*Chachaji's Cup* Uma Krishnaswami,2003 A boy learns about his family history and the Partition of India from his great uncle, through stories told over a beloved old teacup.

Can You Drink the Cup? Henri J. M. Nouwen,2012-10-01 The last book published before Henri Nouwen's death in 1996, *Can You Drink the Cup?* has been translated into ten languages and sold more than 140,000 copies. Exploring the deep spiritual impact of the question Jesus asked his friends James and John, Nouwen reflects upon the metaphor of the cup, using the images of holding, lifting, and drinking to articulate the basics of the spiritual life. Written with the profound insight and clarity characteristic of his numerous best-selling books, Nouwen's deeply perceptive exploration of Jesus' challenging question has the power to pierce your heart, expand your spiritual horizons, and radically change your life.

The Brimming Cup Dorothy Canfield Fisher,2019-12-09 *The Brimming Cup* by Dorothy Canfield Fisher One day Marise sees her youngest child leave for his first day of school and she realizes that life for her is redundant. Absorbed in her new duties as a wife and mother she has not been aware of the slow diminishing of her spirit, or the way in which her relationship with her husband, though comfortable and happy, has lost its passion. As the year progresses, Marise continues as the glue of the household, drawing new neighbors into the family circle as she tries to find her life's light once again.

*God in a Cup* Michael Weissman,2011-06-01 Follow the ultimate coffee geeks on their worldwide hunt for the best beans. Can a cup of coffee reveal the face of God? Can it become the holy grail of modern-day knights errant who brave hardship and peril in a relentless quest for perfection? Can it change the world? These questions are not rhetorical. When highly prized coffee beans sell at auction for \$50, \$100, or \$150 a pound wholesale (and potentially twice that at retail), anything can happen. In *God in a Cup*, journalist and late-blooming adventurer Michael Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee connoisseur, part ambitious entrepreneur, part activist, and part Indiana Jones. Her guides on the journey are the nation's most heralded coffee business hotshots: *Counter Culture's* Peter Giuliano,

Intelligentsia's Geoff Watts, and Stumptown's Duane Sorenson. With their obsessive standards and fiercely competitive baristas, these roasters are creating a new culture of coffee connoisseurship in America—a culture in which \$10 lattes are both a purist's pleasure and a way to improve the lives of third-world farmers. If you love a good cup of coffee—or a great adventure story—you'll love this unprecedented up-close look at the people and passions behind today's best beans. “Weissman illustrates how the origin, flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever. . . . Tagging along behind the main characters in today's specialty coffee scene, [she] travels from the exotic to the expected to artfully deconstruct the connoisseur's cup of coffee.” —Publishers Weekly

The Warren Cup Dyfri Williams,2006 The silver Warren Cup, created early in the first century AD, is a remarkably important and beautiful masterpiece of Roman art. The scenes on either side show a pair of male lovers in low relief. This book examines the iconography of the Warren Cup, and sets it in its social and historical context. It also discusses the cup's modern history, especially the life of the eccentric collector, Edward Perry Warren, from which it takes its name. The cup's acquisition by the British Museum in 1999, after years of obscurity due to the explicit nature of the scenes depicted, caused quite a stir in the press. This extraordinary work of art not only provides a means of understanding ancient Roman attitudes to sexuality, but also challenges us across the centuries to reflect on our own contemporary attitudes.--BOOK JACKET.

**The Crystal Cup** Gertrude Atherton,2021-01-01 Inhibitions and a neurosis against sex fight a losing battle with endocrines and glands In a romance of atavism, which Gertrude Atherton calls *The Crystal Cup*.” Taking her title from George Sterling's *Into a crystal cup the dusky wine I pour, and, musing at so rich a shrine, I watch the star that haunts its ruddy glow,*” Miss Atherton uses her conception of Freudian theories to clear up the duskiness. As a result the book is more or less a study of sex Inhibitions. Melodrama has its place in the pages of “*The Crystal Cup*” as the wine of life pours into the veins of the heroine, Gita Carteret.

*The Blessing Cup* Patricia Polacco,2013-08-27 “The skeins of faith and love that connect a family are all knit together in this powerful, accessible, and deeply affecting story. “ —Kirkus Reviews, starred review A New York Times bestseller A bond of love unites a family throughout generations in this companion to the beloved and bestselling classic *The Keeping Quilt*. As a young Russian Jewish girl in the early 1900s, Anna and her family lived in fear of the Czar’s soldiers. The family lived a hard life and had few possessions—their treasure was a beautiful china tea set. A wedding gift to Anna’s parents, the tea set came with a wish that “Anyone who drinks from this will have blessings from God. They will never know a day of hunger. Their lives will always have flavor. They will know love and joy and they will never be poor.” When Anna’s family leaves Russia for America, they bring the tea set and its blessings. A source of heritage and security, the tea set helps Anna’s family make friends and find better lives in America. A cup from the tea set—*The Blessing Cup*—became an anchor of family history, and it remains a symbol of lasting love more than a century later. This tender tribute to the importance of loving lineage is a prequel and companion to the perennial bestseller *The Keeping Quilt* and is told and illustrated with authenticity and tremendous heart.

**Under Blue Cup** Rosalind E. Krauss, 2024-02-06 A personal journey leads a celebrated critic to discover “knights of the medium,” contemporary artists who battle the aesthetic meaninglessness of the post-medium condition. In *Under Blue Cup*, Rosalind Krauss explores the relation of aesthetic mediums to memory—her own memory having been severely tested by a ruptured aneurysm that temporarily washed away much of her short-term memory. (The title, *Under Blue Cup*, comes from the legend on a flash card she used as a mnemonic tool during cognitive therapy.) Krauss emphasizes the medium as a form of remembering; contemporary artists in what she terms the “post-medium” condition reject that scaffolding. Krauss explains the historical emergence of the post-medium condition and describes alternatives to its aesthetic meaninglessness, examining works by “knights of the medium”—contemporary artists who extend the life of the specific medium. These artists—including Ed Ruscha, William Kentridge, Sophie Calle, Harun Farocki, Christian Marclay, and James Coleman—reinstate the recursive rules of a modernist medium by inventing what Krauss terms new technical supports, battling the aesthetic meaninglessness of the post-medium condition. The “technical support” is an underlying ground for aesthetic practice that supports the work of art as canvas supported oil paint. The technical support for Ruscha's fascination with gas stations and parking lots is the automobile; for Kentridge, the animated film; for Calle, photojournalism; for Coleman, a modification of PowerPoint; for Marclay, synchronous sound. Their work, Krauss argues, recuperates more than a century of modernist practice. The work of the post-medium condition—conceptual art, installation, and relational aesthetics—advances the idea that the “white cube” of the museum or gallery wall is over. Krauss argues that the technical support extends the life of the white cube, restoring autonomy and specificity to the work of art.

*The Inside of the Cup* Winston Churchill, 2004-09 Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. 1st World Library-Literary Society is a non-profit educational organization. Visit us online at [www.1stWorldLibrary.ORG](http://www.1stWorldLibrary.ORG) - The Bishop's House was a comfortable, double dwelling of a smooth, bright red brick and large, plate-glass windows, situated in a plot at the western end of Waverley Place. It had been bought by the Diocese in the nineties, and was representative of that transitional period in American architecture when the mansard roof had been repudiated, when as yet no definite types had emerged to take its place. The house had pointed gables, and a tiny and utterly useless porch that served only to darken the front door, made of heavy pieces of wood fantastically curved. It was precisely ten o'clock in the morning when Hodder rang the bell and was shown into the ample study which he had entered on other and less vital occasions. He found difficulty in realizing

that this pleasant room, lined with well-worn books and overlooking a back lawn where the clothes of the episcopal family hung in the yellow autumn sun, was to be his judgment seat, whence he might be committed to trial for heresy.
