Chroniques d'espérance Lobo Grant,2018-04-07 À toi qui avances sur le chemin de l'Espoir, sache que les astres t'accompagnent dans ta quête. Le destin n'est aujourd'hui qu'une question de choix... au terme de ton périple, patiente sereinement l'avenir de notre monde. Les peuples de Vallterra sont en guerre pour des raisons tout aussi ancestrales qu'obscurées. Pourtant, cette lutte sans fin entre les provinces de l'Empire du Nord et celles du Royaume du Sud est loin d'être le fruit du hasard... Glad et son frère aîné Cloïd sont envoyés en reconnaissance, non loin des champs de bataille. Confronté à l'horreur et à la tristesse de la guerre et de ses conséquences, Glad décide de partir en quête d'Espérance qui, selon la légende, serait la clé pour mettre un terme à ce conflit. Le jeune homme va découvrir qu'il possède un pouvoir précieux : celui de la Lune. Ce corps céleste, au même titre que son opposé, le Soleil, offre à ses disciples une puissance bien supérieure aux sortilèges pratiqués par le commun des mages.

Chan Desperans Valencia Clement,2020-10-20 Chan Desperans means songs of hope in Haitian-Creole. Growing up, I always saw Chant D'esperance hymnals in my home, in churches and whenever I was in community with other Haitian diaspora members. I always wondered why the title was in French when most of the people in my church spoke only Haitian Creole (many did not know how to read and write). So in honor of Creole Heritage Month, I began doing some research. I learned that while Catholicism has been the national religion of Haiti since the 1600s, there was not a Haitian Creole translation of the Bible until 1985. A Haitian NIV wasn't published until the 2000s. This means that although 95% of Haitians Speak Haitian Creole as their primary tongue, and most only speak Haitian Creole, a critical mass of Haitians on the island had to rely on third party sources to help understand the religious text. For me, Religion, especially spirituality, has been about creating an individual relationship with God so I was very surprised that many Haitian people had to rely on others' interpretations to make sense of their faith. It bothered me deeply to see folks denied the ability to read, critically think and apply their experience and unique spirituality to their faith practice. It's a spiritual wound and trauma to deny folks divine agency to make sense of themselves in relation to divine power especially during times such as these where pandemics, politics and environmental disaster have ushered in a new normal shrouded in uncertainty. I wrote these Songs of Hope to take back my

Songs of Hope. I wrote this book to exercise my agency and ignite my rehumanization and re-spiritualization. After conducting years of research, I found one thing in common between the diverse biblical authors, they were met with challenges and by connecting to the divine, they were able to share testimonies with the world about the miracles of our God. As we are facing unprecedented times, it's important for us to know, we all have the power to share our testimonies and songs of hope that help us journey towards a more just future. As God guides us through these times and reveals lessons to us about who we are and what our ministries are, we author contemporary theologies that fit our modern context. When the Torah talks about creation, it says God breathed nepsheh, divine breath or the Holy Spirit into us. We have the ability and the authority to leverage that spirit or utopian longing to turn our freedom dreams into liberative theologies, ontologies and epistemologies. This book is about hurting, healing and growing Godward. It reminds us all of our divine power to navigate complexity and reclaim things taken from us by racialized capitalism, imperialism and spiritual violence. The text brings readers in to process the following questions: How do we process trauma after unprecedented trauma and still rise again? How do we communicate our deepest anguish and blues with divine powers around us? What songs of hope will carry us to tomorrow?

I Sat Where You Sit Joel Esperance, 2011-03 I sat where you sit, I have been through what you are going through, and I am living through it so I could tell you about it, and you, one day, will tell someone else that you sat where they sit. *I Sat where you Sit*, by Joel Esperance, tells the story of a man's growth from poor child in Haiti to successful adult in the United States. Throughout the many years of his life, the author was exposed to the full range of the human experience, from love and laughter to grief and sadness. Through it all, he maintained his faith in God. He leaned on that faith to sustain him in the difficult times and to uplift him in the good times. Readers will certainly believe Mr. Esperance when he tells them that, no matter how difficult things may seem now, God will use it to his purpose. 'After all, ' he says, 'I sat where you sit.'

Sicily Herald and the Blazon of Colours (Renaissance Colour Symbolism I)

Roy Osborne, 2018-06 'Sicily Herald and the Blazon of Colours' brings together the original texts with original English translations of two closely related primary sources on Renaissance colour symbolism. 'Le Blason de toutes armes et scutz' (The blazon of all arms and shields) was completed about 1420 by Jean Courtois (c. 1375-1436), the Sicily Herald, and printed in Paris in 1495. The second, 'Le Blason des couleurs en armes, livrées, et devises' (The blazon of colours in arms, liveries and devices), by Gilles Corrozet (1510-68), was published in Paris in 1527 by Pierre Le Brodeur. They were first two books on colour to be printed in Europe, and are now available in

English for the first time in five centuries. Roy Osborne is an artist, educator and historian, and author of books on colour. He was awarded the Turner Medal of the Colour Group (Great Britain) in 2003, and the Colour in Art, Design and Environment Medal of the International Colour Association in 2019.

Miss Esperance and Mr Wycherly L. Allen Harker,2021-05-20 This fiction is the story of a sweet old lady in an English village who owns a wealth of unapplied maternity, which she uses as opportunities come. She supports a scholar who admitted to a pitiful weakness for drinking and whose shattered life she has decided to strengthen. Two little boys, relatives to Miss Esperance, being orphaned, are also confided to her care. The middle-aged bachelor with broken ambitions and the older woman with an absence of love dedicate themselves to turning these two boys into good human beings of the future. Harker has successfully presented a delightful narrative of a lovely old woman and a young man who took in their care two orphaned little boys and brought them up according to her own principles. This work delivers a pleasant and thoughtful story with decent and caring people. It is incredibly written and full of emotions with lifelike characters.
