Persevering despite a father in jail and a mother working multiple jobs, EZ finds his own success as a referee for the championship game.

EZ Anatomy and Physiology Barbara Krumhardt,I. Edward Alcamo,2010-09-01 The authors of E-Z Anatomy and Physiology present an extensive review of the human body's structural framework and describe how it functions. Each of 23 chapters covers a separate system of the body and includes review questions with answers. The book is filled with charts, diagrams, and instructive line illustrations. Books in Barron's new E-Z series are enhanced and updated editions of Barron's older, highly popular Easy Way books. New cover designs reflect the brand-new interior layouts, which feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever. Charts, graphs, diagrams, line illustrations, and where appropriate, amusing cartoons help make learning E-Z in a variety of subjects. Barron's E-Z books are self-teaching manuals focused to improve students' grades in skill levels that range between senior high school and college-101 standards.

E-Z American Sign Language David A. Stewart,Elizabeth Stewart,Lisa M. Dimling,2011-09-01 This heavily illustrated, self-teaching guide to ASL--American Sign Language--is useful both for the deaf and for those men and women who teach or work among deaf people. E-Z American Sign Language presents ASL's 10 key grammatical rules and emphasizes the use of facial grammar as an important supplement to manual signing. Most of the book's content takes the form of a presentation of more than 800 captioned line drawings that illustrate signs for their equivalent words and then show how to combine signs in order to communicate detailed statements. Barron's E-Z Series books are updated, and re-formatted editions of Barron's older and perennially popular Easy Way books. Titles in the new E-Z Series feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever. All are self-teaching manuals that cover a wide variety of practical and academic subjects, written on levels that range from senior high school to college-101 standards.

The EZ Big Book makes no assumption about the genders or marital status of partners. Alcoholics at all reading levels. The language is reader-friendly and journalistic in tone. Readers of any faith, including agnostics. The spiritual references in the book are all-encompassing. Non-English speakers. Readers for whom English is a second language buy the EZ Big Book because the writing is simple and direct.
