Surah Al-Fajr Muhammad Shiraz,2015-02-19 Illustrated Quran for Kids is a fascinating new series that allows parents to make their children familiar with the Quran at an early age. It puts Quranic education into a whole new paradigm by making it as accessible and attractive as the other secular mainstream children's books that compete for our children's attention in the modern

world. Remaining within the bounds of the Shariah, this book contextualizes each Quranic verse through real world photographs of related concepts, along with easy to understand translations and explanations of the verses. Surah Fajr is a beautiful Surah, about which the Holy Prophet (sm) said that whoever recites it ten times, Allah will bestow his forgiveness ten times, and allocate a special light for that person on the day of judgement. In this installment, we introduce children to Surah Fajr, that contains wonderful lessons on compassion and doing good deeds. The last three verses of Surah Fajr are perhaps one of the most popular verses of the Quran, recited most often in prayers.

One's Thoughtful Expressions Through His Experienced Writings and Poems from the Womb to the Tomb Spiritual Journey Beatrice Fajr, 2018-11-28 My selection of poetry writings consist of a series of journeys—i.e. spiritual, philosophical—and my youth experiences from my home in South Carolina. Since humans are spiritual beings made in the image of our Creator, whom we refer to as Allah (SWA), my poems will attempt to give the reader a better understanding of one's purpose on this beautiful earth, which Allah has given for all of us to enjoy its wondrous splendor. As I reflect on this book, one poem come to mind, entitled "Word Is the Sword." "Word" is in "sword," which in the subconscious tells us the power of words and also reflects knowledge and understanding of life each day. It is my goal, as I pray, that these many uses of words that you are about to read in my poems will open your understanding and help to create a better you. The power of words. Enjoy the book.
