The Eight Katherine Neville,2015-07-21 The “fascinating” #1 international bestseller of a quest across centuries by two intrepid women to reunite the pieces of a powerful, ancient chess set (Los Angeles Times Book Review). A fabulous, bejeweled chess set that belonged to Charlemagne has been buried in a Pyrenees abbey for a thousand years. As the bloody French Revolution rages in Paris, the nuns dig it up and scatter its pieces across the globe because, when united, the set contains a secret power that could topple civilizations. To keep the set from falling into the wrong hands, two novices, Valentine and Mireille, embark on an adventure that begins in the streets of Paris and leads to Russia, Egypt, Corsica, and into the heart of the Algerian Sahara. Two hundred years later, while on assignment in Algeria, computer expert Catherine Velis finds herself drawn unwillingly into the deadly “Game” still swirling around the legendary chess set—a game that will require her to risk her life and match wits with diabolical forces. This ebook features an illustrated biography of Katherine Neville including rare images from her life and travels.

Fatty Legs Christy Jordan-Fenton,Margaret Pokiak-Fenton,2010-09-01 Eight-year-old Margaret Pokiak has set her sights on learning to read, even though it means leaving her village in the high Arctic. Faced with unceasing pressure, her father finally agrees to let her make the five-day journey to attend school, but he warns Margaret of the terrors of residential schools. At school Margaret soon encounters the Raven, a black-cloaked nun with a hooked nose and bony fingers that resemble claws. She immediately dislikes the strong-willed young Margaret. Intending to humiliate her, the heartless Raven gives gray stockings to all the girls — all except Margaret, who gets red ones. In an instant Margaret is the laughingstock of the entire school. In the face of such cruelty, Margaret refuses to be intimidated and bravely gets rid of the stockings. Although a sympathetic nun stands up for Margaret, in the end it is this brave young girl who gives the Raven a lesson in the power of human dignity. Complementing by archival photos from Margaret Pokiak-Fenton’s collection and striking artworks from Liz Amini-Holmes, this inspiring first-person account of a plucky girl’s determination to confront her tormentor will linger with young readers.

Sundays at Eight Brian Lamb,C-SPAN,2014-04-29 For the last 25 years, Sunday nights at 8pm on C-SPAN has been appointment television for many Americans. During that time, host Brian Lamb has invited people to his Capitol Hill studio for hour-long conversations about contemporary society and history. In today’s soundbite culture that hour remains one of television’s last vestiges of in-depth, civil conversation. First came C-SPAN’s Booknotes in 1989, which by the time it ended in December 2004, was the longest-running author-interview program in American broadcast history. Many of the most notable nonfiction authors of its era were featured over the course of 800 episodes, and the conversations became a defining hour for the network and for nonfiction writers. In January 2005, C-SPAN embarked on a new chapter with the launch of Q and A.

Again one hour of uninterrupted conversation but the focus was expanded to include documentary film makers, entrepreneurs, social workers, political leaders and just about anyone with a story to tell. To mark this anniversary Lamb and his team at C-SPAN have assembled Sundays at Eight, a collection of the best unpublished interviews and stories from the last 25 years. Featured in this collection are historians like David McCullough, Ron Chernow and Robert Caro, reporters including April Witt, John Burns and Michael Weisskopf, and numerous others, including Christopher Hitchens, Brit Hume and Kenneth Feinberg. In a March 2001 Booknotes interview 60 Minutes creator Don Hewitt described the show’s success this way: “All you have to do is tell me a story.” This collection attests to the success of that principle, which has guided Lamb for decades. And his guests have not disappointed, from the dramatic escape of a lifelong resident of a North Korean prison camp, to the heavy price paid by one successful West Virginia businessman when he won \$314 million in the lottery, or the heroic stories of recovery from the most horrific injuries in modern-day warfare. Told in the series’ signature conversational manner, these stories come to life again on the page. Sundays at Eight is not merely a token for fans of C-SPAN’s interview programs, but a collection of significant stories that have helped us understand the world for a quarter-century.

The Basic Eight Daniel Handler,2009-10-13 Flannery Culp wants you to know the whole story of her spectacularly awful senior year. Tyrants, perverts, tragic crushes, gossip, cruel jokes, and the hallucinatory effects of absinthe -- Flannery and the seven other friends in the Basic Eight have suffered through it all. But now, on tabloid television, they're calling Flannery a murderer, which is a total lie. It's true that high school can be so stressful sometimes. And it's true that sometimes a girl just has to kill someone. But Flannery wants you to know that she's not a murderer at all -- she's a murderess.

Hard Eight Janet Evanovich,2003-06-16 Hired to find a missing child, Stephanie soon wonders if she's working on the right side of the law. And complications have arisen in her relationship with Morelli.
