Bree Despain

The Dark Divine Bree Despain,2009-12-01 Grace Divine, daughter of the local pastor, always knew something terrible happened the night Daniel Kalbi disappeared--the night she found her brother Jude collapsed on the porch, covered in his own blood--but she has no idea what a truly monstrous secret that night held. The memories her family has tried to bury resurface when Daniel returns, three years later, and enrolls in Grace and Jude's high school. Despite promising Jude she'll stay away, Grace cannot deny her attraction to Daniel's shocking artistic abilities, his way of getting her to look at the world from new angles, and the strange, hungry glint in his eyes. The closer Grace gets to Daniel, the more she jeopardizes her life, as her actions stir resentment in Jude and drive him to embrace the ancient evil Daniel unleashed that horrific night. Grace must discover the truth behind the boy's dark secret...and the cure that can save the ones she loves. But she may have to lay down the ultimate sacrifice to do it--her soul.

The Divine Boaz Lavie,2015-07-14 Mark's out of the military, these days, with his boring, safe civilian job doing explosives consulting. But you never really get away from war. So it feels inevitable when his old army buddy Jason comes calling, with a lucrative military contract for a mining job in an obscure South-East Asian country called Quanlom. They'll have to operate under the radar-Quanlom is being torn apart by civil war, and the US military isn't strictly supposed to be there. With no career prospects and a baby on the way, Mark finds himself making the worst mistake of his life and signing on with Jason. What awaits him in Quanlom is going to change everything. What awaits him in Quanlom is weirdness of the highest order: a civil war led by ten-year-old twins wielding something that looks a lot like magic, leading an army of warriors who look a lot like gods. What awaits him in Quanlom is an actual goddamn dragon. From world-renowned artists Asaf and Tomer Hanuka (twins, whose magic powers are strictly confined to pen and paper) and Boaz Lavie, *The Divine* is a fast-paced, brutal, and breathlessly beautiful portrait of a world where ancient powers vie with modern warfare and nobody escapes unscathed.

Practically Divine Becca Stevens,2021-09-14 When we allow ourselves to embrace both ordinary and extraordinary experiences, we can feel the divine anywhere. No matter where we are—on a walk in the woods, in a sacred building, or in a dusty refugee camp—signs of love abound. There is no secret formula to experiencing the sacred in our lives, it just takes practice and practicality. You're invited to search this path with entrepreneur Becca Stevens as she explores what it means to be practically divine. Woven throughout the narrative are poetry and rants, as well as ruminations on her mother's wit, wisdom, and passion. In *Practically Divine*, Becca shares how to live a life that's practically divine by: Redefining old lies and stories, to learn from the past Appreciating the gifts that come from imperfections or trauma Using creativity to spark new revolutions Accepting the chaos of the unknown before us with courage Sharing in a feast of love, knowing there's enough mercy and forgiveness Embracing the practically divine compels us to do something, anything, to share in the feast of love together. When we start from wherever we are, we can recognize the potential for humor, wonder, and freedom. *Practically Divine* teaches you to use your senses to transform information into holy compassion. When we open our hearts to it, we can experience the divine anywhere - like sacred breadcrumbs marking our path.

Our Divine Double Charles M. Stang,2016-03-07 What if you were to discover that you were only one half of a whole—that you had a divine double? In the second and third centuries CE, Charles Stang shows, this idea gripped the religious imagination of the Eastern Mediterranean, offering a distinctive understanding of the self that has survived in various forms down to the present.

The Divine Dance Richard Rohr,2016-10-28 *The Divine Dance* has become a classic for fans of Richard Rohr and an important book on Christian mysticism, it provides a fresh perspective for anyone studying or teaching the trinity. The Trinity is the central doctrine of Christianity, but it is still widely considered a mystery we won't ever fully understand. Should we still try to understand it, even so? If we could, how would it transform our relationship with God? In this stimulating and thought-provoking book, internationally recognised teacher Richard Rohr explores the nature of God

and the paradoxical idea of the Holy Trinity as both three and one. With clear, surefooted wisdom, he encourages us to build on the early Christian understanding of the relationship between Father, Son and Spirit as a flow and dance - a Divine Dance - that we are invited to join in. An engaging, accessible look at the nature of God, The Divine Dance will challenge the way you think about the Trinity and give you a much fuller understanding of the triune relationship that is at the heart of Christian doctrine. It will leave you with a faith that is renewed and strengthened, and show you how you can engage more deeply in your relationship with God and the world through the Trinity.

Divine Karen Kingsbury,2010-09-30 Over 200,000 copies sold! With hallmark tenderness and power, #1 New York Times bestselling author Karen Kingsbury weaves a tapestry of life, loss, love, faith—and the miracle of resurrection. Mary Madison is educated and redeemed, a powerful voice in Washington, D.C. But she also has a past that shamed polite society. A survivor of unspeakable horror, Mary has battled paralyzing fear, faithlessness, addiction, and promiscuity. Yet even in her darkest valley, Mary was sustained from afar, prayed over by a grandmother who clung to the belief that God had special plans for Mary. Now a divine power has set Mary free to bring life-changing hope and love to battered women living in the shadow of the nation's capital—women like Emma Johnson. A single mother fleeing an abusive relationship, Emma wonders whether there is hope for her and her young daughters. She is desperate, broken, and unloved . . . and tempted to commit the unthinkable. Then Mary introduces Emma to the greatest love of all, greater than any either of them has ever imagined.

When the Emperor Was Divine Julie Otsuka,2007-12-18 From the bestselling, award-winning author of The Buddha in the Attic and The Swimmers, this commanding debut novel paints a portrait of the Japanese American incarceration camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty incarceration camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and loneliness, the unheralded feats of heroism. When the Emperor Was Divine is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines.

Divine Justice David Baldacci,2008-11-04 With a master spy and the U. S. government after him, former CIA assassin Oliver Stone is America's most wanted man-but escaping D.C. won't protect him from a lethal world of political corruption in this #1 New York Times bestselling thriller. Known by his alias, Oliver Stone, John Carr is the most wanted man in America. With two pulls of the trigger, the men who destroyed Stone's life and kept him in the shadows were finally silenced. But his freedom comes at a steep price: The assassinations he carried out prompt the highest levels of the U.S. government to unleash a massive manhunt. Yet behind the scenes, master spy Macklin Hayes is playing a very personal game of cat and mouse. He, more than anyone else, wants John Carr dead. With their friend and unofficial leader in hiding, the members of the Camel Club risk everything to save him. As the hunters close in, Stone's flight from the demons of his past will take him from the power corridors of Washington, D.C., to the coal-mining town of Divine, Virginia--and into a world every bit as bloody and lethal as the one he left behind.

Divine by Mistake P. C. Cast,2019-08-27 It's the beginning of summer break, and high school English teacher Shannon Parker is ready to relax

poolside with some red wine and a good book. She's friggin' earned it! But first—a little shopping, a la fancy estate auction. Surrounded by old folks and even older artifacts, Shannon never expects to find something that shocks her down to her very core: an ancient vase, complete with a beautiful painting of a goddess that looks just like her. And just as she's stealing away with her seriously suspicious purchase, she's magically thrown into the world of Partholon, where not only has she taken the place of Rhiannon, Goddess Incarnate and Epona's Chosen, but she's due to be married to a surly (but oh-so-handsome) High Shaman centaur, ClanFintan. But serving as Epona's Chosen isn't just luxury baths and buff horse-guys. A dark power grows in the wastelands to the north, and Rhiannon will need much more than just the favor of Epona to protect the land—and the man—she's grown to love.

Darśan Diana L. Eck,2007 The experience of the divine in India merges the three components of sight, performance, and sound. This book is about the power and importance of seeing in the Hindu religious tradition. In the Hindu view, not only must the gods keep their eyes open, but so must we, in order to make contact with them, to reap their blessings, and to know their secrets. When Hindus go to temple, their eyes meet the powerful, eternal gaze of the eyes of God. It is called Darsan, Seeing the divine image, and it is the single most common and significant element of Hindu worship. This book explores what darsan means. This is also a book about the divine image in the Hindu tradition. What do Hindus see in the images of the gods? What is meant by these multi-armed gods, with their various weapons, emblems, and animals? How are these images made and consecrated? How are they treated in a ritual context? In exploring the nature of the divine image, this book not only considers the images of the gods, but also the Hindu temple and the Hindu place of pilgrimage.
