DFC Library: Fish-Head Steve Jamie Smart,2013-08-01 A hilarious comedy about a sleepy mid-western town, Spumville, whose inhabitants wake up one day to find that their heads have been replaced by household objects and family pets! What can possibly have caused this calamity? The nuclear power plant? The aliens? Or something even more sinister? Can our hero Fish Head Steve and his funny-faced fellows solve the mystery? Fishy goings on from the DFC Library -- now in a convenient paperback format!

Fishhead Irvin S. Cobb,2016-08-01 During his lifetime Irvin S. Cobb was one of the most celebrated writers in American literature, though nowadays he is almost forgotten, apart perhaps from his Lovecraft connection. Irvin Shrewsbury Cobb was born in Paducah, Kentucky on the 23rd June, 1876. His father, unable to cope with the death of his own father, succumbed to alcoholism when Cobb was only sixteen. As a result, Cobb's education came to an end and he started work, first on the Paducah Daily News, then the Louisville Evening Post. By 1904 Cobb's career in journalism was doing so well that he moved to New York, where he would go on to spend the rest of his life, starting work at the Evening Sun, though it wasn't long before an assignment to cover the Russian-Japanese peace conference in Portsmouth, New Hampshire so impressed Joseph Pulitzer that he offered Cobb a job at the New York World, where he became the highest-paid staff reporter in the United States. In 1911 Cobb moved to the Saturday Evening Post. Three years later he was asked to cover the Great War. Amongst the many stories he wrote while there were the exploits of the Harlem Hellfighters, a unit of black American soldiers who had gone on to earn distinction for their courage and discipline, which Cobb celebrated in his book *The Glory of the Coming*. Besides his prolific work as a journalist, Cobb's fame largely came from his humorous stories, which were published in the leading magazines of his day, and collected in numerous books during his lifetime. But, though he was best known as a humourist, he did have a darker side, exemplified by the tales collected in this volume. Two of the most famous succeeded in catching the attention of H. P. Lovecraft. It is claimed that *Fishhead* influenced Lovecraft's *The Shadow Over Innsmouth*. And there is certainly no doubt that Lovecraft was favourably impressed with this tale. In his groundbreaking essay, *Supernatural Horror in Literature*, Lovecraft wrote: *Fishhead*, an early achievement, is banefully effective in its portrayal of unnatural affinities between a hybrid idiot and the strange fish of an isolated lake... *The Unbroken Chain* gave Lovecraft the key idea behind *The Rats in the Walls*, though in all other respects the two tales are totally different. Besides writing and journalism, Cobb's career extended to Hollywood, where legendary director, John Ford, made two films based on his books: *Judge Priest* (1934) and *The Sun Shines Bright* (1953). Other films included Peck's *Bad Boy* (1921), starring Jackie Coogan, and *The Woman Accused* (1933), with a young Cary Grant. Cobb also did a stint at acting himself, appearing in ten movies altogether, including *Pepper*, *Everybody's Old Man* (1936), *Steamboat Round the Bend* (1935) and *Hawaii Calls* (1938). It's a sign of the prominence he had achieved that in 1935 he was invited to host the 7th Academy Awards. Other than the tales that inspired Lovecraft, Cobb also wrote some brilliantly dark stories that culminate in a kind of sadistic irony. They are some of the finest conte cruel ever written. Amongst the best of these is the final story in this collection: *Faith, Hope, and Charity*, whose protagonists, as is often the case in Cobb's stories, struggle against fates that are not only pre-ordained but are horrendously appropriate! It must be added his hapless victims are far from blameless. What fates await them under Cobb's pen have most definitely been brought upon them by themselves! Through most of the tales there is a wry sense of humour, so wry, in fact, that it never detracts from the impact at the end; indeed, it often adds to and embellishes it! I hope you enjoy reading these stories as much as I did and share with me the conviction that it is high time they were revived.

Australian Hotelier ,2010-07

Ultimate Glory David Gessner,2017-06-06 A story of obsession, glory, and the wild early days of Ultimate Frisbee. David Gessner devoted his twenties to a cultish sport called Ultimate Frisbee. Like his teammates and rivals, he trained for countless hours, sacrificing his body and potential career for a chance at fleeting glory without fortune or fame. His only goal: to win Nationals and go down in Ultimate history as one of the greatest athletes no one has ever heard of. With humor and raw honesty, Gessner explores what it means to devote one's life to something that many consider ridiculous. Today, Ultimate is played by millions, but in the 1980s, it was an obscure sport with a (mostly) undeserved stoner reputation. Its early heroes were as scrappy as the sport they loved, driven by fierce competition, intense rivalries, epic parties, and the noble ideals of the Spirit of the Game. *Ultimate Glory* is a portrait of the artist as a young ruffian. Gessner shares the field and his seemingly insane obsession with a cast of closely knit, larger-than-life characters. As his sport grows up, so does he, and eventually he gives up chasing flying discs to pursue a career as a writer. But he never forgets his love for this misunderstood sport and the rare sense of purpose he attained as a member of its priesthood.

Fish Heads, Rice, Rice Wine and War Tom Smith,Thomas G. Smith,2002 Allows the reader to go inside the Vietnam conflict where even in the midst of deplorable conditions when carrying out an undefined combat mission, the Americans--by their very nature--are fun-loving and compassionate people.

Report of the Deputy Keeper of the Public Records Great Britain. Public Record Office,1878

RECIPES CHANGE Michael Sabella,2021-05-12 There are classical recipes that never change, cutting-edge recipes that are trendy, and then there are family recipes. Family recipes are handed down from generation to generation, but do they remain the same? Not always! Follow five generations of a Sicilian family through over one hundred years of cooking--mostly truth with a few fun, tall tales and a little pure fiction mixed in. Their story begins as fishermen in Sciacca, Sicily, during a time of turmoil. Luciano and his brothers took the twelve-dollar journey in the unsanitary steerage class aboard the *Iniziativa*, which left Naples in January 1890 bound for New York and crossed the states to San Francisco. It did not take Luciano long to learn that the streets were not paved with gold, but he worked hard and fished the San Francisco Bay and eventually helped his son, Antonino, open one of the first restaurants on Fisherman's Wharf. Recipes evolved over generations due to the availability of ingredients, social events, nutritional awareness, trends, and culinary tools. What was delicious in 1950 might be considered too calorie-dense in 1980. Over 150 family recipes through five generations reflect those changes while respecting the original heart and soul of each one.

Psicopatas no trabalho - Como identificar e se defender Dr. Paul Babiak,Dr. Robert D. Hare,2022-07-13 aul Babiak, um dos principais psicólogos organizacionais especialista em psicopatas corporativos, e Robert D. Hare, professor e pesquisador científico na área de psicopatia, apresentam uma visão reveladora e ensinam como nos proteger de psicopatas que podem estar mais perto do que imaginamos: no nosso local de trabalho! Na cultura popular, a imagem do psicopata geralmente é atribuída a alguém como Hannibal Lecter ou Jack, o Estripador. Mas, e quanto aos psicopatas que querem apenas dinheiro, poder, fama e ocupar altos cargos – onde eles estão? Bem, muitas vezes no mundo corporativo ao nosso redor. O perigo que eles apresentam pode não ser aparente de imediato por causa de sua capacidade de encantar, enganar e manipular e, embora não sejam necessariamente criminosos, sua natureza egoísta é com frequência destrutiva para as empresas em que trabalham. Então como podemos proteger a nós mesmos e nossas organizações em um ambiente que oferece condições perfeitas para que psicopatas sejam bem-sucedidos? Os pesquisadores Paul Babiak e Robert D. Hare se uniram para estudar o comportamento psicopata nas corporações e agora vão compartilhar resultados surpreendentes com você! Eles descobriram que o mundo corporativo moderno atrai psicopatas exatamente por ser mais flexível, um espaço no qual altos riscos podem significar altos lucros. Os psicopatas, por sua vez, podem ser vistos em uma empresa como salvadores e estrelas em ascensão, mas logo abusam da confiança dos colegas, manipulam supervisores e fragmentam o local de trabalho. Psicopatas no trabalho é uma visão convincente, assustadora e cientificamente sólida sobre como identificar essas pessoas no trabalho: qual tipo de empresas os atraem, como negociam o processo de contratação e como funcionam no dia a dia. Você aprenderá a se blindar contra eles ao conhecer suas técnicas de manipulação “instintiva” – para avaliar alvos em potencial, controlar vítimas influentes e abandonar aquelas que deixaram de ser úteis – e seus processos de negócios como contratação, comando e controle político, além de sucessão executiva. É uma leitura obrigatória para qualquer pessoa do meio corporativo, já que revela os sutis sinais de alerta acerca do comportamento psicopata e ensina você a proteger a si mesmo e sua empresa – antes que seja tarde demais.

Seeing MAD Judith Yaross Lee,John Bird,2020-11-16 “Seeing Mad” is an illustrated volume of scholarly essays about the popular and influential

humor magazine Mad, with topics ranging across its 65-year history—up to last summer’s downsizing announcement that Mad will publish less new material and will be sold only in comic book shops. Mad magazine stands near the heart of post-WWII American humor, but at the periphery in scholarly recognition from American cultural historians, including humor specialists. This book fills that gap, with perceptive, informed, engaging, but also funny essays by a variety of scholars. The chapters, written by experts on humor, comics, and popular culture, cover the genesis of Mad; its editors and prominent contributors; its regular features and departments and standout examples of their contents; perspectives on its cultural and political significance; and its enduring legacy in American culture.

Insiders' Guide to North Carolina's Central Coast and New Bern Martha L. Hall,Tabbie Nance,2008-05 New Look for Insiders’ Guide Series We’ve rolled-out a new design this year for the highly popular Insiders’ Guide series. This acclaimed travel series that has sold more than a million copies boasts a new look, focusing on high-end photography of each book’s subject. We’ve removed all text but the title from the cover, allowing for the cover photo to be the main focus. Each title’s spine will feature bright bands of color representing the breadth of travel our readers enjoy, and making for a striking appearance when books in the series are shelved together. Look for this eye-catching redesign at a bookstore near you!

The Gift of Violence Matt Thornton,Peter Boghossian,2023-04-11 In today's modern world, we are largely isolated from the kind of savagery our ancestors faced on a daily basis. Although violence was as natural to our evolutionary development as sex and food, it has become foreign to most of us: at once demonized and glamorized, but almost always deeply misunderstood. Our hard-earned and hard-wired instincts—our evolved and trained ability to survive and overcome violent encounters—have been compromised. Yet, as even a cursory look at news headlines or a police blotter will reveal, the threat of violent crime is ever-present, and those we've entrusted to protect us cannot always be relied upon. The Gift of Violence tells the story of this vulnerability and provides the average person with all the knowledge they need to reduce the likelihood of becoming a victim of violence and to increase their chances of surviving a violent encounter. Based both on the author's decades of experience teaching everyday people how to defend themselves and on a rational approach to the scientific data, The Gift of Violence offers clear, easy-to-remember lessons for people of all ages and abilities. It is designed to empower those who've been affected by violence or are concerned that they or their loved ones could be—in short, it was written to help good people become more dangerous to bad people. Every reader will be armed with the necessary knowledge to harness the power of violence for him- or herself—and, in the process, to be not just smarter and stronger but also safer.

The Nasty Bits Anthony Bourdain,2008-12-10 New York Times Bestseller The good, the bad, and the ugly, served up Bourdain-style. Bestselling chef and Parts Unknown host Anthony Bourdain has never been one to pull punches. In The Nasty Bits, he serves up a well-seasoned hellbroth of candid, often outrageous stories from his worldwide misadventures. Whether scrounging for eel in the backstreets of Hanoi, revealing what you didn't want to know about the more unglamorous aspects of making television, calling for the head of raw food activist Woody Harrelson, or confessing to lobster-killing guilt, Bourdain is as entertaining as ever. Bringing together the best of his previously uncollected nonfiction--and including new, never-before-published material--The Nasty Bits is a rude, funny, brutal and passionate stew for fans and the uninitiated alike.

Ultimate Glory David Gessner,2017-06-06 A story of obsession, glory, and the wild early days of Ultimate Frisbee. David Gessner devoted his twenties to a cultish sport called Ultimate Frisbee. Like his teammates and rivals, he trained for countless hours, sacrificing his body and potential career for a chance at fleeting glory without fortune or fame. His only goal: to win Nationals and go down in Ultimate history as one of the greatest athletes no one has ever heard of. With humor and raw honesty, Gessner explores what it means to devote one’s life to something that many consider ridiculous. Today, Ultimate is played by millions, but in the 1980s, it was an obscure sport with a (mostly) undeserved stoner reputation. Its early heroes were as scrappy as the sport they loved, driven by fierce competition, intense rivalries, epic parties, and the noble ideals of the Spirit of the Game. Ultimate Glory is a portrait of the artist as a young ruffian. Gessner shares the field and his seemingly insane obsession with a cast of closely knit, larger-than-life characters. As his sport grows up, so does he, and eventually he gives up chasing flying discs to pursue a career as a writer. Darkest Fear Cate Tiernan,2014-01-07 After the death of her parents, Vivi reunites with her long-lost family and learns more about her heritage as a haguara--a person who can shapeshift into a jaguar--

Fishead: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. Fishead : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Fishead : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Fishead Introduction

In todays digital age, the availability of Fishead books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fishead books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fishead books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fishead versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fishead books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can

access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fishead books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fishead books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fishead books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fishead books and manuals for download and embark on your journey of knowledge?

FAQs About Fishead Books

- 1. Where can I buy Fishead books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers:

- Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
- 2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
- 3. How do I choose a Fishead book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
- 4. How do I take care of Fishead books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
- 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
- 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
- 7. What are Fishead audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
- 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
