Lish McBride

Math Curse Jon Scieszka, 1995-10-01 Did you ever wake up to one of those days where everything is a problem? You have 10 things to do, but only 30 minutes until your bus leaves. Is there enough time? You have 3 shirts and 2 pairs of pants. Can you make 1 good outfit? Then you start to wonder: Why does everything have to be such a problem? Why do 2 apples always have to be added to 5 oranges? Why do 4 kids always have to divide 12 marbles? Why can't you just keep 10 cookies without someone taking 3 away? Why? Because you're the victim of a Math Curse. That's why. But don't despair. This is one girl's story of how that curse can be broken.

The Excalibur Curse Kiersten White, 2021-12-07 The gripping conclusion to the acclaimed Arthurian fantasy trilogy from #1 New York Times bestselling author Kiersten White finds Guinevere questioning everything—friends and enemies, good and evil, and, most of all, herself. While journeying north toward the Dark Queen, Guinevere falls into the hands of her enemies. Behind her are Lancelot, trapped on the other side of the magical barrier they created to protect Camelot, and Arthur, who has been led away from his kingdom, chasing after false promises. But the greatest danger isn't what lies ahead of Guinevere—it's what's been buried inside her. Vowing to unravel the truth of her past with or without Merlin's help, Guinevere joins forces with the sorceress Morgana and her son, Mordred—and faces the confusing, forbidden feelings she still harbors for him. When Guinevere makes an agonizing discovery about who she is and how she came to be, she finds herself with an impossible choice: fix a terrible crime, or help prevent war. Guinevere is determined to set things right, whatever the cost. To defeat a rising evil. To remake a kingdom. To undo the mistakes of the past...even if it means destroying herself. Guinevere has been a changeling, a witch, a queen—but what does it mean to be just a girl?

Anathema! Marc Drogen, 1983

The Witch's Curse Keith McGowan, 2013-03-19 A shadowy witch, a cursed hunter—it's tricky business for Sol and Connie as they face off against this awful pair. The kids narrowly averted being eaten by the last witch after them, and this time it doesn't look any better. It's a long way through the accursed valley, they're running out of food and water, and that lodge on the mountain side with the collection of animals inside isn't exactly comforting. Who can save them? The All Creatures Manager? A heroic woodthrush? The Camper Lady? The Know-It-All Cube? Or will they have to save themselves? And here's the worst of it: little do Sol and Connie know that the ancient child hunter is about to wake up—thanks to the witch's curse—in this delightful book from author Keith McGowan and illustrator Yoko Tanaka.

The Crowfield Curse Pat Walsh, 2012-01-01 *A wondrous mystery. --Kirkus, starred review* Suspenseful and spooky...with an edgy battle between good and evil. --School Library Journal, starred review If the deepest secret has been spoken, can the deadliest curse be broken? The Assassin's Curse Cassandra Rose Clarke, 2012-10-02
Ananna of the Tanarau abandons ship when her parents try to marry her off to an allying pirate clan: she wants to captain her

own boat, not serve as second-in-command to her handsome yet clueless fiancé. But her escape has dire consequences when she learns the scorned clan has sent an assassin after her. And when the assassin, Naji, finally catches up with her, things get even worse. Ananna inadvertently triggers a nasty curse — with a life-altering result. Now Ananna and Naji are forced to become uneasy allies as they work together to break the curse and return their lives back to normal. Or at least as normal as the lives of a pirate and an assassin can be. From the Trade Paperback edition.

To Kill a Curse Jennifer Jenkins, 2019-10-24 Would you touch the one you loved, even if it might kill them? *To Kill a Curse* combines witchcraft with high seas adventure to create a love story for the ages.

The Curse Robert H. Steele, 2012-09-15 During the 1990s, two Connecticut Indian tribes opened the world's two biggest gambling casinos in the southeastern corner of the state, resulting in what has been termed a gambling Chernobyl. *The Curse* is a novel based on those events. It begins in 1637 with the massacre of the Pequot Indians and a curse delivered by a Pequot sachem to the young English soldier who is about to kill him. The story then jumps 350 years as the soldier's thirteenth-generation descendant, Josh Williams, becomes embroiled in a battle to stop a newly-minted Indian tribe from building a third casino that threatens his town and ancestral home. The lure of easy money drives everyone from the tribe's fraudulent chief to a shadowy Miami billionaire, venal politicians, and Providence mobsters, while a small, quintessential New England town must choose between preserving its character or accepting an extraordinary proposal that will change it forever. As the battle over the casino reaches a climax, Josh discovers startling truths about his family's past—including centuries-old events that appear to be impacting the present with devastating effect.

The Midnight Curse L.M. Falcone, 2010-03 A fast-paced comic-horror novel that takes place in a spooky mansion, with a

family curse and a gothic cast of characters.

The Gilded Curse Marilyn Turk, 2016-03-14 Responding to a cryptic telegram, Lexie Smithfield returns to Jekyll Island to sell her family's abandoned vacation home in the Millionaire's Club. For years she's secretly believed in the Gilded Curse -- that her destiny is determined not by her family's mistakes, but by the choices she makes. As she discovers the cottage's hidden secrets, however, she begins to wonder if the Gilded Curse is real. Lexie's trip is prolonged when Nazi U-boats threaten the island's residents. While the management of the Millionaire's Club attempts to keep members unaware of the danger and confined to the island, Lexie discovers the real dangers that lurk within this cursed community. Endorsements & Reviews Author Marilyn Turk uses both romance and danger to quickly draw us into this page-turning novel. When Lexie Smithfield's brother is killed in the attack on Pearl Harbor, she returns to the family's vacation home in Jekyll Island, Georgia, which she hasn't seen since she was a child. The old home still stands, though it is uninhabited-at least, as far as Lexie can see. Her mother believed both the house and the island were cursed, but Lexie finds that difficult to believe. With the help of her childhood friend, Russell Thompson (now an extremely attractive man), she dares to challenge her mother's belief-and quickly finds herself face-to-face with danger. This is a story I'd highly recommend, and one I hope has sequels coming along behind it. Kathi Macias Multi-award-winning author of more than 50 books, including 2011 Golden Scrolls Novel of the Year, *Red Ink* Driven by a story of have nots who once had everything, *The Gilded Curse* magically takes us to an age of uncertainty by employing a cast of characters whose lives have been turned upside down by war and depression. With rich layers of description, this gripping suspense novel weaves romance, suspicion and intrigue into a dynamic wave of mystery. Ace Collins, author of over sixty books and Christy Award-winning author of *The Color of Justice* Take a trip to WWII America with

Marilyn Turk in *The Gilded Curse*, where Germans off the East Coast are only one of the worries for the heroine in this entertaining mystery/romance mix. You'll get 1940s atmosphere, enough mystery to keep the pages turning, and a sweet little romance to boot! Linore Rose Burkard, award-winning author of Regency breakout novels for the CBA *The Gilded Curse* is my kind of novel. I was totally drawn into the story from the very first page. I loved the setting and the entire cast of characters. It has everything you want in a novel: history, mystery, suspense, romance and intrigue. Highly recommended! Dan Walsh, best-selling author of *The Unfinished Gift*, *The Discovery* and *When Night Comes*

Morgan's Curse Joseph Pusch,2011-04 'My ghost will always protect this land. I curse your beloved city and all the people who witness my death. I will guard this place and reap death upon anyone who disturbs my spirit. Do not try-' And so began the mysterious curse issued by New York's finest firefighter turned inventor and landowner. It was 1935, and Morgan, who lost his parents in a devastating building fire as a young boy, recently patented a snazzy new machine that would draw out the oxygen from the fire, depleting the primary fuel source. By eliminating the oxygen, the fire would die, saving both lives and buildings. But one cold night, a homeless woman and her young daughter started a small fire in empty oil drum to keep warm in a building on Morgan's land. The fire caught, and though Morgan had arrived on the scene and started his Fire Eating Machine, it was too late. The building went up in flames, and the last sound onlookers heard were the screams of a dying girl. The onlookers

quickly became a mob, blaming Morgan for the girl's death and demanding he hang. The ominous curse contained his last words. Some seventy years later, contractor William Swanson purchased the very same land Morgan had cursed to build luxury condos, dismissing the curse as silly superstition. But when strange things start happening, including the deaths of two construction workers and unexplained fires, suspicions arise that Morgan's Curse might just be more than folklore. Will Swanson and the New York police and fire departments be able to find the truth behind the curse, or will Swanson have to abandon his plans? Joseph Pusch lives in Oktaha, Oklahoma, with his wife. He is the author of *Jeremy* and *the Storm Witch*.

The Mummy's Curse Megan Stine, 1992 Egypt 1908: Nine-year-old Indy gets introduced to archaeology by Lawrence of Arabia, but the thrill is gone when the guard of a newly opened tomb is murdered.

The Dain Curse Dashiell Hammett, 1989-07-17 When eight diamonds are stolen from a prominent San Francisco family, the Continental Op is called in to investigate. But the missing jewels aren't the only thing out of the ordinary. The man who reported the burglary ends up dead, ostensibly a suicide. His daughter, one of the suspects, Miss Gabrielle Dain Leggett, has a penchant for morphine and religious cults. She also has an unfortunate effect on the people around her: they have a habit of dying. Might Gabrielle be the victim of an arcane family curse? Or is the truth about her stranger and even more dangerous? The Dain Curse is one of the Continental Op's most bizarre cases and a tautly crafted masterpiece of suspense.

The Curse of Cain Regina M. Schwartz, 1997-05-15 For Regina Schwartz, we ignore the dark side of the Bible to our peril. The perplexing story of Cain and Abel is emblematic of the tenacious influence of the Bible on secular notions of identity - notions that are all too often violently exclusionary, negatively defining us against them in ethnic, religious, racial, gender, and nationalistic terms. In this compelling work of cultural and biblical criticism, Schwartz contends that it is the very concept of monotheism and its jealous demand for exclusive allegiance - to one God, one Land, one Nation or one People - that informs the model of collective identity forged in violence, against the other.

Curse Words #4 Charles Soule, 2017-04-19 Wizord must regain his magical powers before (a) he dies and (b) the world ends, in that order of importance. To do so, he must travel to a truly horrifying place...LOS ANGELES! Meanwhile, the beautiful, terrible Ruby Stitch finally appears in our world--and she is READY TO RUMBLE.
