An Introduction to Feng Shui Ole Bruun,2008-12-04 Feng Shui has been known in the West for the last 150 years but has mostly been regarded as a primitive superstition. During the modern period successive regimes in China have suppressed its practice. However, in the last few decades Feng Shui has become a global spiritual movement with professional associations, thousands of titles published on the subject, countless websites devoted to it and millions of users. In this book Ole Bruun explains Feng Shui's Chinese origins and meanings as well as its more recent Western interpretations and global appeal. Unlike the abundance of popular manuals, his Introduction treats Chinese Feng Shui as an academic subject, bridging religion, history and sociology. Individual chapters explain: • the Chinese religious-philosophical background • Chinese uses in rural and urban areas • the history of Feng Shui's reinterpretation in the West • environmental perspectives and other issues

Feng Shui: The Living Earth Manual Stephen Skinner,2011-04-11 The ancient Chinese art of Feng-Shui, the basis of man's relationship with the land, has practitioners and followers throughout the Western world, from rural communities to big cities. Not just an Eastern practice any more, Feng-Shui can be found around the globe. Feng-Shui is an art that stresses the importance of living in harmony with nature. The Chinese believe that the earth has channels of energy known as 'dragon-lines', comparable with the meridians of the human body, and the buildings, towns and rooms should be designed and constructed so as not to obstruct these channels. According to the principles of Feng-Shui, living in harmony with the earth's field of energy will promote prosperity, peace and happiness. *Living Earth Feng Shui* is a fascinating book which outlines how Feng-Shui can be applied on a small or large scale, in the busiest cities or the smallest room. Author Stephen Skinner outlines its history and philosophy, clearly showing how it can be used to determine the site and arrangement of dwelling places in order to enhance the quality of life of the inhabitants. This is the perfect book for those new to Feng-Shui or someone who is interested in expanding their knowledge.

Interior Design with Feng Shui Sarah Rossbach,2000-02-01 A centuries-old Chinese practice, feng shui has captured the Western imagination as a tool for design and well-being. In this classic book, complete with helpful drawings and photographs, Sarah Rossbach shows how anyone can apply its principles to enhance their careers,

family life, health, and prosperity. Rossbach interprets the teachings of feng shui master Lin Yun for contemporary Westerners, offering practical methods for achieving harmony with one's environment. Focusing on common problems in business and residential settings, she discusses everything from the site of a building to furniture arrangement to wall decoration. In a chapter new to this edition, she explains how to choose colors that satisfy individual needs and preferences. Rossbach's easy-to-execute advice includes such simple steps as moving a microwave oven, repositioning a desk, and hanging mirrors to alleviate negative influences.

Feng Shui Modern Cliff Tan, 2022-01-20 The ancient practice of feng shui is uncovered in this simple and practical guide, revealing the tools that will lead to a healthier, happier home for every budget. How do you place a bed in an awkward room? How can your space help you be more focused and more productive? How do you set up your room to make you ready for romantic love? It's simple! In *Feng Shui for Modern Living*, TikTok influencer Cliff Tan answers these questions and more, explaining the ancient practice of feng shui and how it can be translated to modern homes. Cliff has become an internet sensation with his videos demonstrating the principles of feng shui, and in this practical guide he shows how to apply these principles room-by-room in your own home. He takes you behind the mysticism to reveal the logic behind feng shui. This is the key to unlocking the power of this ancient practice: once you understand the logic, your application of feng shui will work every time. There is no room too challenging, no problem that feng shui can't unravel. That's why people have been using it for thousands of years. In the tradition of Marie Kondo and Mrs Hinch, this guide will revolutionise how you think about your space. It's feng shui made simple, and anyone can learn.

Total Feng Shui Lillian Too, 2004-12-07 Internationally best-selling author Too puts prosperity and success within everybody's reach as she presents the fundamentals of feng shui and offers simple steps for employing its principles at home, outdoors, and in the workplace.

Five Classics of Fengshui Michael Paton, 2013-06-17 In *Five Classics of Fengshui* Michael Paton traces the theoretical development of this form of spiritual geography through full translations of major texts: the Burial Classic of Qing Wu, Book of Burial, Yellow Emperor's Classic of House Siting, Twenty Four Difficult Problems, and Water Dragon Classic.

Feng Shui for Architecture Simona Manini, 2004 *Feng Shui for Architecture* is an easy-to-use manual to incorporate Scientific Feng Shui into the design, renovation, and decorating of your home. The final goal is to support your well-being, as well as your family's, in all aspects of life. It is also particularly useful during a real estate pre-acquisition inspection, for it offers examples of bad Feng Shui (to avoid), good Feng Shui (to desire), and how to correct any overall problems. This will help you to evaluate the kind of investment to be made and to make the property Feng Shui proof (as well as decide if you want to either buy it or pass on it). The only book on the market written by an architect, interior designer, and Feng Shui expert who has over 20 years of expertise in the fields of architectural planning, design, and Scientific Feng Shui Mastery, *Feng Shui for Architecture* is largely the result of answering frequent questions that have arisen over the years by concerned Feng Shui and Interior Architecture students in classes taught by the author as well as addressing common issues brought up by professional architects, designers, and clients with whom the author has consulted with during the development of hundreds of projects (and whom are also the same people who encouraged her to write this book). Editorial Reviews Dr. Simona Mainini has an astonishing ability to interpret and install ancient Chinese formulas in such a way that they change lives today. Her discipline and precision in a field not often distinguished by these qualities is both unique and world class. Richard Ashworth Author of *The Feng Shui Diaries* Editor-in-Chief of *The Journal of the Feng Shui Society* Dr. Mainini is one of those few, wonderful people who have managed to weld together the strict disciplines of architectural practice with the aesthetics and philosophies of the ancient Chinese traditions of Feng Shui. Readers can be assured that what she writes is not founded just on theory alone, but sound, practical experience. Derek Walters Author of *The Feng Shui Handbook & The Complete Guide to Chinese Astrology* *Feng Shui for Architecture* is an excellent guide for both the Feng Shui professional and layperson. You can benefit from the knowledge presented here and use it to make your environment as harmonious as possible. Larry Sang Author of *The Principles of Feng Shui* President & Founder of The American Feng Shui Institute *Feng Shui for Architecture* has been extremely inspirational to me and many of my students at the School of Architecture and Urbanism at the University of Sao Paulo (Brazil). We are very impressed with Dr. Mainini's knowledge and experience. She brings a new pattern to design and architecture. Maria Cecilia Loschiavo dos Santos, PhD Author of *Movel Moderno no Brasil* Professor, Design Department, University of Sao Paulo, Brazil The title and subtitle promises a lot-- and this book delivers even more! Dr. Mainini has done a fabulous job organizing and explaining-- in a clear, precise manner-- the principles of Feng Shui and the ancient Chinese art of placement for good energy flow as it applies to the spaces in which we live and work. Not only is this book great for the preparation of buildings, it is also extremely useful even if you are only searching for an energetically superior apartment, house, or office space to rent. If you are looking for an invaluable source of Feng Shui information to help bring harmony to your living and working space and your life, this is a book for you. I applaud Dr. Mainini for the publishing of this, her first book, and highly recommend it to those who want to learn more about this most fascinating modality of healing. A+!
