🔖 **MATH CURSE** Jon Scieszka, 1995-10-01 Did you ever wake up to one of those days where everything is a problem? You have 10 things to do, but only 30 minutes until your bus leaves. Is there enough time? You have 3 shirts and 2 pairs of pants. Can you make 1 good outfit? Then you start to wonder: Why does everything have to be such a problem? Why do 2 apples always have to be added to 5 oranges? Why do 4 kids always have to divide 12 marbles? Why can't you just keep 10 cookies without someone taking 3 away? Why? Because you're the victim of a Math Curse. That's why. But don't despair. This is one girl's story of how that curse can be broken.

🔖 **The Excalibur Curse** Kiersten White, 2021-12-07 The gripping conclusion to the acclaimed Arthurian fantasy trilogy from #1 New York Times bestselling author Kiersten White finds Guinevere questioning everything—friends and enemies, good and evil, and, most of all, herself. While journeying north toward the Dark Queen, Guinevere falls into the hands of her enemies. Behind her are Lancelot, trapped on the other side of the magical barrier they created to protect Camelot, and Arthur, who has been led away from his kingdom, chasing after false promises. But the greatest danger isn't what lies ahead of Guinevere—it's what's been buried inside her. Vowing to unravel the truth of her past with or without Merlin's help, Guinevere joins forces with the sorceress Morgana and her son, Mordred—and faces the confusing, forbidden feelings she still harbors for him. When Guinevere makes an agonizing discovery about who she is and how she came to be, she finds herself with an impossible choice: fix a terrible crime, or help prevent war. Guinevere is determined to set things right, whatever the cost. To defeat a rising evil. To remake a kingdom. To undo the mistakes of the past...even if it means destroying herself. Guinevere has been a changeling, a witch, a queen—but what does it mean to be just a girl?

🔖 Curses Lish McBride, 2021-07-20 Curses is the 'Beauty and the Beast' retelling I've been waiting for. --Marissa Meyer, #1 New York Times bestselling author A unique and twisty magical romp! --Tamora Pierce, New York Times bestselling author Merit Cravan refused to fulfill her obligation to marry a prince, leading to a fairy godling's curse. 🔖 Morgan's Curse Joseph Pusch, 2011-04 'My ghost will always protect this land. I curse your beloved city and all the people who witness my death. I will guard this place and reap death upon anyone who disturbs my spirit. Do not try-' And so began the mysterious curse issued by New York's finest firefighter turned inventor and landowner. It was 1935, and Morgan, who lost his parents in a devastating building fire as a young boy, recently patented a snazzy new machine that would draw out the oxygen from the fire, depleting the primary fuel source. By eliminating the oxygen, the fire would die, saving both lives and buildings. But one cold night, a homeless woman and her young daughter started a small fire in empty oil drum to keep warm in a building on Morgan's land. The fire caught, and though Morgan had arrived on the scene and started his fire eating machine, it was too late. The building went up in flames, and the last sound onlookers heard were the screams of a dying girl. The onlookers quickly became a mob, blaming Morgan for the girl's death and demanding he hang. The ominous curse contained his last words. Some seventy years later, contractor William Swanson purchased the very same land Morgan had cursed to build luxury condos, dismissing the curse as silly superstition. But when strange things start happening, including the deaths of two construction workers and unexplained fires, suspicions arise that Morgan's Curse might just be more than folklore. Will Swanson and the New York police and fire departments be able to find the truth behind the curse, or will Swanson have to abandon his plans? Joseph Pusch lives in Oktaha, Oklahoma, with his wife. He is the author of Jeremy and the Storm Witch.

🔖 The Gilded Curse Marilyn Turk, 2016-03-14 Responding to a cryptic telegram, Lexie Smithfield returns to Jekyll Island to sell her family's abandoned vacation home in the Millionaire's Club. For years she's secretly believed in the Gilded Curse -- that her destiny is determined not by her family's mistakes, but by the choices she makes. As she discovers the cottage's hidden secrets, however, she begins to wonder if the Gilded Curse is real. Lexie's trip is prolonged when Nazi U-boats threaten the island's residents. While the management of the Millionaire's Club attempts to keep members unaware of the danger and confined to the island, Lexie discovers the real dangers that lurk within this cursed community. Endorsements & Reviews Author Marilyn Turk uses both romance and danger to quickly draw us into this page-turning novel. When Lexie Smithfield's brother is killed in the attack on Pearl Harbor, she returns to the family's vacation home in Jekyll Island, Georgia, which she hasn't seen since she was a child. The old home still stands, though it is uninhabited—at least, as far as Lexie can see. Her mother believed both the house and the island were cursed, but Lexie finds that difficult to believe. With the help of her childhood friend, Russell Thompson (now an extremely attractive man), she dares to challenge her mother's belief—and quickly finds herself face-to-face with danger. This is a story I'd highly recommend, and one I hope has sequels coming along behind it. Kathi Macias Multi-award-winning author of more than 50 books, including 2011 Golden Scrolls Novel of the Year, Red Ink Driven by a story of have nots who once had everything, The Gilded Curse magically takes us to an age of uncertainty by employing a cast of characters whose lives have been turned upside down by war and depression. With rich layers of description, this gripping suspense novel weaves romance, suspicion and intrigue into a dynamic wave of mystery. Ace Collins, author of over sixty books and Christy Award-winning author of The Color of Justice Take a trip to WWII America with Marilyn Turk in The Gilded Curse, where Germans off the East Coast are only one of the worries for the heroine in this entertaining mystery/romance mix. You'll get 1940s atmosphere, enough mystery to keep the pages turning, and a sweet little romance to boot! Linore Rose Burkard, award-winning author of Regency Breakout novels for the CBA The Gilded Curse is my kind of novel. I was totally drawn into the story from the very first page. I loved the setting and the entire cast of characters. It has everything you want in a novel: history, mystery, suspense, romance and intrigue. Highly recommended! Dan Walsh, best-selling author of The Unfinished Gift, The Discovery and When Night Comes
