

# Duty

Bob Greene

**Duty** Robert M. Gates,2014-01-14 From the former secretary of defense, a strikingly candid, vivid account of serving Presidents George W. Bush and Barack Obama during the wars in Iraq and Afghanistan. When Robert M. Gates received a call from the White House, he thought he'd long left Washington politics behind: After working for six presidents in both the CIA and the National Security Council, he was happily serving as president of Texas A&M University. But when he was asked to help a nation mired in two wars and to aid the troops doing the fighting, he answered what he felt was the call of duty.

**Academic Duty** Donald Kennedy,1997 Aware of the numerous pressures that academics face, from the pursuit of open inquiry in the midst of culture wars, to confusion and controversy over the ownership of ideas, to the scramble for declining research funds and facilities, he explores the whys and wherefores of academic misconduct, be it scholarly, financial, or personal.

**Duty** Bob Greene,2009-03-17 When Bob Greene went home to central Ohio to be with his dying father, it set off a chain of events that led him to knowing his dad in a way he never had before—thanks to a quiet man who lived just a few miles away, a man who had changed the history of the world. Greene's father—a soldier with an infantry division in World War II—often spoke of seeing the man around town. All but anonymous even in his own city, carefully maintaining his privacy, this man, Greene's father would point out to him, had won the war. He was Paul Tibbets. At the age of twenty-nine, at the request of his country, Tibbets assembled a secret team of 1,800 American soldiers to carry out the single most violent act in the history of mankind. In 1945 Tibbets piloted a plane—which he called Enola Gay, after his mother—to the Japanese city of Hiroshima, where he dropped the atomic bomb. On the morning after the last meal he ever ate with his father, Greene went to meet Tibbets. What developed was an unlikely friendship that allowed Greene to discover things about his father, and his father's generation of soldiers, that he never fully understood before. Duty is the story of three lives connected by history, proximity, and blood; indeed, it is many stories, intimate and achingly personal as well as deeply historic. In one soldier's memory of a mission that transformed the world—and in a son's last attempt to grasp his father's ingrained sense of honor and duty—lies a powerful tribute to the ordinary heroes of an extraordinary time in American life. What Greene came away with is found history and found poetry—a profoundly moving work that offers a vividly new perspective on responsibility, empathy, and love. It is an exploration of and response to the concept of duty as it once was and always should be: quiet and from the heart. On every page you can hear the whisper of a generation and its children bidding each other farewell.

**Law and Judicial Duty** Philip HAMBURGER,2009-06-30 Philip Hamburger's Law and Judicial Duty traces the early history of what is today called judicial review. The book sheds new light on a host of misunderstood problems, including intent, the status of foreign and international law, the cases and controversies requirement, and the authority of judicial precedent. The book is essential reading for anyone concerned about the proper role of the judiciary.

**Manual of Interior Guard Duty. U. S. Army. 1914** United States. War Department. General Staff,United States. War Department,1914

**Hazardous Duty** David H. Hackworth,1997-09-01 The author of the phenomenal New York Times bestseller About Face, Colonel David H. Hackworth is one of America's most decorated soldiers, having served at the end of World War II, and in Korea and Vietnam. Retired from the military since 1971, he has completed second tour of battlefield duty -- this time as a war correspondent -- accompanying our nation's fighting men and women to the Persian Gulf, Bosnia, Somalia, Korea and Haiti. What he learned of high-level military incompetence, futility and corruption in the heat and fury of Desert Storm -- and in the desperation of the Balkans and Mogadishu -- is shocking, frightening and infuriating...and it must be told. Hazardous Duty is a necessary wake-up call for military reform -- a no-holds-barred, no-punches-pulled exposé that calls America's top political and military leaders to account for selling out duty, honor and country. It is riveting, real-life adventure of courageous warriors on the world's new battlefields -- and of their systematic betrayal by the weakness of an increasingly wasteful and inept high command. It offers essential solutions to problems that must be addressed if our nation is to remain the foremost military power in a volatile and ever-changing world.

**Dereliction of Duty** H. R. McMaster,2011-03-01 The war in Vietnam was not lost in the field, nor was it lost on the front pages of the New York Times or the college campuses. It was lost in Washington, D.C. —H. R. McMaster (from the Conclusion) Dereliction Of Duty is a stunning analysis of how and why the United States became involved in an all-out and disastrous war in Southeast Asia. Fully and convincingly researched, based on transcripts and personal accounts of crucial meetings, confrontations and decisions, it is the only book that fully re-creates what happened and why. McMaster pinpoints the policies and decisions that got the United States into the morass and reveals who made these decisions and the motives behind them, disproving the published theories of other historians and excuses of the participants. A page-turning narrative, Dereliction Of Duty focuses on a fascinating cast of characters: President Lyndon Johnson, Robert McNamara, General Maxwell Taylor, McGeorge Bundy and other top aides who deliberately deceived the Joint Chiefs of Staff, the U.S. Congress and the American public. McMaster's only book, Dereliction of Duty is an explosive and authoritative new look at the controversy concerning the United States involvement in Vietnam.

**Duty** Samuel Smiles,2023-12-04 Reprint of the original, first published in 1880.

**Special Duty** Richard J. Samuels,2019-10-15 The prewar history of the Japanese intelligence community demonstrates how having power over much, but insight into little can have devastating consequences. Its postwar history—one of limited Japanese power despite growing insight—has also been problematic for national security. In Special Duty Richard J. Samuels dissects the fascinating history of the intelligence community in Japan. Looking at the impact of shifts in the strategic environment, technological change, and past failures, he probes the reasons why Japan has endured such a roller-coaster ride when it comes to intelligence gathering and analysis, and concludes that the ups and downs of the past century—combined with growing uncertainties in the regional security environment—have convinced Japanese leaders of the critical importance of striking balance between power and insight. Using examples of excessive hubris and debilitating bureaucratic competition before the Asia-Pacific War, the unavoidable dependence on US assets and popular sensitivity to security issues after World War II, and the tardy adoption of image-processing and cyber technologies, Samuels' bold book highlights the century-long history of Japan's struggles to develop a fully functioning and effective intelligence capability, and makes clear that Japanese leaders have begun to reinvent their nation's intelligence community.

**The Whole Duty of Man, Etc** DUTY.,1687

**Defining Duty in the Civil War** J. Matthew Gallman,2015-05-25 The Civil War thrust Americans onto unfamiliar terrain, as two competing societies mobilized for four years of bloody conflict. Concerned Northerners turned to the print media for guidance on how to be good citizens in a war that hit close to home but was fought hundreds of miles away. They read novels, short stories, poems, songs, editorials, and newspaper stories. They laughed at cartoons and satirical essays. Their spirits were stirred in response to recruiting broadsides and patriotic envelopes. This massive cultural outpouring offered a path for ordinary Americans casting around for direction. Examining the breadth of Northern popular culture, J. Matthew Gallman offers a dramatic reconsideration of how the Union's civilians understood the meaning of duty and citizenship in wartime. Although a huge percentage of military-aged men served in the Union army, a larger group chose to stay home, even while they supported the war. This pathbreaking study investigates how men and women, both white and black, understood their roles in the People's Conflict. Wartime culture created humorous and angry stereotypes ridiculing the nation's cowards, crooks, and fools, while wrestling with the challenges faced by ordinary Americans. Gallman shows how thousands of authors, artists, and readers together created a new set of rules for navigating life in a nation at war.

**Highest Duty** Chesley B. Sullenberger,Jeffrey Zaslow,2009-09-25 Now a major motion picture from Clint Eastwood, starring Tom Hanks—the inspirational autobiography by one of the most captivating American heroes of our time, Capt. ‘Sully’ Sullenberger—the pilot who miraculously landed a crippled US Airways Flight 1549 in New York’s Hudson River, saving the lives of all 155 passengers and crew. On January 15, 2009, the world witnessed a remarkable emergency landing when Captain Sully Sullenberger skillfully glided US Airways Flight 1549 onto the Hudson River, saving the lives of all 155 passengers and crew. His cool actions not only averted tragedy but made him a hero and an inspiration worldwide. His story is now a major motion picture from director / producer Clint Eastwood and stars Tom Hanks, Laura Linney and Aaron Eckhart. Sully's story is one of dedication, hope, and preparedness, revealing the important lessons he learned through his life, in his military service, and in his work as an airline pilot. It reminds us all

that, even in these days of conflict, tragedy and uncertainty, there are values still worth fighting for—that life's challenges can be met if we're ready for them.

Facts and Considerations Relative to Duties on Books Charles Coffin Jewett,1846  
**Combined Lineal List of Officers on Active Duty in the Marine Corps** ,1962  
**Love and Duty** Ben Purcell,1992

*The People's Duty* Shmuel Nili,2019-06-13 Nili develops a novel conception of 'the people', both as an agent with its own moral integrity, and as an owner of public property. Exploring problems central to present-day politics, this non-technical book will appeal to political theorists, but also to readers in public policy, area studies, law, and across the social sciences.

A Captain's Duty Richard Phillips,Stephan Talty,2010-04-06 I share the country's admiration for the bravery of Captain Phillips and his selfless concern for his crew. His courage is a model for all Americans. --President Barack Obama It was just another day on the job for fifty-three-year-old Richard Phillips, captain of the Maersk Alabama, the United States-flagged cargo ship which was carrying, among other things, food and agricultural materials for the World Food Program. That all changed when armed Somali pirates boarded the ship. The pirates didn't expect the crew to fight back, nor did they expect Captain Phillips to offer himself as hostage in exchange for the safety of his crew. Thus began the tense five-day stand-off, which ended in a daring high-seas rescue when U.S. Navy SEALs opened fire and picked off three of the captors. It never ends like this, Captain Phillips said. And he's right. *A Captain's Duty* tells the life-and-death drama of the Vermont native who was held captive on a tiny lifeboat off Somalia's anarchic, gun-plagued shores. A story of adventure and courage, it provides the intimate details of this high-seas hostage-taking--the unbearable heat, the death threats, the mock executions, and the escape attempt. When the pirates boarded his ship, Captain Phillips put his experience into action, doing everything he could to safeguard his crew. And when he was held captive by the pirates, he marshaled all his resources to ensure his own survival, withstanding intense physical hardship and an escalating battle of wills with the pirates. This was it: the moment where training meets instinct and where character is everything. Richard Phillips was ready.

Duty Samuel Smiles,2014-03 This Is A New Release Of The Original 1886 Edition.  
*Duty to Respond* Nenad Dimitrijevi?,2011-01-01 The subject of the book is responsibility for collective crime. Collective crime is an act committed by a significant number of the members of a group, in the name of all members of that group, with the support of the majority of group members, and against individuals targeted on the basis of their belonging to a different group.The central claim is that all members of the group in whose name collective crime is committed share responsibility for it. This book's special interest is with analytical and normative defense of arguments that purport to explain reasons for, and the character of, responsibility of decent people. Those who did not intend, support, or committed wrong, are still accountable in a non-vicarious manner. The basis of their responsibility is the crime-specific relationship between group identity and personal identity.  
**Lifeguard on Duty** ,2009 A stylish and sexy celebration of the bronzed Adonises who patrol the beach. Matt Albiani built his reputation shooting celebrity portraits and fashion spreads for the likes of Elle and Vanity Fair. For his first book, however, he trained his lens on a different class of beautiful people, one more rugged, less glamorous and yet unassailably iconic: the American lifeguard. Albiani's searing hot images are perfectly displayed under the direction of Sam Shahid, the art director for some of powerHouse Books' most lavish titles.

Duty Introduction

In todays digital age, the availability of Duty books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Duty books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Duty books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Duty versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Duty books and manuals for download are

incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Duty books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Duty books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Duty books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Duty books and manuals for download and embark on your journey of knowledge?

## FAQs About Duty Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
