The Lost Book of Eleanor Dare Kimberly Brock, 2022-04-12 The fate of the world is often driven by the curiosity of a girl. What happened to the Lost Colony of Roanoke remains a mystery, but the women who descended from Eleanor Dare have long known that the truth lies in what she left behind: a message carved onto a large stone and the contents of her treasured commonplace book. Brought from England on Eleanor's fateful voyage to the New World, her book was passed down through the fifteen generations of daughters who followed as they came of age. Thirteen-year-old Alice had been next in line to receive it, but her mother's tragic death fractured the unbroken legacy and the Dare Stone and the shadowy history recorded in the book faded into memory. Or so

Alice hoped. In the waning days of World War II, Alice is a young widow and a mother herself when she is unexpectedly presented with her birthright: the deed to Evertell, her abandoned family home and the history she thought forgotten. Determined to sell the property and step into a future free of the past, Alice returns to Savannah with her own thirteen-year-old daughter, Penn, in tow. But when Penn's curiosity over the lineage she never knew begins to unveil secrets from beneath every stone and bone and shell of the old house and Eleanor's book is finally found, Alice is forced to reckon with the sacrifices made for love and the realities of their true inheritance as daughters of Eleanor Dare. In this sweeping tale from award-winning author Kimberly Brock, the answers to a real-life mystery may be found in the pages of a story that was always waiting to be written. Praise for *The Lost Book of Eleanor Dare*: "From the haunting first line, *The Lost Book of Eleanor Dare* transports the reader to a mysterious land, time and family . . . the captivating women of the Dare legacy must find their true inheritance hiding behind the untold secrets." –Patti Callahan, New York Times bestselling author *Historical women's fiction* Stand-alone novel Book length: approximately 135,000 words Includes discussion questions for book clubs

The Dare Lauren Landish, 2020-01-19 Have you ever had one of those really bad days at work? You know, one where your hot boss catches you photocopying your backside in his office? No? Just me then? Colton Wolfe. My boss. Tall, dark, and handsome, with the sexiest British accent I've ever heard. His only flaw? That he's completely oblivious to what's been right in front of him all along. Me. Well, he was until a few minutes ago. Remember those good old days? Before I got caught making nice with the copy machine, and before I was totally getting fired? But wait. Maybe I'm not. If I can take on the biggest dare of all. Making Colton Wolfe fall in love with me. The Dare is a full-length romance with a HEA and no cliffhanger.

The Dare Lesley Kara, 2021-08-03 She thought she had put all the questions to rest. But someone from her past wants answers. From the bestselling author of *The Rumor* and *Who Did You Tell?* comes *The Dare*, an electrifying novel of suspense. "I read *The Dare* in two big gulps—it's pacy, has great characters, and there's a flip worthy of Simone Biles."—Fiona Barton, *New York Times* bestselling author of *The Widow At the time it was exciting. A game of dare, but one that had motive and justification. Children can be so judgmental, can't they? I can still hear her cry as she toppled forward, the dull thud of her body as it landed on the pavement. Lizzie and Alice are the best of friends, as close as can be. Dare to Lead Brené Brown, 2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY

BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style

that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

But Ivan Gumenyuk had determined to follow God's calling, and right then God was calling him to be a missionary in the Soviet army. Like Daniel of old, Ivan faced trials that tested his faith to the limits. And, like Daniel, Ivan accomplished incredible things for God.
