**Keith Baker**

Hickory Dickory Dock Keith Baker, 2007-04-01 Keith Baker displays his trademark flair for color, movement, and rhythm in this vibrant adaptation of the familiar nursery rhyme Hickory Dickory Dock. A companion to his acclaimed *Big Fat Hen*, this twist on an old favorite features some serious antics on the part of a busy little mouse. As a huge grandfather clock strikes each hour from one o' clock in the afternoon to midnight, a different animal passes by, and the mouse has a funny interaction with each of them. With counting, telling time, and a cozy bedtime ending to engage them, children will be chiming in for repeated readings.

**The Cruise of the Dry Dock** T. S. Stribling, 2019-12-11 This work presents a captivating short story that takes readers on a harrowing journey at sea. The story follows a group of men stranded on a dry dock after their ship sinks. As they struggle to survive, tensions rise, and secrets are revealed, leading to an unexpected twist. Stribling's powerful writing and exploration of human nature make this a must-read for fans of adventure and suspense

*The Completed Hickory Dickory Dock* Jim Aylesworth, 1994-09 Recounts the antics of a young mouse each hour after the clock strikes one

**The Docks** Bill Sharpsteen, 2011-01-05 *The Docks* is an eye-opening journey into a giant madhouse of activity that few outsiders ever see: the Port of Los Angeles. In a book woven throughout with riveting novelist detail and illustrated with photographs that capture the frenetic energy of the place, Bill Sharpsteen tells the story of the people who have made this port, the largest in the country, one of the nation's most vital economic enterprises. Among others, we meet a pilot who parks ships, one of the first women longshoremen, union officials and employers at odds over almost everything, an environmental activist fighting air pollution in the "diesel death zone," and those with the nearly impossible job of enforcing security. Together these stories paint a

compelling picture of a critical entryway for goods coming into the country—the Port of Los Angeles is part of a complex that brings in 40% of all our waterborne cargo and 70% of all Asian imports—yet one that is also extremely vulnerable. The Docks is a rare look at a world within our world in which we find a microcosm of the labor, environmental, and security issues we collectively face.

God in the Dock C. S. Lewis,2014-09-15 Lewis struck me as the most thoroughly converted man I ever met, observes Walter Hooper in the preface to this collection of essays by C.S. Lewis. His whole vision of life was such that the natural and the supernatural seemed inseparably combined. It is precisely this pervasive Christianity which is demonstrated in the forty-eight essays comprising God in the Dock. Here Lewis addresses himself both to theological questions and to those which Hooper terms semi-theological, or ethical. But whether he is discussing Evil and God, Miracles, The Decline of Religion, or The Humanitarian Theory of Punishment, his insight and observations are thoroughly and profoundly Christian. Drawn from a variety of sources, the essays were designed to meet a variety of needs, and among other accomplishments they serve to illustrate the many different angles from which we are able to view the Christian religion. They range from relatively popular pieces written for newspapers to more learned defenses of the faith which first appeared in The Socratic Digest. Characterized by Lewis's honesty and realism, his insight and conviction, and above all his thoroughgoing commitments to Christianity, these essays make God in the Dock very much a book for our time.--Amazon.com.

The Dock Master's Daughter Mark Bunch,Zach Thomas,2020-11-26 Two girls drowned at the dock of Widow's

Lake ten years ago. No one suspected foul play at hand, instead they just saw it as a double suicide. Everyone forgot about the Dock Master's Daughter and her lover, Crissa. Years later, the dock master's daughter taps into the dreams of her friend, Samuel, and tells him of the heaven she lives in with Crissa among thousands of others. She convinces Samuel to bring Greg with him. The only thing is, to get to this utopia, they must go to the dock of Widow's Lake, and drown. Once there, Greg senses that Sam is hiding something from him and nothing or no one is as it seems.

*Movement* Susan Rimby, 2015-06-26 For her time, Mira Lloyd Dock was an exceptional woman: a university-trained botanist, lecturer, women's club leader, activist in the City Beautiful movement, and public official—the first woman to be appointed to Pennsylvania's state government. In her twelve years on the Pennsylvania Forest Commission, she allied with the likes of J. T. Rothrock, Gifford Pinchot, and Dietrich Brandis to help bring about a new era in American forestry. She was also an integral force in founding and fostering the Pennsylvania State Forest Academy in Mont Alto, which produced generations of Pennsylvania foresters before becoming Penn State's Mont Alto campus. Though much has been written about her male counterparts, *Mira Lloyd Dock and the Progressive Era Conservation Movement* is the first book dedicated to Mira Lloyd Dock and her work. Susan Rimby weaves these layers of Dock's story together with the greater historical context of the era to create a vivid and accessible picture of Progressive Era conservation in the eastern United States and Dock's important role and legacy in that movement.
