Waking the Dragon Juliette Cross,2015-06-09 The Gladium Province is on the verge of civil unrest as humans and Morgons, the dragon-hybrid race, clash once more. But amid disorder can also arise passion... When the bodies of three human women are discovered in Morgon territory—with the DNA of several Morgon men on the victims—it's just a matter of time before civil unrest hits the Province. But for ambitious reporter Moira Cade, it's more than just a story, and it may mean risking her own life. Descending into the dark underworld of Morgon society, Moira is paired with Kol Moonring, Captain of the Morgon Guard, for her protection. Fiercely independent, Moira bristles at his dominance, and defies his will at every turn. Yet resistance proves futile when passion flares between them, awakening powerful emotions within both, body and soul. But as the killings continue, can their fiery newfound bond survive an even greater evil—one that threatens all of humanity, Morgonkind, and Moira's very soul?...

The Ancient Secret of the Flower of Life, Volume 2 Drunvalo Melchizedek,2000 The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world.if done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

Technology of the Gods David Hatcher Childress, 2000 *Technology of the Gods* lays out the mind-bending evidence that long-lost civilizations had attained and even exceeded our modern level of advancement. Westerners have been taught that humankind has progressed along a straight-line path from the primitive past to the proficient present, but the hard, fast evidence (literally written in stone!) proves that the ancients had technologies we cannot even replicate today.
