

Detective

Lewis D. Moore

U.S. History Detective Steve Greif,2015-03-01

The Dime Novel Detective Gary Hoppenstand,1982 This volume offers a combination of representative dime novel detective fiction, presented in order of the respective series' first publication dates, and bibliographic material, which can assist the future scholar of the dime novels. Stories are reprinted from The New York Detective Library, Old Cap Collier, Old Sleuth Library, Bob Brooks Library, and Secret Service.

You are a Social Detective! Michelle Garcia Winner,Pamela Crooke,2010-11 You Are a Social Detective: Explaining Social Thinking to Kids.

You Are a Social Detective! Michelle Garcia Winner,Pamela Crooke,2021-01-04 The social world is a big, complicated place! We are all social detectives as we observe, gather, and make sense of the clues within different social contexts (settings, situations, and the people in them) to figure out the hidden rules for expected behaviors. This leads us toward understanding how we each feel and think about others in a situation and how we choose to respond to each other's actions and reactions. We are good Social Detectives when we use our eyes, ears, hearts, and brains to figure out what others are planning to do next or are presently doing and what they mean by their words and actions. This revised, expanded 2nd edition of the awarding-winning storybook teaches from the social learner's perspective about the power of observation, reading context, and interpreting clues before choosing how to respond in ways that meet their social goals. A new structured approach to observation, new illustrations reflecting a broader range of inclusion and diversity in characters, practice pages and activities for deeper learning, specific teaching tips, and a glossary of Social Thinking Vocabulary and concepts are just some of the new material you'll find inside. This is the first book in the Superflex® series. It guides readers on a journey of discovery where they can: · Learn formulas for gathering clues by observing a setting, situation, and people in it · Be empowered to figure out how the social world works through their own detective lens · Learn to identify feelings and emotions and connect them to behaviors · Understand that all feelings are okay, even uncomfortable ones, and we can still learn and grow · Get support from emojis and special word banks · Find core Social Thinking® Vocabulary words highlighted throughout to support and strengthen key learning concepts · Have numerous opportunities to make smart guesses about hidden social rules in various situations · See examples and tips for school, home, and community life · Celebrate how all of us are social observers who are affected by others' actions and reactions

Detective Arthur Hailey,2015-10-20 A death row confession sparks an investigation that will tear Miami apart in this “engrossing thriller” from the #1 New York Times–bestselling author (Booklist). Detective-Sergeant Malcolm Ainslie, a former Catholic priest, is about to start his vacation when a call comes in from death row. Before serial killer Elroy Doil is taken to the electric chair, he wants to make a full confession to the cop who put him away. To close the books on additional murder cases in which Doil is a suspect, Ainslie drives four hundred miles to Florida State Prison. Although Doil confesses to ten other homicides, he insists that he didn’t commit the crime for which he will be executed the following day: the grisly slaying of a city commissioner and his wife. In his search for the real killer, Ainslie will discover that the upper levels of Miami’s government—including some of his closest colleagues—are more corrupt and dangerous than he ever imagined.

The Data Detective Tim Harford,2022-02-01 From “one of the great (greatest?) contemporary popular writers on economics” (Tyler Cowen) comes a smart, lively, and encouraging rethinking of how to use statistics. Today we think statistics are the enemy, numbers used to mislead and confuse us. That’s a mistake, Tim Harford says in *The Data Detective*. We shouldn’t be suspicious of statistics—we need to understand what they mean and how they can improve our lives: they are, at heart, human behavior seen through the prism of numbers and are often “the only way of grasping much of what is going on around us.” If we can toss aside our fears and learn to approach them clearly—understanding how our own preconceptions lead us astray—statistics can point to ways we can live better and work smarter. As “perhaps the best popular economics writer in the world” (New Statesman), Tim Harford is an expert at taking complicated ideas and untangling them for millions of readers. In *The Data Detective*, he uses new research in science and psychology to set out ten strategies for using statistics to erase our biases and replace them with new ideas that use virtues like patience, curiosity, and good sense to better understand ourselves and the world. As a result, *The Data Detective* is a big-idea book about statistics and human behavior that is fresh, unexpected, and insightful.

The Evil I Have Seen Robert (Robbo) Davidson,P.J. Jones,2021-04-20 *The Evil I Have Seen* is a collection of true crime short stories from the memoirs of veteran homicide investigator, Detective Lt. Robert (Robbo) Davidson. Six accounts are woven together with his memories, case files, witness statements, and trial transcripts.

The Detective Roderick Thorp,2014-12-02 In this bestselling book that inspired the hit movie by the same name, starring Frank Sinatra, an apparent suicide forces a PI to reconsider his most famous case Joe Leland returned from World War II with a chest full of medals, but his greatest honor came after he traded his pilot’s wings for a detective’s shield. Catching the Leikman killer made Joe a local hero, but the shine quickly wore off, and it wasn’t long before he left the police force to start his own private agency. Years after his greatest triumph, Joe has a modest income and a quiet life—both of which may soon fall apart. When Colin MacIver dies at the local racetrack, the coroner rules that he took his own life, but his widow knows better.

Because MacIver's life insurance policy doesn't cover suicide, his wife is left broke, desperate, and afraid for her safety. She hires Leland to find out who could have killed her gentle, unassuming husband—a simple question that will turn this humble city inside out.

Cracking the Hard-Boiled Detective Lewis D. Moore, 2006-02-17 The hard-boiled private detective is among the most recognizable characters in popular fiction since the 1920s--a tough product of a violent world, in which police forces are inadequate and people with money can choose private help when facing threatening circumstances. Though a relatively recent arrival, the hard-boiled detective has undergone steady development and assumed diverse forms. This critical study analyzes the character of the hard-boiled detective, from literary antecedents through the early 21st century. It follows change in the novels through three main periods: the Early (roughly 1927-1955), during which the character was defined by such writers as Carroll John Daly, Dashiell Hammett and Raymond Chandler; the Transitional, evident by 1964 in the works of John D. MacDonald and Michael Collins, and continuing to around 1977 via Joseph Hansen, Bill Pronzini and others; and the Modern, since the late 1970s, during which such writers as Loren D. Estleman, Liza Cody, Sara Paretsky, Sue Grafton and many others have expanded the genre and the detective character. Themes such as violence, love and sexuality, friendship, space and place, and work are examined throughout the text. Instructors considering this book for use in a course may request an examination copy here.

A Detective's Triumphs James Edward Muddock, 2022-11-22 A Detective's Triumphs by James Edward Muddock is about the party of Lord Blank and the mysterious crime that occurs there. Excerpt: ON that most sensational, or at any rate one of the most sensational of Derby days, what was known as 'Hermit's Derby,' a party of ladies and gentlemen, who, if not justly entitled to claim to walk in the exclusive ranks of the upper ten,' were not far removed from them, so far as their mode of life and habits were concerned, went down to the race-course from London in a splendidly-appointed drag, drawn by four magnificent bays that were tooled by young Lord Blank.

The Boy Detective Roger Rosenblatt, 2013-11-05 The Washington Post hailed Roger Rosenblatt's *Making Toast* as a textbook on what constitutes perfect writing, and People lauded Kayak Morning as intimate, expansive and profoundly moving. Classic tales of love and grief, the New York Times bestselling memoirs are also original literary works that carve out new territory at the intersection of poetry and prose. Now comes *The Boy Detective*, a story of the author's childhood in New York City, suffused with the same mixture of acute observation and bracing humor, lyricism and wit. Resisting the deadening silence of his family home in the elegant yet stiflingly safe neighborhood of Gramercy Park, nine-year-old Roger imagines himself a private eye in pursuit of criminals. With the dreamlike mystery of the city before him, he sets off alone, out into the streets of Manhattan, thrilling to a life of unsolved cases. Six decades later, Rosenblatt finds himself again patrolling the territory of his youth: The writing class he teaches has just wrapped up, releasing him into the winter night and the very neighborhood in which he grew up. A grown man now, he investigates his own life and the life of the city as he walks, exploring the New York of the 1950s; the lives of the writers who walked these streets before him, such as Poe and Melville; the great detectives of fiction and the essence of detective work; and the monuments of his childhood, such as the New York Public Library, once the site of an immense reservoir that nourished the city with water before it nourished it with books, and the Empire State Building, which, in Rosenblatt's imagination, vibrates sympathetically with the oversize loneliness of King Kong: If you must fall, fall from me. As he walks, he is returned to himself, the boy detective on the case. Just as Rosenblatt invented a world for himself as a child, he creates one on this night—the writer a detective still, the chief suspect in the case of his own life, a case that discloses the shared mysteries of all our lives. A masterly evocation of the city and a meditation on memory as an act of faith, *The Boy Detective* treads the line between a novel and a poem, displaying a world at once dangerous and beautiful.

The Good Detective John McMahon, 2020-02-04 A New York Times Book Review Top 10 Crime Novel of the Year John McMahon is one of those rare writers who seem to have sprung out of nowhere. His first novel, *The Good Detective*, which is pretty much perfect, features a decent if flawed hero battling personal troubles while occupied with a murder case of great consequence to his community.--New York Times Book Review Introducing Detective P.T. Marsh in a swift and bruising debut where Elmore Leonard's staccato prose meets Greg Iles' Southern settings. How can you solve a crime if you've killed the prime suspect? Since the night his wife and son were killed in an accident, Detective P.T. Marsh can't see the line between bold moves and disastrous decisions. But when the former rising star of the Mason Falls, Georgia, police force decides to help out a woman by giving her abusive boyfriend a taste of his own medicine, he might have crossed a line. The next morning he gets called to the scene of his newest murder case, and is stunned to arrive at the house of a dead man, the very man he beat up the night before. As P.T. and his partner, Remy, begin to suspect the murder is connected to a local arson and the lynching of a teenage boy, P.T. realizes he might have killed the top suspect of this horrific crime. Amid rising racial tension and media scrutiny, P.T. uncovers something even deeper beneath the boy's murder--a conspiracy leading all the way back to the time of the Civil War. Risking everything to unravel the puzzle even as he fights off his own demons, P.T. races headlong toward an incendiary and life-altering showdown.

Debian Perl: Digital Detective Book One Melanie Hilario, Lauren Davis, 2019-08-20 Debian Perl: Digital Detective is a five-book series in which middle-grade readers will join Debian and Digits on mystery adventures all while building practical knowledge of coding, algorithms, algebra, and logical

problem-solving. Debian Perl will not only teach readers about STEAM-based education, but also about the importance of friendship, loyalty, identity, and, of course, solving the scientific puzzles of the future. –Dr. Katie Monnin, Pop Culture Classroom Megalopolis used to be the city hub for all the makers, doers, and dreamers. It was a better time according to Debian Perl, a technomancer known for her out-of-date computer programming skills. Now the city streets are filled with “Egg-heads,” those in thrall to the ease and simplicity of new technology as opposed to Debian’s way of doing things. Digits is one of those Egg-heads. She is a young social media guru and knows her way around all the newest, latest technology. Debian and Digits cross paths when they both stumble across a 100-year-old lost robot named Ray-Bot. They soon learn that Ray-Bot’s CPU was suspiciously overclocked, leaving him unable to perform basic functions and commands. To find out where the robot came from, Debian must teach Digits everything she knows about computer coding and programming. Along their journey to bring Ray-Bot home, they begin piecing together the mysterious puzzle about his malfunction and uncover some sinister secrets. *Debian Perl: Digital Detective* is a five-book series in which middle-grade readers will join Debian and Digits on mystery adventures all while building practical knowledge of coding, algorithms, algebra, and logical problem-solving.

Detective Jones & The Shepherd's Cattle Sheldon Hollis, 2018-05-18 In the streets of Trinity City, darkness lurks at every corner. Crime runs rampant, corruption is just another walk in life, and those who choose to walk a path of righteousness become victims at the hands of predators in the darkest corners of the city. Some forms of darkness go undetected by the human eye, but not under Detective Jones’Os. Since a child, Detective Jones has had a gift to see beyond the natural realm of this earth. Such a gift has made Detective Jones be seen as the best Detective in the world. There isn’Ot a case that he can’Ot solve and there isn’Ot a case that he refuses to solve. In this gritty mystery, Detective Jones races against time to bring down a very violent cult that’Os running rampant throughout the city. But, this time, Detective Jones isn’Ot the only one who’Os doing the hunting. Evil shadows lurk in the alleyways, but little do they know, Detective Jones is always one step ahead.

Dotty Detective (Dotty Detective, Book 1) Clara Vulliamy, 2016-05-05 Meet Dorothy Constance Mae Louise, or Dot as she prefers to be called!

How to Be a Poop Detective kristin Struble, 2016-08-01 Children’s book discussing what a well-functioning digestive tract behaves like and details what its end product, poop, should be like. It educates on dietary choices that influence a healthy GI tract, in turn helping to create a healthy body and normal poop. Also, highlighted in the book is the product, Squatty Potty due to its unique ability to aide and assist the pooping process naturally.

The Range Detectives W. Johnstone, J. A. Johnstone, 2018-11 The bestselling masters of western fiction launch a new series featuring two tough frontier detectives who solve the bloodiest crimes with bravado, brains, and bullets blazing. Original.

Shark Detective! Jessica Olien, 2015-09 When Shark Detective finds a flier for a missing kitty, he sets out to discover what may have happened to the missing pet.

At What Cost James L’Etoile, 2016-12-13 What would you do to save your child? Detective John Penley and his new partner, Detective Paula Newberry, of the Sacramento Police Department are tasked with leading the investigation into a local serial killer who has dumped three bodies in the past six weeks—and all of them are missing their internal organs. But while pursuing a lead, the detectives stumble upon a personal message the killer left behind for Penley. And it’s attached to a human kidney. How could the killer know Penley’s son is on the kidney transplant waiting list? Now Penley’s baited into an impossible trap that could jeopardize his entire career. Will the detective take down the killer and place his faith in the medical establishment to heal his son? Or, will he make a deal with the devil for the transplant organ his son needs to live? *At What Cost*, James L’Etoile’s engrossing new mystery, is a heart-stopping thrill ride that will keep readers guessing at every turn. Fans of Michael Connelly and Thomas Perry won’t be able to put this down.
