

Finnish

Denis Sinor

Introduction to Finnish Jukka K. Korpela, 2014-08-12 An oversight of the Finnish language, explaining its key features. Useful to anyone who wants to just know something about Finnish. And if you wish to learn the language, this book gives you a good starting point and also helps to deal with the specialties of Finnish.

Finnish: An Essential Grammar Fred Karlsson, 2015-05-15 This thoroughly revised third edition of Finnish: An Essential Grammar is grounded in fundamental insights of modern linguistics and incorporates some of the latest achievements in the description of written and spoken Finnish. It gives a systematic account of the structures of the written language and offers increased attention to the key characteristics of present-day colloquial Finnish. No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon. Features of this new edition include: • pronunciation guide, including the tendencies in present-day colloquial Finnish • thorough descriptions of morphology (word structure) and syntax (sentence structure) • clear rules and an abundance of concrete examples, from both written and colloquial Finnish • updated vocabulary in the examples • an effective new scheme for detecting the morphological structure of any word form • subject index. This is the ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

A Finnish Grammar Charles Eliot, 1890

Inner Asia Denis Sinor, 1997

Finnish Fred Karlsson, Andrew Chesterman, 1999 A reference guide to the most important aspects of Finnish as it is used by native speakers today, this is the ideal reference source both for those studying Finnish independently and in classroom situations.

Government and Codeswitching Helena Halmari, 1997-05-23 Bilingual codeswitching is a complex, multifaceted phenomenon, which calls for explanations on several different linguistic levels. This volume focuses on one such level: the level of syntax. An explanation for the regularities and consistencies in the codeswitching patterns of American Finns in their spontaneous conversations is sought for in the Universal Grammar -based principle of government as realized in case-assignment and agreement relations. A bulk of the Finnish-English intrasentential data get their explanation on the structural, hierarchical level, but this level of syntax is found to be interestingly intertwined with sociolinguistic, psycholinguistic, and discourse levels, which all contribute to variation in codeswitching patterns. The proposed principle of government is seen as one important explanation in typologically certain kinds of language pairs such as Finnish and English; however, this principle is not treated as a monolithic constraint, but rather as the leading tendency which is occasionally overridden by other than syntactic forces. The volume is intended as a complement — not as a contradiction — to earlier explanations of codeswitching phenomena. Its main message is: while all linguistic levels contribute to the construction of bilingual speech, the importance of syntax can not be ignored.

Learn Finnish - Level 3: Beginner Innovative Language Learning, FinnishPod101.com, Interactive. Effective. And FUN! Start speaking Finnish in minutes, and learn key vocabulary, phrases, and grammar in just minutes more with Learn Finnish - Level 3: Beginner, a completely new way to learn Finnish with ease! Phonological and Lexical Aspects of Colloquial Finnish Melvin J. Luthy, 2020-05-18 No detailed description available for Phonological and Lexical Aspects of Colloquial Finnish.

The Finnish Party in Finland and Their Present Programme, 1907

Colloquial Finnish Daniel Abondolo, 2013-03 Colloquial Finnish provides a step-by-step course in Finnish as it is written and spoken today. Combining a user-friendly approach with a thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Finnish in a broad range of situations. No prior knowledge of the language is required. Key features include: • progressive coverage of speaking, listening, reading and writing skills • structured, jargon-free explanations of grammar • an extensive range of focused and stimulating exercises • realistic and entertaining dialogues covering a broad variety of scenarios • useful vocabulary lists throughout the text • additional resources available at the back of the book, including a full answer key, a grammar summary and bilingual glossaries Balanced, comprehensive and rewarding, Colloquial Finnish will be an indispensable resource both for independent learners and students taking courses in Finnish. Course components: The complete course comprises the book and audio materials. These are available to purchase separately in paperback, ebook, CD and MP3 format. The paperback and CDs can also be purchased together in the great-value Colloquials pack. Paperback: 978-0-415-49966-8 (please note this does not include the audio) CDs : 978-0-415-48627-9 eBook: 978-0-203-81794-0 (please note this does not include the audio, available to purchase from http://ebookstore.tandf.co.uk/audio_viewbooks.aspx) MP3s: 978-0-415-49967-5 (available to purchase from http://ebookstore.tandf.co.uk/audio_viewbooks.aspx) Pack : 978-0-415-49968-2 (paperback and CDs) It has been brought to our attention that on some of the CD copies of Colloquial Finnish, there is an error on track 3 of CD 1. We would urge all customers who have experienced this error to contact us at isabelle.cheng@tandf.co.uk; we will then send you a correct replacement MP3 of this track, free of charge. Please accept our sincere apologies for any inconvenience caused.

Finnish Dictionary & Phrasebook Ville Kataja, 2002 This compact dictionary and phrasebook features a concise, easy-to-use grammar guide, a pronunciation table, and a handy reference section that provides the reader with the basics of the Finnish language. Also included is an introduction to the country's history as well as useful tips and practical information on how to navigate your way through the streets, shops and restaurants of Finland.

Ingrian Finnish Manja Irmeli Lehto, 1996

Handbook of Finnish Jukka K. Korpela, 101-01-01 This is an extensive manual of the Finnish language. It is an ideal source of information when you wish to learn about some specific features of Finnish, such as pronunciation, word formation, notational conventions, or verb forms, even with minimal or no previous understanding of the language. It is intended primarily for people who study, learn, or use Finnish as a foreign language. It is particularly useful to advanced language learners, translators, and linguists. The book covers · all the major features of Finnish grammar, including both standard written language, common spoken language, and features of major dialects · treatises of key specialties of Finnish such as idiomatic uses of locational case forms · in-depth look at some topics largely ignored in Finnish grammars, such as compositive forms of words and “passive” forms of verbs · punctuation rules and rules for writing numbers and special notations · issues in writing and processing Finnish-language texts in the modern world, with computers The

book is also useful to people with Finnish as their native or second language, because it gives them a different look at the language. The approach in the book partly deviates from the tradition of Finnish grammars, Finnish style guides, and teaching of Finnish at schools. It treats Finnish as a world to be explored, rather than something we know all too well, and it treats it like any other language, using international concepts and terms.

Finnish in a Week! Project Fluency,2018-09-03 Are YOU planning a trip to Finland? Are YOU Moving To Finland? Do YOU Have Finnish Heritage? Be Honest how Cool would it be if YOU knew Finnish! Finnish: An Essential Grammar Fred Karlsson,2002-03-11 A reference guide to the most important aspects of Finnish as it is used by native speakers today, this is the ideal reference source both for those studying Finnish independently and in classroom situations.

Names in Focus Terhi Ainiala,Minna Saarelna,Paula Sjöblom,2012 Names in Focus delves deep into the vast field of Finnish onomastics, covering place names, personal names, animal names, commercial names and names in literature. It provides the history and current trends in this area of research, and also supplements international terminology with the Finnish point of view on the subject. Brimming with examples and clear explanations, the book can be enjoyed by the most studios of researchers as well as the casual reader who has a genuine interest in the study of names.

Demonstratives in Interaction Ritva Laury,1997-01-01 This book concerns one of the paradigm examples of grammaticalization, the development of a definite article from a demonstrative determiner. Although standard written Finnish has no articles, the demonstrative se is currently emerging as a definite article in spoken Finnish. This book describes and explains the developing use of se based on a database consisting of spoken narratives from three different periods spanning the last one hundred years. The author proposes that the development from demonstrative to article has its roots in the way that speakers ordinarily use demonstratives in conversation, and provides an analysis of the use of se and the two other Finnish demonstratives, tämä and tuo in a corpus of multi-party conversations, showing that speakers of Finnish use demonstratives to focus attention on important referents and to express and negotiate access to them in the interactive context of ongoing talk, and not primarily to talk about how near or far referents are. The development of se into a general marker of identifiability is shown to be connected with both the focusing function of demonstratives as well as its use for referents which the speaker considers accessible to the addressee.

The Finnish Language in the Digital Age Georg Rehm,Hans Uszkoreit,2012-07-13 This white paper is part of a series that promotes knowledge about language technology and its potential. It addresses educators, journalists, politicians, language communities and others. The availability and use of language technology in Europe varies between languages. Consequently, the actions that are required to further support research and development of language technologies also differ for each language. The required actions depend on many factors, such as the complexity of a given language and the size of its community. META-NET, a Network of Excellence funded by the European Commission, has conducted an analysis of current language resources and technologies. This analysis focused on the 23 official European languages as well as other important national and regional languages in Europe. The results of this analysis suggest that there are many significant research gaps for each language. A more detailed expert analysis and assessment of the current situation will help maximise the impact of additional research and minimize any risks. META-NET consists of 54 research centres from 33 countries that are working with stakeholders from commercial businesses, government agencies, industry, research organisations, software companies, technology providers and European universities. Together, they are creating a common technology vision while developing a strategic research agenda that shows how language technology applications can address any research gaps by 2020.

Finnish Lessons 2.0 Pasi Sahlberg,2014-02-01 Pasi Sahlberg has thoroughly updated his groundbreaking account of how Finland built a world-class education system during the past four decades. In this international bestseller, Sahlberg traces the evolution of Finnish education policies and highlights how they differ from the United States and much of the rest of the world. Featuring substantial additions throughout the text, Finnish Lessons 2.0 demonstrates how systematically focusing on teacher and leader professionalism, building trust between the society and its schools, and investing in educational equity rather than competition, choice, and other market-based reforms make Finnish schools an international model of success. This second edition details the complexity of meaningful change by examining Finlands educational performance in light of the most recent international assessment data and domestic changes.

Grammatical Case Assignment in Finnish Diane C. Nelson,2013-12-16 First Published in 1998. This book is a revision of the author’s 1995 University of Edinburgh dissertation entitled X° Categories and Grammatical Case Assignment in Finnish . This work provides a structural account for patterns of grammatical case in Finnish within the Principles and Parameters framework. The rich case and agreement morphology of Finnish make it an important language for testing hypotheses about the relationships between morphological case and abstract Case, and Case/case and agreement. In particular, several case 'splits' occur in Finnish which challenge standard theoretical accounts about the relationship between abstract and morphological case.

Finnish Introduction

In the digital age, access to information has become easier than ever before. The ability to download Finnish has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Finnish has opened up a world of possibilities. Downloading Finnish provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Finnish has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous

websites and platforms where individuals can download Finnish. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Finnish. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Finnish, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Finnish has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Finnish Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
