Devious Lisa Jackson,2023-05-23 The crime scene at St. Marguerite's cathedral in New Orleans is shocking, even to seasoned detectives like Rick Bentz and Reuben Montoya. A novice nun named Sister Camille has been found dressed in a yellowed bridal gown and viciously garroted, her body covered with an altar cloth. Valerie Houston is devastated by her sister's death. For weeks, she'd begged Camille to leave St. Marguerite's, where she seemed determined to live as some kind of martyr. But Camille had a knack for making bad choices-she joined the convent in part because she'd fallen for Val's soon-to-be ex-husband, Slade. Convinced the police aren't doing enough, Val begins to investigate. But the deeper Val's inquiries go, the more twisted the case becomes. St. Marguerite's is far from the tranquil retreat many believe; everyone has their own agenda. Even Camille had a hidden life Val never suspected. But someone knew about Camille's past - and Val's, too. Now she has no choice but to catch a devious, depraved killer intent on purging St. Marguerite's of all its sins - before she becomes the next victim.

A gorgeous brother-sister pair is taking Waverly by storm, and the campus is abuzz with fresh gossip and even fresher crushes. After all, there can only be one It Girl...

Truly Devious Maureen Johnson,2018-01-16 New York Times bestselling author Maureen Johnson weaves a delicate tale of murder and mystery in the first book of a striking new series, perfect for fans of Agatha Christie and E. Lockhart. Ellingham Academy is a famous private school in Vermont for the brightest thinkers, inventors, and artists. It was founded by Albert Ellingham, an early twentieth century tycoon, who wanted to make a wonderful place full of riddles, twisting pathways, and gardens. "A place," he said, "where learning is a game." Shortly after the school opened, his wife and daughter were kidnapped. The only real clue was a mocking riddle listing methods of murder, signed with the frightening pseudonym "Truly, Devious." It became one of the great unsolved crimes of American history. True-crime aficionado Stevie Bell is set to begin her first year at Ellingham Academy, and she has an ambitious plan: She will solve this cold case. That is, she will solve the case when she gets a grip on her demanding new school life and her housemates: the inventor, the novelist, the actor, the artist, and the jokester. But something strange is happening. Truly Devious makes a surprise return, and death revisits Ellingham Academy. The past has crawled out of its grave. Someone has gotten away with murder. The two interwoven mysteries of this first book in the Truly Devious series dovetail brilliantly, and Stevie Bell will continue her relentless quest for the murderers in books two and three. The Vanishing Stair Maureen Johnson,2019-01-22 New York Times and Publishers Weekly bestseller! In New York Times bestselling author Maureen Johnson's second novel in the Truly Devious series, there are more twists and turns than Stevie Bell can imagine. No answer is given freely, and someone will pay for the truth with their life. The Truly Devious case—an unsolved kidnapping and triple murder that rocked Ellingham Academy in 1936—has consumed Stevie for years. It's the very reason she came to the academy. But then her classmate was murdered, and her parents

quickly pull her out of school. For her safety, they say. She must move past this obsession with crime. Stevie's willing to do anything to get back to Ellingham, be back with her friends, and solve the Truly Devious case. Even if it means making a deal with the despicable Senator Edward King. And when Stevie finally returns, she also returns to David: the guy she kissed, and the guy who lied about his identity—Edward King's son. But larger issues are at play. Where did the murderer hide? What's the meaning of the riddle Albert Ellingham left behind? And what, exactly, is at stake in the Truly Devious affair? The Ellingham case isn't just a piece of history—it's a live wire into the present. * Junior Library Guild Selection * Chicago Public Library's Best of the Best Books of 2019 * Hypable's Best Books of 2019 * Praise for Book One: "The Agatha Christie-like ecosystem pairs with lacerating contemporary wit, and alternating past and present scenes makes for a multilayered, modern detective story." —New York Times Book Review "Remember the first time reading Harry Potter and knowing it was special? There's that same sense of magic in the introduction of teen Sherlock-in-training Stevie Bell." —USA Today (four stars) "Be still, my Agatha-Christie-loving beating heart." —Bustle

The Box in the Woods Maureen Johnson, 2021-06-15 After solving the case of Truly Devious, Stevie Bell investigates her first mystery outside of Ellingham Academy in this spine-chilling and hilarious stand-alone mystery from New York Times bestselling author Maureen Johnson. Amateur sleuth Stevie Bell needs a good murder. After catching a killer at her high school, she's back at home for a normal (that means boring) summer. But then she gets a message from the owner of Sunny Pines, formerly known as Camp Wonder Falls—the site of the notorious unsolved case, the Box in the Woods Murders. Back in 1978, four camp counselors were killed in the woods outside of the town of Barlow Corners, their bodies left in a gruesome display. The new owner offers Stevie an invitation: Come to the camp and help him work on a true crime podcast about the case. Stevie agrees, as long as she can bring along her friends from Ellingham Academy. Nothing sounds better than a summer spent together, investigating old murders. But something evil still lurks in Barlow Corners. When Stevie opens the lid on this long-dormant case, she gets much more than she bargained for. The Box in the Woods will make room for more victims. This time, Stevie may not make it out alive. * Cosmopolitan Best YA Books of 2021 * People Magazine Best Books of Summer 2021*

Devious Thinking Bonnie Blackburn, 2021-02-05 While Rome may be the fabled locale where people travel in search of romance, American beauties Monty Harrison and Dana Zimmer discover that The Eternal City is a miserable place to have your heart broken. Their suffering becomes even more painful when their bruised egos collide in a neighborhood bar, resulting in jail time for disorderly conduct and assault. With little in common beyond their crushed spirits, Monty and Dana set their differences aside to team up for revenge on the men who unceremoniously dumped them. They hatch a devious plan using their feminine wiles and the intimate information that only former lovers would know. But in the process, they find that getting even is a lot more complicated than they thought. Recommended for mature readers.

The Hand on the Wall Maureen Johnson, 2020-01-21 New York Times and USA Today bestseller! New York Times bestselling author Maureen Johnson delivers the witty and pulse-pounding conclusion to the Truly Devious series as Stevie Bell solves the mystery that has haunted Ellingham Academy for over 75 years. Ellingham Academy must be cursed. Three people are now dead. One, a victim of either a prank gone wrong or a murder. Another, dead by misadventure. And now, an accident in Burlington has claimed another life. All three in the wrong place at the wrong time. All at the exact moment of Stevie's greatest triumph . . . She knows who Truly Devious is. She's solved it. The greatest case of the century. At least, she thinks she has. With this latest tragedy, it's hard to concentrate on the past. Not only has someone died in town, but David disappeared of his own free will and is up to something. Stevie is sure that somehow—somehow—all these things connect. The three deaths in the present. The deaths in the past. The missing Alice Ellingham and the missing David Eastman. Somewhere in this place of riddles and puzzles there must be answers. Then another accident occurs as a massive storm heads toward Vermont. This is too much for the parents and administrators. Ellingham Academy is evacuated. Obviously, it's time for Stevie to do something stupid. It's time to stay on the mountain and face the storm—and a murderer. In the tantalizing finale to the Truly Devious trilogy, New York Times bestselling author Maureen Johnson expertly tangles her dual narrative threads and ignites an explosive end for all who've walked through Ellingham Academy. Praise for the Truly Devious series: "Readers, hang tight: there's one more round to come, and if the signs are right, it'll be to die for." —Publishers Weekly (starred review) "The Agatha Christie-like ecosystem pairs with lacerating contemporary wit, and alternating past and present scenes makes for a multilayered, modern detective story." —New York Times Book Review "Remember the first time reading Harry Potter and knowing it was special? There's that same sense of magic in the introduction of teen Sherlock-in-training Stevie Bell." —USA Today (four stars) "Be still, my Agatha-Christie-loving beating heart." —Bustle

Je me détache de ses lèvres et embrasse délicatement son cou, mordille son épaule pendant que sa poitrine se lève et s'abaisse au même rythme que la mienne. - Oh, Rafael... Mon cœur se serre lorsque je prends conscience de ce que nous sommes en train de faire. Je ne peux pas, nous ne pouvons pas... Je me recule à contrecœur, le souffle court et le palpitant battant à tout rompre. Je ne sais pas où je puise cette force pour tout arrêter, mais je suis persuadé que je vais le regretter amèrement. D'ailleurs, c'est déjà le cas. - Harper, on ne peut pas... - Je sais... Je pensais juste que tu pouvais... enfin, que tu en avais envie... - Ça ne se voit pas ? - Que tu me détestes ? - Que je te désire ! *** *Devious Desires*, de Mila Marelli, histoire intégrale.
