Charles Dickens

Dear Mr. Dickens Nancy Churnin,2021-10-01 2021 National Jewish Book Award Winner - Children's Picture Book 2022 Sydney Taylor Book Award Honor for Picture Books Chicago Public Library Best Informational Books for Younger Readers 2021 The Best Jewish Children's Books of 2021, Tablet Magazine A Junior Library Guild Selection March 2022 The Best Children's Books of the Year 2022, Bank Street College 2022 First Place—Children's Book Nonfiction, Press Women of Texas 2022 First Place—Children's Book Nonfiction, National Federation of Press Women Eliza Davis believed in speaking up for what was right. Even if it meant telling Charles Dickens he was wrong. In Eliza Davis's day, Charles Dickens was the most celebrated living writer in England. But some of his books reflected a prejudice that was all too common at the time: prejudice against Jewish people. Eliza was Jewish, and her heart hurt to see a Jewish character in *Oliver Twist* portrayed as ugly and selfish. She wanted to speak out about how unfair that was, even if it meant speaking out against the great man himself. So she wrote a letter to Charles Dickens. What happened next is history.

Dickens Peter Ackroyd,1990 Based upon an examination of original sources, this is a biography in which the figure of Charles Dickens and the moving spirit of his age are combined. The author also wrote *The Last Testament of Oscar Wilde*, *Hawksmoor*, *Chatterton*, *T.S.Eliot* and *First Light*.

Charles Dickens and the Form of the Novel Graham Daldry,1986 Charles Dickens constantly eludes critical interpretation. While there have been commentaries on his humor, his seriousness, his social concerns, and other specific aspects of his work, such accounts have tended only to divide our understanding of the novels, to lead us to see them as failures of artistic unity. It is this question of unity that provides the keynote of Dr. Daldry's book. The author seeks a language that can treat the diverse aspects of reader, writer and text as a unity—it thus extends Robert Newsom's analysis of *Bleak House* to the oeuvre as a whole. The thesis is worked out in detail with reference to several of the novels, and represents a challenging re-evaluation of Dickens' achievement as a novelist. ^R

Charles Dickens Charles Dickens,2018-03-13 This superb collection of classic Victorian literature features the most notable works of Charles Dickens, including *Oliver Twist* (1839), *A Christmas Carol* (1843), *A Tale of Two Cities* (1859), and *Great Expectations* (1861). Considered the greatest novelist of the Victorian era, Dickens was especially known for his unusual characters, incisive social commentary, and carefully constructed plots. Over the last two centuries, his popular fiction has continued to inspire adaptations in nearly artistic genre, and now it is available--complete and unabridged--in this gorgeous slipcase edition. The stylish clothbound hardcover also features a ribbon marker, historical timeline, and comprehensive introduction, enlightening the reader on the author's life and works.

The Christmas Carol Charles Dickens,1964

Charles Dickens Books Charles Dickens,2021-04-21 *The Chimes* A Goblin Story of Some Bells that Rang an Old Year Out and a New Year In, a short novel by Charles Dickens, was written and published in 1844, one year after *A Christmas Carol*. It is the second in his series of Christmas books five short books with strong social and moral messages that he published during the 1840's.

Charles Dickens in America William Glyde Wilkins,1911

Charles Dickens Christopher Hibbert,2009-05-12 With passion and wit, Christopher Hibbert details the crucial years that formed Dickens the writer and Dickens the man. He explains how Dickens transferred the smallest fragments of his experience to his fiction, and how he interpreted his youth for both himself and his readers, throwing a clear light on the creative process and sources of literary imagination. An illuminating look at a complex and baffling person, fans of literary biography will relish Hibbert's acclaimed style as he delivers the fascinating tale of Dickens' development.

A Companion to Charles Dickens David Paroissien,2008-04-15 *A Companion to Charles Dickens* concentrates on the historical, ideological, and social forces that defined Dickens's world. Puts Dickens's work into its literary, historical, and social contexts Traces the development of Dickens's career as a journalist and novelist Includes original essays by leading Dickensian scholars on each of Dickens's fifteen novels Explores a broad range of topics, including criticisms of his novels, the use of history and law in his fiction, language, and the effect of political and social reform Examines Dickens's legacy and surveys the mass of secondary materials that has been generated in response and reverence to his writing

Life of Charles Dickens Frank Thomas Marzials,1908-01-01

Dickens's Villains Juliet John,2003 This study argues that Dickens' villains embody the crucial fusion between the deviant and theatrical aspects of his writing.

Charles Dickens Brian Murray,1994 This clear-sighted biography and literary study examines Dickens the novelist in all his glory. It begins with the life: its often tragic as well as comic dimensions. Brian Murray analyzes the important influence of Dickens's early professional experiences as a journalist. (It was as a reporter that Dickens encountered, and first wrote about, the great human problems of modern urban life that were to inform so much of his later work.) Also discussed is Dickens's fascination with the theater. Like any experienced playwright, he was always acutely aware of his audience. And the later reading tours, which became an obsession, were almost certainly an aspect of the same impulse. Successive chapters discuss the great novels, from *Pickwick* to *Edwin Drood*. They are looked at in their social context and from the standpoint of character, narrative, and structure. Readings of novels such as *Dombey and Son* and *Bleak House* are of especial interest for their close analysis of sometimes neglected works. At times, Dickens seems dated. But the large audience that exists for his work today, as it appears in various media, is proof of his teeming inventiveness and the universality of his themes. Humorist, satirist, muckraker, sentimentalist, tragedian, chronicler of humanity, Dickens continues to delight and to teach - to enlighten all of humanity.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. M. Thackeray Speeches of Charles Dickens: Literary and Social Letters of Charles Dickens Criticism CHARLES DICKENS by G. K. Chesterton DICKENS by Sir Adolphus W. Ward THE LIFE OF CHARLES DICKENS by John Forster MY FATHER AS I RECALL HIM by Mamie Dickens Charles Dickens (1812-1870), an English writer and social critic, created some of the world's best-known fictional characters and is regarded as the greatest novelist of the Victorian era.

Dickens by Chesterton G. K. Chesterton,2023-12-27 Charles Dickens was an English writer and social critic, widely recognized as a literary genius. He created some of the world's best-known fictional characters and is regarded by many as the greatest novelist of the Victorian era. G. K. Chesterton took great interest in the literature of Charles Dickens, writing several books concerning his life and his works: *Charles Dickens - Biographical Sketch* *Charles Dickens - Critical Study* *Appreciations and Criticisms of the Works of Charles Dickens*

Charles Dickens: His Life and Work Stephen Butler Leacock,2022-08-16 DigiCat Publishing presents to you this special edition of *Charles Dickens: His Life and Work* by Stephen Butler Leacock. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has

been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Complete Works of Charles Dickens Charles Dickens,2009-01-01 It is impossible to overstate the importance of British novelist CHARLES DICKENS (1812-1870) not only to literature in the English language, but to Western civilization on the whole. He is arguably the first fiction writer to have become an international celebrity. He popularized episodic fiction and the cliffhanger, which had a profound influence on the development of film and television. He is entirely responsible for the popular image of Victorian London that still lingers today, and his characters-from Oliver Twist to Ebenezer Scrooge, from Miss Havisham to Uriah Heep-have become not merely iconic, but mythic. But it was his stirring portraits of ordinary people-not the upper classes or the aristocracy-and his fervent cries for social, moral, and legal justice for the working poor, and in particular for poor children, in the grim early decades of the Industrial Revolution that powerfully impacted social concerns well into the 20th century. Without Charles Dickens, we may never have seen the likes of Sherlock Holmes, Upton Sinclair, or even Bob Dylan. Here, in 30 beautiful volumes-complete with all the original illustrations-is every published word written by one of the most important writers ever. The essential collector's set will delight anyone who cherishes English literature...and who takes pleasure in constantly rediscovering its joys. This volume contains Pictures from Italy-an 1846 travelogue featuring delightful observations on the street life of the great cities of that land-and American Notes, a journal of Dickens's 1842 visit to the United States and Canada, the trip that provided the inspiration for his novel Martin Chuzzlewit.
