**The Inheritance of Orquídea Divina** Zoraida Córdova, 2021-09-07 Perfect for fans of Alice Hoffman, Isabel Allende, and Sarah Addison Allen, this is a gorgeously written novel about a family searching for the truth hidden in their past and the power they've inherited, from the author of the acclaimed and "giddily exciting" (The New York Times Book Review) Brooklyn Brujas series. The Montoyas are used to a life without explanations. They know better than to ask why the pantry never seems to run low or empty, or why their matriarch won't ever leave their home in Four Rivers—even for graduations, weddings, or baptisms. But when Orquídea Divina invites them to her funeral and to collect their inheritance, they hope to learn the secrets that she has held onto so tightly their whole lives. Instead, Orquídea is transformed, leaving them with more questions than answers. Seven years later, her gifts have manifested in different ways for Marimar, Rey, and Tatinelly's daughter, Rhiannon, granting them unexpected blessings. But soon, a hidden figure begins to tear through their family tree, picking them off one by one as it seeks to destroy Orquídea's line. Determined to save what's left of their family and uncover the truth behind their inheritance, the four descendants travel to Ecuador—to the place where Orquídea buried her secrets and broken promises and never looked back. Alternating between Orquídea's past and her descendants' present, *The Inheritance of Orquídea Divina* is an enchanting novel about what we knowingly and unknowingly inherit from our ancestors, the ties that bind, and reclaiming your power.

*Lectio Divina* Enzo Bianchi, 2015-04-01 The Bible is ancient, enigmatic, and from a culture vastly different from our own. That's why most of us find it hard to read. So how can we understand its importance in the church, and how can it enrich our lives? Central to *lectio divina* is the conviction that to read the Bible faithfully and prayerfully is to learn an ancient art—by entering into dialogue with the God who speaks to each of us through the biblical page. Enzo Bianchi touches on the essentials of the history of *lectio*, from the brilliant thinker Origen in the third century to the development of historical criticism in the modern era. He explains how to do *lectio* and how to understand and implement its four moments—*lectio*, *meditatio*, *oratio*, and *contemplatio*. This is not simply a book about how to approach the Bible, because Scripture ultimately wants to lead us beyond itself, to the truth and mystery of Christ that can never be captured fully in the written word. With his deep biblical wisdom, Bianchi is able to explore the whole Christian tradition of prayerful reading. St. Benedict mandates at least two hours of *lectio divina* a day for his monks, which is a considerable challenge for the modern person. But with Enzo as our guide, we can do it!" —Terrence G. Kardong, osb, editor of *American Benedictine Review* Enzo Bianchi was born in Castel Boglione, Piedmont, Italy, in 1943. In 1965, after graduating from the University of Turin, he founded an ecumenical monastic community—the Bose Community—of which he is still the prior. Friar Bianchi is a well-known author of books on *lectio divina* and the spiritual life, which have been translated into many languages. He has dedicated himself to the search for spirituality capable of giving life to Christians today and furthering communion among all people. The Bose Community now numbers over eighty brothers and sisters of various Christian traditions, and receives thousands of visitors annually. Enzo Bianchi is one of the most significant Christian voices in Europe. He shows what can be achieved by an immersion in Scripture that involves both intellect and imagination alike, and—in common with all the most serious Christian voices of our day—he cannot be labeled as a partisan liberal" or traditionalist." He offers exactly what the monastic voice at its truest has always offered: a way into the heart of

our ecclesial and social questions that is honest, patient, and sensitive. His is a perspective that the English-speaking Christian world should welcome enthusiastically. —Rowan Williams, Magdalene College, Cambridge I hope that these pages may be heard as a simple yet faithful echo of my personal experience, my community's path and my journey with the church. For years, I have broken the bread of the Word for the brothers and sisters in my community. Much of what I say here comes from that experience. It also comes from many years of preaching the Word to listeners from all walks of life. I would like to see this book ultimately as no more than a small gesture of gratitude to those witnesses of the Word whom the Lord has allowed me to meet, those martyrs" of faith who have found ways to express all the richness of the Gospel in their lives. Only those people who put God's Word into practice have really heard it. They are the ones who truly understand the biblical text, because they obey without delay the word Christ never tires of speaking to us. The sequential sancti evangelii for today—today's Gospel—is not the product of brilliant scholarly research. It is the life and witness of God's holy people, those who are faithful disciples of the Word made flesh, their Lord. —Enzo Bianchi

**Lectio Divina as Contemplative Pedagogy** Mary Keator, 2017-12-14 Offering an original application of the ancient monastic practice of lectio divina to the humanities, this book demonstrates the need for further emphasis on deep reading, reflection, and contemplation in contemporary university classrooms. Each chapter provides readers with an historical overview of the four movements of this monastic method: lectio (reading), meditatio (interpreting), oratio (responding), and contemplatio (experiencing wisdom), and suggests ways to incorporate these practices in humanites courses. Keator demonstrates that the lectio divina method is a viable pedagogical tool to guide students slowly and methodically through literary texts and into a subjective experience of wisdom and meaning.

*Nemesis Divina* Carl von Linné, 2013-03-14 Linnaeus' mature theodicy, his attempt to reconcile the suffering and evil of the world with the omnipotence and goodness of God, is presented in a condensed form in the final editions of his *Systema Naturae* (1758/68). In this comprehensive compendium of our knowledge of the three great realms of organic nature, he outlines the significance of the sub-conscious, social awareness and theological orientation in the spiritual life of man, and indicates how fate, fortune, and Providence interrelate within his conception of the Deity. In the *Nemesis Divina* this general undertaking is developed into an 'experimental theology', which is exactly analogous to Linnaeus' work in the natural sciences, in that it involves the collecting and classifying of concrete and carefully described case-studies. He never prepared the manuscript for publication, however, and for many years it was regarded as lost, and it is only very recently that any attempt has been made to publish it in its entirety. This is the first English translation of all the relevant manuscript material. It is also the first attempt to analyse the case-studies in the light of what we know of Linnaeus' general taxonomic principles, and to relate each of them to its historical context.

Lectio Divina Bible Study Stephen Binz, 2011-12-12 Praying with the Bible's Great Prayers In an exceptional combination of one of the most ancient forms of Scripture study with historical, theological, and scriptural perspectives, Stephen Binz leads us on an incredible journey of enlightenment and appreciation in the areas of prayer, Sacraments, and the Mass. Lectio Divina, the ancient practice of Scripture immersion, is at the heart of this process. It explores complex topics with sequential steps of study, meditation, and internalization. This study shows the way that various characters in the Bible prayed and what they can teach you about prayer. It also delves into various types of prayer and what you can learn from them. Every chapter leads you forward through a sequence of: Listening – Reading Scripture with

expectancy, trusting that God will speak His Word to us through it  
Understanding - Seeking to comprehend the meaning of the text, encountering God there and being changed by that encounter  
Reflecting - Linking the truth of the Scriptures to the experience of faith in the world in which we live  
Praying - A dialogue with God: we listen to God, then we respond in prayer  
Acting - After prayerfully listening to God through a passage of Scripture, we should be inspired to make a difference in the way we live  
The *Lectio Divina* Bible Study series is suitable for parish, small group, or individual use.

Lectio Divina Duncan Robertson, 2011 During the Middle Ages the act of reading was experienced intensively in the monastic exercise of *lectio divina* 'the prayerful scrutiny of passages of Scripture, savored in meditation, memorized, recited, and rediscovered in the reader's own religious life. The rich literary tradition that arose from this culture includes theoretical writings from the *Conferences* of John Cassian (fifth century) through the twelfth-century treatises of Hugh of St. Victor and the Carthusian Guigo II; it also includes compilations, literary meditations, and scriptural commentary, notably on the Song of Songs. This study brings medievalist research together with modern theoretical reflections on the act of reading in a consolidation of historical scholarship, spirituality, and literary criticism. Duncan Robertson has taught French and Latin, language and literature, at Augusta State University since 1990. Previous publications include *The Medieval Saints' Lives: Spiritual Renewal and Old French Literature* (Lexington, KY: French Forum, 1995), and *The Vernacular Spirit: Essays on Medieval Religious Literature*, with Renate Blumenfeld-Kosinski and Nancy Warren (New York: Palgrave, 2002). His articles have appeared in *Romance Philology*, *French Forum*, *Cahiers de Civilisation Médiévale*, and other journals in the United States and abroad.

**The Magi and Visio Divina** D.W. Hirome, 2023-01-01 The magi are famous for having accurately decoded that unique time when God entered human history in flesh; the birth of Jesus Christ. These wise men used the technology of their time to study the heavens and eventually, they were guided to worship the infant Christ. The Magi saw visuals in the sky that indicated the birth of the divine son. The star that the Magi saw was a visual of the divine that resulted into a journey which culminated in the worship of the incarnated Creator. Employing the motif of the magi, this book shows you how to experience a visual of the divine through the contemporary technology of a smartphone. In integrating the ancient practice of *Visio Divina* and the QR technology through a smartphone, you too can see the signs of divine communication and then be led to worship Jesus and find an inner peace which will release healing and power in your life.

**Abraham (Ancient-Future Bible Study: Experience Scripture through Lectio Divina)** Stephen J. Binz, 2011-01-01 Ancient-Future Bible Study incorporates contemporary study of the Bible with an experience of the church's most ancient way of reading Scripture, lectio divina. This time-honored practice consists of five basic movements: biblical study (lectio), reflection (meditatio), prayer (oratio), discernment (contemplatio), and contemplative action (operatio). In six clearly written volumes, bestselling author Stephen Binz helps readers study the Bible in a way that leads to spiritual transformation and brings them closer to God. Binz leads readers in a vivid study of key biblical characters, including Abraham, Paul, Peter, David, the women of the Torah, and the women of the Gospels. He shows all Christians who desire to have a transforming experience with the inspired Word of God how studying Scripture through lectio divina can enrich their discipleship. This ecumenical Bible study, designed for use by individuals or groups, includes questions for personal reflection and suggested action. Each volume includes leader's notes for guiding a study over the course of six sessions.

**Discovering Lectio Divina** James C. Wilhoit, Evan B. Howard, 2012-06-15 Saints of the past can't seem to say enough about their ecstatic experiences with the words of Scripture. The writer of Psalm 19, for example, can hardly contain himself as he exclaims that God's words and ways have revived his soul, made him wise, brought joy to his heart, given him clarity and correct perspective on his life, and warned him of danger. Why should our experiences of the Bible today fall short of this standard? What are we missing? Spiritual formation experts James Wilhoit and Evan Howard argue that our ancestors in the faith responded to the special nature of Scripture with special habits of reading. In this step-by-step introduction to the practice of lectio divina, you will learn what it means to read your way into a new and life-changing intimacy with God. Their simple, easy-to-follow explanation of this ancient practice provides a perfect foundation for you to begin meeting God in his Word as you: read, meditate, pray and contemplate. Discover a new experience of God's Word--one that leads you to experience more of God himself.

**La percepción Divina** Sandra Cuevas De Gracia, 2020-07-07 Dios, con gran amor y felicidad durante su nueva creación, incluyó el árbol de la vida en el jardín del Edén. El plan de amor perfecto de Dios era que Adán y Eva rechazaran la tentación de pecar y, así, no conocieran el mal. Entonces, podrían comer de este árbol y heredar la inmortalidad a la humanidad. En este libro analizamos la vida humana si no existiera el pecado, y como el humano puede, a través de su percepción divina, ver más allá de lo que puede ver con su percepción humana. Con la vestimenta de la percepción divina logra encontrar y sentir la verdadera felicidad interior, la cual, solo se puede sentir cuando se es consciente de la presencia de Dios en la vida diaria. También se analiza como el diablo, que odia al hijo de Dios, le ofrece una percepción maligna, con la cual se crean pecados personalizados. El humano, al confundirse, se siente dios de su propia vida y solo quiere hacer su voluntad. Esto le lleva a negar su amor a Dios, a la creación y a la

humanidad. Al negar su amor, sin darse cuenta, se niega el amor a sí mismo. Así, el diablo logra mantener al humano en constante angustia y depresión y trata de destruirlo. Su objetivo es llevarlo a querer suicidarse o desear la muerte de los demás. Cuando el humano decide pedir perdón a Dios, y rechaza su propia voluntad, entonces, recupera su percepción divina. Al recordar y aceptar que Dios es su creador, su espíritu se llena de amor. Se da cuenta que su deber, como hijo de Dios, es solo perdonar y amar.
