It's All about the DECA Wayne Kurtz,2017-05-03 It's All About The DECA will take the endurance athlete junkie to understand this EXTREME endurance race that receives very little publicity and embraced by those who have achieved this amazing test of human endeavor. In the multitude of checklists, toughest, most extreme endurance races and the world's toughest endurance challenges; the DECA is the hidden gem most often overlooked because of the grass roots core group of athletes that live for this extreme event. There are no major sponsors and no media outlet in the world reports this race very different than the normal, everyday known race.

An Etymological Dictionary of the English Language John Oswald,2022-06-05 Reprint of the original, first published in 1868.

The Invisible Heart Russell Roberts, 2002-02-22 A lively, unorthodox look at economics, business, and public policy told in the form of a novel. A love story that embraces the business and economic issues of the day? The Invisible Heart takes a provocative look at business, economics, and regulation through the eyes of Sam Gordon and Laura Silver, teachers at the exclusive Edwards School in Washington, D.C. Sam lives and breathes capitalism. He thinks that most government regulation is unnecessary or even harmful. He believes that success in business is a virtue. He believes that our humanity flourishes under economic freedom. Laura prefers Wordsworth to the Wall Street Journal. Where Sam sees victors, she sees victims. She wants the government to protect consumers and workers from the excesses of Sam's beloved marketplace. While Sam and Laura argue about how to make the world a better place, a parallel story unfolds across town. Erica Baldwin, the crusading head of a government watchdog agency, tries to bring Charles Krauss, a ruthless CEO, to justice. How are these two dramas connected? Why is Sam under threat of dismissal? Will Erica Baldwin find the evidence she needs? Can Laura love a man with an Adam Smith poster on his wall? The answers in The Invisible Heart give the reader a richer appreciation for how business and the marketplace transform our lives.
