Dots & Dashes Jehanne Dubrow, 2017-08-04 Moving between the languages of love and war, Jehanne Dubrow's latest book testifies to the experiences of military wives. Dubrow navigates the rough seas of marriage alongside questions of how civilians and military personnel can learn to communicate with each other.

The Dash Linda Ellis, 2012-04-16 When your life is over, everything you did will be represented by a single dash between two dates—what will that dash mean for the people you have known and loved? As Joseph Epstein once said, “We do not choose to be born. We do not choose our parents, or the country of our birth. We do not, most of us, choose to die. . . . But within this realm of choicelessness, we do choose how we live.” And that is what *The Dash* is all about. Beginning with an inspiring poem by Linda Ellis titled “The Dash,” renowned author Mac Anderson then applies his own signature commentary on how the poem motivates us to make certain choices in our lives—choices to ignore the calls of selfishness and instead reach out to others, using our God-given abilities to brighten their days and lighten their loads. After all, at the end of life, how we will be remembered—whether our dash represents a full, joyous life of seeking God’s glory, or merely the space between birth and death—will be entirely up to the people we’ve left behind, the lives we’ve changed.

Story Dash David Hutchens, 2021-08-24 Storytelling is humanity’s oldest way of connecting to others. But for businesses and managers, it can also be a powerful tool to help organizations grow and thrive. A leader’s role is to create engagement and belief so that people will act. And there’s no more powerful way to grab attention, be remembered, and engage action than by telling stories—about who you are, what you do, and why you do it. Today, “storytelling” is a hot topic in organizations... but most leaders still struggle to act upon it. How do we find and tell our stories quickly, in an environment of urgency where we can hardly pause to catch our breath? For more than a decade Hutchens has tested his method of rapid and strategic story development with innovation teams in Silicon Valley, across global Fortune 100 leadership teams, and more. Hutchens has honed a unique process that is active, potent, and strategically focused . . . and also a lot of fun. In *Story Dash*, Hutchens shares a repeatable process to find, develop, and deploy your “narrative assets”—that is, your urgent core stories that hold value. Even better, he will help you do it FAST; often in less than a day. *Story Dash* will help you to: Access your natural capacity for storytelling Find your stories—and figure out which ones to tell Build your narrative so it lands with unforgettable impact Find your own voice of authentic leadership Bring more of who you are to your teams and your markets Fully illustrated and written in a clear, sharp voice, *Story Dash* shares the fastest way to find lots of stories that will create action around the work you care about most.

Dash & Lily's Book of Dares Rachel Cohn, David Levithan, 2010-10-26 Now a Netflix original series starring Austin Abrams and Midori Francis! A whirlwind holiday season romance from the New York Times bestselling authors of *Nick & Norah's Infinite Playlist*. “I’ve left some clues for you. If you want them, turn the page. If you don’t, put the book back on the shelf, please.” 16-year-old Lily has left a red notebook full of challenges on her favorite bookstore shelf, waiting for just the right guy to come along and accept its dares. Dash, in a bad mood during the holidays, happens to be the first guy to pick up the notebook and rise to its challenges. What follows is a whirlwind romance as Dash and Lily trade dares, dreams, and desires in the notebook they pass back and forth at locations all across New York City. But can their in-person selves possibly connect as well as their notebook versions, or will their scavenger hunt end in a comic mismatch of disastrous proportions? Co-written by Rachel Cohn (GINGERBREAD) and David Levithan, co-author of *WILL GRAYSON*, *WILL GRAYSON* with John Green (*THE FAULT IN OUR STARS*), *DASH & LILY'S BOOK OF DARES* is a love story that will have readers scouring bookstore shelves, looking and longing for a love (and a red notebook) of their own.

Inflections of the Pen Paul Crumbley, 1997 Emily Dickinson's life and art have fascinated - and perplexed - the poet's admirers for more than a century. One of the most hotly debated elements of Dickinson's poetry has been her unconventional use of punctuation. Now, in *Inflections of the Pen: Dash and Voice in Emily Dickinson*, Paul Crumbley unravels many of these stylistic mysteries in his careful examination of manuscript versions of her poems - including selections from the fascicles, Dickinson's own hand-bound gatherings of her poems - and of Dickinson's letters. Crumbley argues that the dash is the key to deciphering the poet's complex experiments with poetic voice. From the time of Dickinson's first editors, Mabel Loomis Todd and Thomas Wentworth Higginson, standard versions of her poetry have tended to normalize the poems. Designated as either em- or en-dashes in print by all but a few recent editors, Dickinson's dash marks in the holograph versions vary tremendously in length, height, and angle. According to Crumbley, these varied dashes suggest subtle gradations of inflection and syntactic disjunction. The printed poems give the impression of a unified voice, whereas the dashes that appear in the manuscripts disrupt conventional thought patterns and suggest multiple voices.

Royal Panoply Carolly Erickson, 2007-04-01 From medieval conqueror to Renaissance autocrat to Victorian Empress to modern melodrama, *Royal Panoply* is the story of some of the most fascinating people in world history. With her trademark blend of probing scholarship, lively prose, and psychological insight, Carolly Erickson focuses on each monarch's entire life---from the puny, socially awkward Charles I, to the choleric, violent William the Conqueror, to the well-meaning, deeply affectionate Queen Anne, who was so heavy she had to be carried to her coronation. *Royal Panoply* recaptures the event-filled, often dangerous, always engaging lives of England's kings and queens, set against the backdrop of a thousand years of Britain's past.

Dash (Dogs of World War II) Kirby Larson, 2014-08-26 New from Newbery Honor author Kirby Larson, the moving story of a Japanese-American girl who is separated from her dog upon being sent to an incarceration camp during WWII. Although Mitsi Kashino and her family are swept up in the wave of anti-Japanese sentiment following the attack on Pearl Harbor, Mitsi never expects to lose her home -- or her beloved dog, Dash. But, as World War II rages and people of Japanese descent are forced into incarceration camps, Mitsi is separated from Dash, her classmates, and life as she knows it. The camp is a crowded and unfamiliar place, whose dusty floors, seemingly endless lines, and barbed wire fences begin to unravel the strong Kashino family ties. With the help of a friendly neighbor back home, Mitsi remains connected to Dash in spite of the hard times, holding on to the hope that the war will end soon and life will return to normal. Though they've lost their home, will the Kashino family also lose their sense of family? And will Mitsi and Dash ever be reunited?

Wired Love Ella Cheever Thayer, 2022-06-02 This is an adorable story of online love in the late Victorian era. It tells about the affection that emerged from the telegraph chat of two operators that had never seen each other before. Although it was written in the 1880s, the story's spirit is amazingly contemporary. The main character wanted to solve the confusion of a misspelled word with another operator, known as C. From this point, they started exchanging messages. Their story is full of charm—unexpected turns and pitfalls known to everyone who started their relations online.

Dashes at Life with a Free Pencil (Classic Reprint) Nathaniel Parker Willis, 2018-01-18 Excerpt from Dashes at Life With a Free Pencil So well are these unfortunate persons' names known by those who read the book in England, that in the copy which I have from a circulating library, they are all filled out in pencil. And I would here beg the reader to remark that these are. Private individuals, compelled by no literary or official distinction to come out from their privacy and figure in print, and in this, if not in the taste and quality of my descriptions, I claim a fairer escutcheon than my self-elected judge - for where is a person's name recorded in my letters who is not, either by tenure of public office, or literary, or political distinction, a theme of daily newspaper comment, and of course fair game for the traveller. I must give one more extract from Mr. Lockhart's book, an account of a dinner with a private merchant of Glasgow.
