

# Enschede

Maxwell Fox

*Building Site Enschede* Theo Baart, Ton Schaap, 2007 The Roombeek quarter in Enschede, ravaged by a fireworks explosion in 2000, has evolved into a dynamic building site of 400,000 m<sup>2</sup>. Meanwhile, elsewhere in the city, initiatives have been developed and construction plans are gaining momentum. Enschede - at 150,000 inhabitants the largest city in the east of the Netherlands and the country's tenth-largest city - falls in the category of 'unknown and unloved'. Throughout the city, in the most unexpected places, pearls of architecture and gorgeous urban landscapes are waiting to be discovered. In more than 40 photographs, Theo Baart presents the urban and landscape qualities of Enschede - from pastoral twente landscapes of the Enschede of today are combined with plans for the Enschede of tomorrow. Municipal urban planner', Ton Schaap places the building projects in a board context and highlights ten projects that will be implemented in the next several years.--BOOK JACKET.

**City Maps Enschede Netherlands** James McFee, City Maps Enschede Netherlands is an easy to use small pocket book filled with all you need for your stay in the big city.
