The Director's Idea Ken Dancyger,2006-02-21 As a director, you must have a concept, a director's idea, to shape your approach to the actors, the camera, and the script. With this clear idea your film will be deeper and more effective, and you will be able to differentiate--and therefore make the choice--between competent directing and great directing. Using case studies of famous directors as real-world examples of director's ideas, the author has provided the theory and the practice to help directors immediately improve their work.

The Director's Toolkit Robin Schraft,2018-01-19 The Director's Toolkit is a comprehensive guide to the role of the theatrical director. Following the chronology of the directing process, the book discusses each stage in precise detail, considering the selection and analysis of the script, the audition process, casting, character development, rehearsals, how to self-evaluate a production and everything in between. Drawing on the author's own experience in multiple production roles, the book highlights the relationship between the director, stage manager and designer, exploring how the director should be involved in all elements of the production process. Featuring a unique exploration of directing in special circumstances, the book includes chapters on directing nonrealistic plays, musicals, alternative theatre configurations, and directing in an educational environment. The book includes detailed illustrations, step-by-step checklists, and opportunities for further exploration, offering a well-rounded foundation for aspiring directors.

The Director's Vision Louis E. Catron,Scott Shattuck,2015-05-04 The pursuit of excellence in theatre is well served by the latest edition of this eminently readable text by two directors with wide-ranging experience. In an engaging, conversational manner, the authors deftly combine a focus on artistic vision with a practical, organized methodology that allows beginning and established

directors to bring a creative script interpretation to life for an audience.

Fifty Contemporary Film Directors Yvonne Tasker, 2010-10-04 *Fifty Contemporary Film Directors* examines the work of some of today's most popular and influential cinematic figures. It provides an accessible overview of each director's contribution to cinema, incorporating a discussion of their career, major works and impact. Revised throughout and with twelve new entries, this second edition is an up-to-date introduction to some of the most prominent film makers of the present day. The directors, from differing backgrounds and working across a range of genres, include: Martin Scorsese Steven Spielberg Sofia Coppola Julie Dash Shane Meadow Michael Moore Peter Jackson Guillermo Del Toro Tim Burton Jackie Chan Ang Lee Pedro Almodóvar. With further reading and a filmography accompanying each entry, this comprehensive guide is indispensable to all those studying contemporary film and will appeal to anyone interested in the key individuals behind modern cinema's greatest achievements.

The Director's Manual Peter C. Browning, William L. Sparks, 2016-02-01 *Directors: Improve Board Performance* *The Director's Manual: A Framework for Board Governance* offers current and aspiring board members essential up-to-date governance guidance that blends rigorous research-based information with the wisdom found only through practical, direct experience. The book's flexible approach to solving governance issues reflects the authors' belief that no two boards and the cultural dynamics that drive them are the same. As such, the advice offered reflects recognizable leadership dynamics and real world, relevant organizational situations. The book's two authors, Peter C. Browning, an experienced CEO and member of numerous boards and William L. Sparks, a respected organizational researcher, combine their individual experiences and talents to create a book that is both innovative and applicable to directors in any industry sector. Specific best practice

guidance is designed to help board members and their directors understand the unique strengths and challenges of their own board while at the same time provide targeted information that drives needed improvements in board performance and efficiency. Specifically, this book will help board members: Explore practical advice on key issues, including selection, meeting schedules, and director succession Consider board performance from multiple perspectives, including cultural and group dynamics Discover how to effectively manage classic problems that arise when making decisions as a group Access a comprehensive set of assessment questions to test and reinforce your knowledge The Director's Manual: A Framework for Board Governance offers practical advice to guide you as you lead your organization's board.

Director's Cut Ted Kotcheff, 2017-03-14 With six decades in show business, legendary director Ted Kotcheff looks back on his life Born to immigrant parents and raised in the slums of Toronto during the Depression, Ted Kotcheff learned storytelling on the streets before taking a stagehand job at CBC Television. Discovering his skills with actors and production, Kotcheff went on to direct some of the greatest films of the freewheeling 1970s, including *The Apprenticeship of Duddy Kravitz*, *Wake in Fright*, and *North Dallas Forty*. After directing the 1980s blockbusters *First Blood* and *Weekend at Bernie's*, Kotcheff helped produce the groundbreaking TV show *Law & Order: Special Victims Unit*. During his career, he was declared a Communist by the U.S. government, banned from the Royal Albert Hall in London, and coped with assassination threats on one of his lead actors. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 16.0px Times; -webkit-text-stroke: #000000} span.s1 {font-kerning: none} With his seminal films enjoying a critical renaissance, including praise from Martin Scorsese and Nick Cave, Kotcheff now turns the lens on himself. Witty and fearless, *Director's Cut* is not just a memoir, but also a close-up on life and craft, with stories of

his long friendship with Mordecai Richler and working with stars like Sylvester Stallone, James Mason, Gregory Peck, Ingmar Bergman, Gene Hackman, Jane Fonda, and Richard Dreyfuss, as well as advice on how to survive the slings and arrows of Hollywood.

The Film Director's Team Alain Silver, Elizabeth Ward, 1992 The Assistant Director and the Production Manager are essential elements to the smooth operation and successful completion of any film. This is the first in-depth and thorough study of these jobs. A must read for all contemplating working in this field, as well as for all students of film directing and film production. Includes practical discussions of cost reporting, script breakdown, production boards, scheduling, production reports, and much more.

Fifty Hollywood Directors Suzanne Leonard, Yvonne Tasker, 2014-11-20 *Fifty Hollywood Directors* introduces the most important, iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster. By exploring the historical, cultural and technological contexts in which each director was working, this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights. Each entry discusses a director's practices and body of work and features a brief biography and suggestions for further reading. Entries include: Frank Capra Cecil B DeMille John Ford Alfred Hitchcock Fritz Lang Orson Welles DW Griffith King Vidor This is an indispensable guide for anyone interested in film history, Hollywood and the development of the role of the director.

On Animation Ron Diamond, 2019-09-24 Be a fly on the wall as industry leaders Bill Kroyer and Tom Sito take us through insightful face-to-face interviews, revealing, in these two volumes, the journeys of 23 world-class directors as they candidly share their experiences and personal views on the process of making feature animated films. The interviews were produced and edited by Ron

Diamond. Your job is not to be the one with the answers. You should be the one that gets the answers. That's your job. You need to make friends and get to know your crew. These folks are your talent, your bag of tricks. And that's where you're going to find answers to the big problems - Andrew Stanton It's hard. Yet the pain you go through to get what you need for your film enriches you, and it enriches the film. - Brenda Chapman Frank and Ollie always used to say that great character animation contains movement that is generated by the character's thought process. It can't be plain movement. - John Lasseter The beauty of clay is that it doesn't have to be too polished, or too smooth and sophisticated. You don't want it to be mechanical and lifeless. - Nick Park The good thing about animation is that tape is very cheap. Let the actor try things. This is where animation gets to play with spontaneity. You want to capture that line as it has never been said before. And, most likely, if you asked the actor to do it again, he or she just can't repeat that exact performance. But you got it. - Ron Clements

Hollywood's Artists Virginia Wright Wexman, 2020-07-21 Today, the director is considered the leading artistic force behind a film. The production of a Hollywood movie requires the labor of many people, from screenwriters and editors to cinematographers and boom operators, but the director as author of the film overshadows them all. How did this concept of the director become so deeply ingrained in our understanding of cinema? In Hollywood's Artists, Virginia Wright Wexman offers a groundbreaking history of how movie directors became cinematic auteurs that reveals and pinpoints the influence of the Directors Guild of America (DGA). Guided by Frank Capra's mantra "one man, one film," the Guild has portrayed its director-members as the creators responsible for turning Hollywood entertainment into cinematic art. Wexman details how the DGA differentiated itself from other industry unions, focusing on issues of status and creative control as opposed to bread-and-

butter concerns like wages and working conditions. She also traces the Guild's struggle for creative and legal power, exploring subjects from the language of on-screen credits to the House Un-American Activities Committee's investigations of the movie industry. Wexman emphasizes the gendered nature of images of the great director, demonstrating how the DGA promoted the idea of the director as a masculine hero. Drawing on a broad array of archival sources, interviews, and theoretical and sociological insight, Hollywood's Artists sheds new light on the ways in which the Directors Guild of America has shaped the role and image of directors both within the Hollywood system and in the culture at large.

On Animation Ron Diamond, 2019-11-11 *On Animation: The Director's Perspective* is a collection of interviews with 23 animated feature-film directors. These extensive interviews were conducted over the past several years by filmmakers and educators (and peers to the directors interviews) Tom Sito and Bill Kroyer. Interviews cover in-depth discussion of each director's career -- focusing on their creative development, their films, lesson learned and advice. The interviews were edited and produced by Ron Diamond. Key Features Interviews with the greatest living legends in animation Offers profound insight into the creative process of these giants Grants advice and lessons for inspiring animators

A Director's Method for Film and Television Ron Richards, 2023-12-22 *A Director's Method for Film and Television* (1992) presents the 'cinematic language' approach to directing for film and television directors. It shows how the viewer perceives the nuances of the various pictures used to tell the story, and how movement within the frame creates drama and development. It outlines the techniques necessary to maximize each and every shot and create professional results.

The Director's Voice, Vol. 2 Jason Loe Additional Writer, 2012-11-20 Interviews with leading

stage directors working in the American theater.

The Director's Eye John Ahart, 2001 A comprehensive text suitable for use at all levels of directing and acting courses.

The Director's Handbook Institute of Directors, 2010-05-03 The Director's Handbook, first published in 2005, filled a gap in the market by providing a practical guide to key issues facing board directors and senior business decision-makers in the UK. Now, with far-reaching changes in directors' duties and other principles of company law, this new edition updates and explains the laws which affect the way every director does their job. It deals with all aspects of a company director's role, duties, responsibilities and liabilities within the context of the current law and good practice. Written by leading experts and fully supported by research findings, this 3rd edition also contains case studies from companies of varying sizes and sectors, plus new chapters on the role of the company secretary plus the latest legal developments in the health and safety arena. The Director's Handbook is the essential reference and source of advice for all new and existing directors, as well as those who aspire to this position.

The Director's Craft Katie Mitchell, 2008-08-18 The Director's Craft is a unique and completely indispensable step-by-step guide to directing for the stage. Written by one of the most adventurous and respected directors working today, this book will be an essential item in every student and practitioner's kitbag. It provides detailed assistance with each aspect of the varied challenges facing all theatre directors, and does so with startling clarity. It will inspire everyone, from the beginner just starting out to the experienced practitioner looking to reinvigorate their practice. Katie Mitchell shares and explains the key practical tools she uses to approach her work with both actors, production teams, and the text itself. She addresses topics such as: the ideas that underpin a play's

text preparing improvizations Twelve Golden Rules for working with actors managing the transition from rehearsal room to theatre analyzing your work after a run has ended. Each chapter concludes with a summary of its critical points, making this an ideal reference work for both directors and actors at any stage of their development.

Transitions Pete Chatmon, 2022-01-04 Becoming a director is not just about making a film, webseries, commercial, or music video. If that were the case, with today's access to equipment and free distribution, there'd be thousands more working professionals. Turning your passion into your profession requires the ability to make transitions at the exact moment a pivot is needed, with creativity and confidence. Chatmon's book helps directors shape their career with targeted anecdotes, worksheets, and other resources, all of which fall into three designated categories: How-To, Self-Help, and Inspiration.

Becoming an Actor's Director Regge Life, 2019-09-26 The collaboration of director and actor is the cornerstone of narrative filmmaking. This book provides the director with a concrete step-by-step guide to preparation that connects the fundamentals of film-script analysis with the actor's process of preparation. This book starts with how to identify the overall scope of a project from the creative perspective of the director as it relates to guiding an actor, before providing a blueprint for preparation that includes script analysis, previsualization, and procedures for rehearsal and capture. This methodology allows the director to uncover the similarities and differences between actor and director in their preparation to facilitate the development of a collaborative dialogue. Featuring chapter-by-chapter exercises and assignments throughout, this book provides a method that enables the director to be present during every stage of production and seamlessly move from prep to filming, while guiding the actor to their best performances. Written in a clear and concise manner, it

is ideal for students of directing, early career, and self-taught directors, as well as cinematographers, producers, or screenwriters looking to turn their hand to directing for the first time.

Notes on Directing Frank Hauser, Russell Reich, 2008-09-15 An accessible edition of a classic guide to film and theater directing offers insight into the craft's unique challenges from managing personalities and anticipating problems to working with a script and the key elements of staging, in a primer that also features life lessons gleaned by the co-authors throughout their careers. Reprint. 30,000 first printing.

The Writing Center Director's Resource Book Christina Murphy, Byron Stay, 2012-11-12 The Writing Center Director's Resource Book has been developed to serve as a guide to writing center professionals in carrying out their various roles, duties, and responsibilities. It is a resource for those whose jobs not only encompass a wide range of tasks but also require a broad knowledge of multiple issues. The volume provides information on the most significant areas of writing center work that writing center professionals--both new and seasoned--are likely to encounter. It is structured for use in diverse institutional settings, providing both current knowledge as well as case studies of specific settings that represent the types of challenges and possible outcomes writing center professionals may experience.
