

# Dutch

Bruce Donaldson

**Dutch** Roland Willemyns,2013-03-15 More than 22 million people speak Dutch-primarily in the Netherlands, Belgium, Suriname, and the Antilles. Roland Willemyns here offers a well-researched and highly readable survey of the Dutch language in all its historical, geographic, and social aspects. Willemyns tells a story of language contact and conflict. From its earliest days, Dutch has been in intense contact with other languages both within and outside the borders of the Low Countries, particularly with French, Frisian, and German. The first part of Dutch concentrates on the historical development of standard Dutch and its dialects. The second part focuses on contemporary Dutch, including its many dialects in Flanders and Holland (some of them on the verge of extinction). Willemyns pays special attention to important questions in the history of Dutch, particularly the contentious matter of the global spread of Dutch through colonization-which led to exotic variations such as Afrikaans, pidgins, and creoles-and whether Dutchmen and Flemings are separated by the same language. His final chapter tries to shed some light on the future of Dutch, and the impact of such new varieties as Poldernederlands (in Holland) and Verkavelingsvlaams (in Flanders). Placing the Dutch story in the context of other West-Germanic languages like German and English, Dutch: Biography of a Language is the only English language history of Dutch and will be sure to interest a global audience of students of Dutch, those of Dutch descent, and linguists and other scholars wishing to learn more about Dutch.

Degrees of Belief Franz Huber,Christoph Schmidt-Petri,2008-12-21 This anthology is the first book to give a balanced overview of the competing theories of degrees of belief. It also explicitly relates these debates to more traditional concerns of the philosophy of language and mind and epistemic logic.

**Dutch** Teri Woods,2009-09-23 James Bernard Jr., a.k.a. Dutch, has become the most dangerous criminal in New Jersey. From his early skill as a car thief, Dutch recognized the opportunity to rule the streets and he seized it. Feared by all, and completely fearless, Dutch and his dangerous clique take over the lucrative heroin business of a local African drug lord. With both the protection and respect of the Mafia, Dutch becomes the most terrifying force on the streets. District Attorney Anthony Jacobs is determined to take down Dutch and his crew, and he's confident that his witnesses will testify against them. But a sudden turn of events will soon make the DA's job harder than he imagined.

**Dutch For Dummies** Margreet Kwakernaak,2008-04-30 Dutch is spoken by 23 million people, mainly in the Netherlands and Belgium, and is an official EU language. For English speakers, written Dutch can be fairly straightforward to pick up, although the pronunciation can be more of a challenge. This simple guidebook and audio CD covers Dutch grammar, pronunciation and everyday phrases, making this vibrant language more accessible to English speakers – whether you're just visiting or planning to stay on a long-term basis. Dutch For Dummies is the essential guide for everyone from students and holidaymakers, to those wanting to speak Dutch for business purposes. From numbers and vocabulary to greetings, popular expressions and proper etiquette, this clear, easy-to-follow guide will have you speaking Dutch like a native in no time. Dutch For Dummies includes: Audio CD to assist learning Introductory grammar and vocabulary Meeting and getting to know people Dining out, shopping, leisure time and the workplace Dealing with emergencies Tips on how to pick up Dutch quickly Note: CD files are available to download when buying the eBook version

Dealing with the Dutch Jacob Vossestein,2001 Whether you are going to the Netherlands on a business trip or to work there for a while, or have regular contact with Dutch people in your own country, being prepared for Dutch culture will make your stay more effective and your interactions more satisfactory. People from all corners of the world involved in government, business and culture come into contact with the Dutch and are often frustrated by their directness, their critical attitude, and their sometimes slow decision-making processes. This handy volume helps you to understand these characteristics and highlights the many good attributes of the Dutch as well, too. For example, they may drive a hard bargain, but once agreement has been reached, their word is their bond. As in previous editions, this updated version of Dealing with the Dutch focuses on Dutch values and norms, but also takes into account the economic, social and cultural changes that the Netherlands is undergoing.

**Dutch** William Z. Shetter,Inge Van der Cruysse-Van Antwerpen,2002 This new edition presents an accessible description of Dutch, supported throughout by diagrams and examples. An improved pronunciation guide now been introduced and the vocabulary brought up to date.

The Fall of the Dutch Republic Hendrik Willem Van Loon,1913

**Colloquial Dutch** Bruce Donaldson,2016-06-17 Colloquial Dutch provides a step-by-step course in Dutch as it is written and spoken today. Combining a user-friendly approach with a thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Dutch in a broad range of situations. No prior knowledge of the language is required. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points explaining the customs and features of life in The Netherlands An overview of the sounds of Dutch. Balanced, comprehensive and rewarding, Colloquial Dutch is an indispensable resource both for independent learners and students taking courses in Dutch. Colloquials are now supported by FREE AUDIO available online. All audio tracks referenced within the text are free to stream or download from [www.routledge.com/cw/colloquials](http://www.routledge.com/cw/colloquials). Recorded by native speakers, the audio complements the book and will help enhance learners' listening and speaking skills.

**Lola Dutch** Kenneth Wright,2018-04-23 Meet Lola Dutch, a delightfully creative girl who is bursting with grand ideas. From the best ways to serve breakfast -- an elegant feast! -- to the ideal sleeping spot -- a majestic blanket fort, of course! -- Lola is inspired all day long. Her dear companion Bear sometimes says she is just too much, but Lola is rich with imagination and originality, which even Bear will agree is AMAZING.The unstoppable Lola Dutch is about to show you how to make every day grand and full of fun. You'll love her so much! Inspired by their own four gorgeously feisty children, Sarah Jane and Kenneth Wright are thrilled to introduce the unstoppable Lola Dutch and her fresh, fun, commercial, character-driven series.

Dutch III Teri Woods,2011-05-25 It's one month before Dutch's trial for what the media has deemed the Month of Murder, Roc and Angel are locked up, and Craze is now the commander in charge. After coming into contact with Joseph Odouwo, Kazami's very rich and powerful relative, Craze is immediately on alert. However, Odouwo has other plans that may put all of their lives at risk. Craze can't resist a stake in Odouwo's very successful billion-dollar diamond trade, and reluctantly takes Odouwo up on his offer, hoping that he didn't make a decision he will soon regret.

*Colloquial Dutch (eBook And MP3 Pack)* Bruce Donaldson,2014-10-14 COLLOQUIAL DUTCH is easy to use and completely up to date! Specially written by experienced teachers for self-study or class use, the course offers a step-by-step approach to written and spoken Dutch. No prior knowledge of the language is required. Max Havelaar; or, The coffee auctions of the Dutch trading company, by Multatuli, tr. by baron A. Nahuys Eduard Douwes Dekker,1868

**The Emergence of Tolerance in the Dutch Republic** ,2021-12-06 This volume is the fruit of the colloquium Les Pays-Bas, carrefour de la tolérance aux Temps Modernes, held in Wassenaar, the Netherlands, in 1994. Toleration in the strict sense of the word was very much against the grain of sixteenth-century European history. This volume charts the emergence and vicissitudes of the concept of tolerance and its practical implications in the Dutch Republic, from the revolt against Spain in the sixteenth century to the early eighteenth century. The various contributions, all by distinguished scholars, address such issues as Erasmus' views on toleration, the relation between tolerance and irenism, and the contemporary intellectual debate about toleration in the Dutch Republic. This important volume will prove indispensable to historians of the Low Countries, students of humanism and all those interested in the intellectual history of the 16th-18th centuries.

**1609-1909. The Dutch in New Netherland and the United States** Netherland Chamber of Commerce in America, New York,1909

**The Rise of the Dutch Republic** John Lothrop Motley,1875

The Dutch House Ann Patchett,2019-09-24 Pulitzer Prize Finalist | New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of the Year Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and Buzzfeed From Ann Patchett, the #1 New York Times bestselling author of Commonwealth, comes a powerful, richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. The Dutch House is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, The Dutch House is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

Formosa Under the Dutch William Campbell,1903

Porcelain and the Dutch East India Company T. Volker,1954

The Sensible Cook Peter G. Rose,1998-09-01 The most favored Dutch cookbook of the seventeenth century, The Sensible Cook (De Verstandige Kock) had a major impact on the foodways of the Dutch in the Netherlands and in their New World territories. As a part of the larger work, The Pleasurable Country Life, The Sensible Cook records the foodways of rich middle-class households, the cooking methods and typical dishes they prepared, and the implements and ingredients they employed. Often the recipes are surprisingly sophisticated. From braising a chicken with orange peel and cinnamon to stuffing pigeons with a mixture of parsley, ginger, sugar, butter, and raisins, many of the dishes are still appealing today. Peter G. Rose has, in fact, adapted some two dozen of the recipes for contemporary use—tempting dishes such as “Shoemaker’s Cake,” a delicious combination of bread crumbs, butter, eggs, and stewed apples. Handsomely illustrated with Dutch genre paintings, The Sensible Cook will interest cooks, food historians, students of social and cultural history, and the large number of Dutch descendants in America. Most important, this book will be welcomed by all who enjoy good food.

**The Dutch and Quaker Colonies in America** John Fiske,1900
