**The Book of Mac** Donna-Claire Chesman,2021-10-26 An album-by-album celebration of the life and music of Mac Miller through oral histories, intimate reflections, and critical examinations of his enduring work. “One of my most vivid memories of him is the way he would look at you while he was playing you a song. He tried to look you right in the eyes to see how you were feeling about it.” –Will Kalson, friend and first manager Following Mac Miller’s tragic passing in 2018, Donna-Claire Chesman dedicated a year to chronicling his work through the unique lens of her relationship to the music and Mac’s singular relationship to his fans. Like many who’d been following him since he’d started releasing mixtapes at eighteen years old, she felt as if she’d come of age alongside the rapidly evolving artist, with his music being crucial to her personal development. “I want people to remember his humanity as they’re listening to the music, to realize how much bravery and courage it takes to be that honest, be that self-aware, and be that real about things going on internally. He let us witness that entire journey. He never hid that.” –Kehlani, friend and musician. The project evolved to

include intimate interviews with many of Mac's closest friends and collaborators, from his Most Dope Family in Pittsburgh to the producers and musicians who assisted him in making his everlasting music, including Big Jerm, Rex Arrow, Wiz Khalifa, Benjy Grinberg, Just Blaze, Josh Berg, Syd, Thundercat, and more. These voices, along with the author's commentary, provide a vivid and poignant portrait of this astonishing artist—one who had just released a series of increasingly complex albums, demonstrating what a musical force he was and how heartbreaking it was to lose him. "As I'm reading the lyrics, it's crazy. It's him telling us that he hopes we can always respect him. I feel like this is a message from him, spiritually. A lot of the time, his music was like little letters and messages to his friends, family, and people he loved, to remind them of who he really was." —Quentin Cuff, best friend and tour manager

**Faces** Anne Geddes, 1995 Photographs of imaginatively costumed youngsters demonstrate such emotions as happiness and sadness, or the difference between conditions like sleepy and asleep

Copenhagen, 1968. Lise, a children's book writer and married mother of three, is increasingly haunted by disembodied faces and voices. She is convinced that her husband, already extravagantly unfaithful, will leave her. Most of

all, she is scared that she will never write again. Yet as she descends into a world of pills and hospitals, she begins to wonder—is insanity really something to be feared, or does it bring a kind of freedom?

**How Many Faces Do You Have?** Mike Schneider, 2020-02-24 How Many Faces Do You Have? is a poem sequence that interrogates intimacy, each poem a face the poet discovers, a reflection revealed in response to inner questioning. In a voice of quiet sonority, these lyrics journey from a high-school gym dance to a moonlit beach polka. They linger over sushi in Montreal and an airline meal at 40,000 feet on a flight. They touch joy and pain and celebrate the vicissitudes of love that goes “into the tangled heartland / where there is no trail,” as a gift of being. A face is such a strange thing. Obsessed with distortion, Modigliani loved elongated faces like Tamara’s at a distance, a flattened oval, two black jewels. He painted with a dagger in his teeth, they say, to see the face within the face – grave, cold-eyed as Nefertiti, Queen of Egypt, whom I’ve always loved for her name alone.

**All the Rage** Ian McLagan, 2000 Ian McLagan was the keyboard player with the
