with the man who was the head of that school? Who shot them both, point blank, and why? The shocking double homicide is blazed across the internet, TV, newspapers—and across Alex Cross's mind. Kay had been his patient once. And maybe more. While John Sampson of DC Metro Police investigates the last movements of Christopher Randall, the educator killed along with Kay Willingham, detective Alex Cross and FBI special agent Ned Mahoney find unanswered questions from Willingham's past, before she arrived in DC and became known in DC society as someone who could make things happen. They travel to Alabama to investigate Kay's early years. There they find a world of trouble, corruption, and secrets, all of them closed to outsiders like Cross and Mahoney. Kay had many enemies, but all of them seemed to need her alive. The harder the investigators push, the more resistance they find when they leave behind the polite law offices and doctors' quarters of the state capital. Alex Cross will need to use all his skills as a doctor, a detective, and a family man to prevent that resistance from turning lethal . . . again.

*Why Is There a Cross?* Kathleen Long Bostrom, 2012-02 A rhyming text consisting of questions about the meaning of the cross that is seen in churches and about how Jesus must have felt explains how it fit into God's plan, what happened to Jesus, and what part it has in the life of

Christians.

The Cross Max Lucado, 2017-02-14 Max's most encouraging words on life's most important subject are collected into one volume and enhanced with beautiful, full-color photography. An everyday reminder of what the Cross means to you adds joy and gratitude to ordinary days, pain-filled days, and even the best days.

Double Cross James Patterson, 2007-11-13 Just when Alex Cross's life is calming down, he is drawn back into the game to confront a criminal mastermind like no other. The elaborate murders that have stunned Washington, DC, are the wildest that Alex Cross and his new girlfriend, Detective Brianna Stone, have ever seen. This maniac adores an audience, and stages his killings as spectacles in public settings. Alex is pursuing a genius of terror who has the whole city on edge as it waits for his next move. And the killer loves the attention, no doubt—he even sets up his own Web site and live video feed to trumpet his madness. And in Colorado, another criminal mastermind is planning a triumphant return. From his supermaximum-security prison cell, Kyle Craig has plotted for years to have one chance at an impossible escape. If he has to join forces with DC's Audience Killer to get back at the man who put him in that cell—Alex Cross—all the better. From the author Time magazine has called the man who can't miss, Double Cross has the pulse-racing momentum and electrifying thrills that have made James Patterson a #1 bestselling storyteller all over the world.

**The Cross** Bob Sorge , 2021-02-12 Kneel again in blood and water, and revisit the hill where the two of you first met. Understand the great paradox of the cross—He suffered so we never have to, and He suffered to show us how. His cross will make sense of your sufferings. Your faith will be strengthened as you believe God for your own

resurrection! This is the most profound writing on the cross I have ever read. The magnitude of this book is almost beyond my ability to describe—it's a treasure of truth. Don Wilkerson Co-Founder, Teen Challenge

*Target: Alex Cross* James Patterson, 2018-11-19 When a ring of six elite assassins strikes D. C., Alex Cross teams up with the Secret Service and the FBI to take down a dangerous threat that could destroy America. A leader has fallen, and Alex Cross joins the procession of mourners from Capitol Hill to the White House. Then a sniper's bullet strikes a target in the heart of D.C. Alex Cross's wife, Bree Stone, must either solve the case or lose her position as the city's newly elevated chief of detectives. The Secret Service and the FBI deploy as well in the race to find the shooter. Alex is tasked by the new President to lead an investigation unprecedented in scale and scope. But is the sniper's strike only the beginning of a larger attack on the nation?

**In the Shadow of the Cross** Randal Earl Denny, 2007-02-01 How could things deteriorate so quickly in twenty-four hours? From a banquet to a burial! The dark shadow of the executioner's cross sliced across that unforgettable day. A tragic day -- yet planned by a sovereign God. Watch anew as Jesus prays his prayer of submission to the Father's will, as he passes through the sting of betrayal, as he faces undaunted the inhumane and hateful treatment, and as he speaks unexpected last words that leave a legacy of love. Walk with Jesus from the garden to the tomb, to that first Easter morning, the dawning of hope and joy. For the shadow of the cross is the anguished prelude to the best news you will ever hear: He is risen!

Criss Cross James Patterson, 2019-11-25 When a mysterious serial killer known as M launches a deranged

investigation, Alex Cross and his partner must unearth long-forgotten secrets to survive -- or risk getting buried themselves. In a Virginia penitentiary, Alex Cross and his partner, John Sampson, witness the execution of a killer they helped convict. Hours later, they are called to the scene of a copycat crime. A note signed M rests on the corpse. You messed up big time, Dr. Cross. Was an innocent man just put to death? Alex soon realizes he may have much to answer for, as M lures the detective out of the capital to the sites of multiple homicides, all marked with distressingly familiar details -- details that conjure up decades-old cases. Details that conjure up Cross family secrets. Details that make clear that M is after a prize so dear that -- were the killer to attain it -- Alex's heart would no longer have reason to beat.

**Cruciformity** Michael J. Gorman, 2001-07-17 Most studies of Paul concentrate solely on his theology. This book breaks new ground by focusing on the source and nature of Paul's spirituality. Taking his cue from Paul's express desire to know nothing but Christ crucified, Michael Gorman shows how Paul's personal experience of God constantly intersects with the story of the cross, an event that both reveals the cruciform character of God and shapes believers into a community of cruciformity (conformity to the crucified Christ). Expertly combining biblical studies and theological reflection, this noteworthy volume presents a model of the Christian life marked by faith, love, power, and hope.

*The Philosophy of the Cross* Robert Edgar, 2023-12-31 Reprint of the original, first published in 1874.

*Meditations on the Cross* Manfred Weber, 1996 The cross and the resurrection were central themes for Bonhoeffer's theology. These excerpts from sermons and letters contain his personal and faithful words about the

crucifixion and the power of the cross for all Christians. *Meditations on the Cross* is ideal for devotional reading and personal reference.

*Making Sense of the Cross* David J. Lose, 2011

*The Cross of Christ* John Stott, 2021-04-27 I could never myself believe in God, if it were not for the cross. . . . In the real world of pain, how could one worship a God who was immune to it? With compelling honesty John Stott confronts readers with the centrality of the cross in God's redemption of our pain-filled world. Can we see triumph in tragedy, victory in shame? Why should an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith? And what does it mean for us today? From one of the foremost preachers and Christian leaders of his generation, *The Cross of Christ* is a classic, accessible, and compelling look at the work of Christ. At the cross Stott finds the majesty and love of God disclosed, the sin and bondage of the world exposed. More than a study of the atonement, this book brings Scripture into living dialogue with Christian theology and contemporary issues. What emerges is a pattern for Christian life and worship, hope and mission. In honor of John Stott's one hundredth birthday, this centennial edition includes an updated foreword by Alister McGrath and a new timeline of Stott's life. A study guide equips individuals and groups to more deeply reflect on and apply the book's message.

**Criss Cross** Lynne Rae Perkins, 2007-12-26 She wished something would happen. Something good. To her. Checking her wish for loopholes, she found one. Hoping it wasn't too late, she thought the word soon. Meanwhile, in another part of town, he felt as if the world was opening. Life was rearranging itself; bulging in places, fraying in spots. He felt himself changing, too, but into what? So much can happen in a summer.

**Sutter's Cross** W. Dale Cramer, 2003-01-01 Men and women of all ages will warm to Cramer's elegant prose and Southern charm. William Faulkner once insisted that great stories must capture the old universal truths...love and honor and pity and pride and compassion and sacrifice. Sutter's Cross delivers the truth in grand style. Sutter's Cross is a resort town in the southern Appalachians, where people live in comfortable homes, have comfortable portfolios, and wear comfortable clothes. They expect their lives, their weather, even their God, to be cooperative and predictable--until a stranger calling himself Harley shows up in the buffet line at the church's annual spring picnic looking like a wreck and wearing stolen jeans. Can God use an outcast to change a town?

**Twisted Cross** Mack Maloney, 1989 Under the leadership of the courageous jet fighter pilot Hawk Hunter, the armies of freedom have rescued their besieged nation from the Soviet warlords. But a terrifying new threat looms near America's southern border, and the only way to save a strategic waterway is from the air.
