**Fit at Last** Ken Blanchard,Tim Kearin,2014-01-06 If you're like a lot of us, for years you've been making resolutions and promises about becoming physically fit. Despite all your good intentions, though, somehow it never quite goes according to plan. But you can break that cycle. In Fit at Last, bestselling business author Ken

Blanchard and fitness authority Tim Kearin show how Ken, at age seventy-three, finally was able to make lasting improvements in his health and fitness, including dropping over thirty pounds in a year. In each chapter, Ken shares the very personal story of his ups and downs—involving, among other things, a puppy, a Hawaiian tour bus full of widows, and a fifty-year college reunion—while Tim offers expert advice and wisdom gained from over forty years in the fitness industry. Following through on your efforts to get fit requires leadership—personal leadership. Early on, Ken realized the same concepts he'd been using for years to help people lead organizations also could help him stick to his program. Here, you'll learn how Ken and Tim applied the Situational Leadership II approach to set SMART goals, diagnose Ken's progress in each of the six core areas of fitness, and match them with the leadership styles necessary to get Ken to the next level in each area. Certainly there is a wealth of excellent fitness advice here—but ultimately, this is a book about commitment. People don't fail because they don't know what to do—they fail because they just don't do it. Using the tools in this book, you'll be able to move from simply being interested in fitness to making a lasting commitment—one that will add a spring to your step, a smile to your face, and years to your life.

**Fit Fuel** ,2015-06-01 With the release of Fit Fuel: A Chef's Guide to Eating Well, Getting Fit and Living Your Best Life, Robert Irvine, translates his tough love tactics from the restaurant owner to the every day man and woman. Developed from the lifetime of training and nutritional knowledge of Chef Irvine, with support from distinguished fitness writer Matt Tuthill, Fit Fuel is designed to inspire the countless individuals who find themselves struggling to find the motivation to reach their personal health and fitness goals. The book is segmented into three distinct sections, the first of which examines the mental aspect of goal setting, habit forming and long-term maintenance. Here, Chef Irvine provides encouraging, digestible ideas of how to change the way we see and think about food, our selves, and our own unlimited potential. Just as he's done in season after season of Restaurant Impossible, Chef Irvine provides readers with the same no-excuses encouragement and mental coaching in Fit Fuel, motivating with tools, resources and inspiration every step of the way. The second section of the book focuses on training, with an easy-to-follow plan, demonstrated through A and B photography and well-defined techniques that the 49-year-old British Royal Navy veteran considers fundamental to his own lean and muscular physique. In its final section, Fit Fuel goes on to reveal recipes for breakfast, lunch, dinner, and dessert, all illustrated with realistic photography and step-by-step instructions. Few dishes or main ingredients are overlooked, despite their unmerited reputations as "no-no" foods. From pancakes to salads, beef to fish, Chef Irvine challenges the idea of good vs. bad as it pertains to the everyday diet, even sharing a handful of recipes to satisfy sweet tooth and emphasize the fact that healthy eating does not require deprivation.

**Fit Soul** Ben Greenfield, 2020-12-20 Do you sometimes feel that no matter how much wealth you accumulate, toys you own, friendships you make or physical and mental mountains you conquer, you're still at the end of the day unfulfilled - with a gnawing deep down inside that something is still missing or that you're meant for something greater than what you're doing right now? You're not alone. That loss of direction, purpose and deep, fulfilling meaning is absent in the lives of some of the most successful or fit people you'll ever meet. Over the past several years, as Ben has repeatedly witnessed in both himself and others the ultimate unfulfillment of a sole focus upon

carnal, fleshly pursuits, and as he's observed great thinkers and philosophers while continually seeking wisdom, he's become increasingly convinced that caring for one's spirit is as important-no, actually far more important-than caring for one's body and brain. But after your muscles have atrophied, your skin has sagged, your brain has degraded and accumulated with plaque, your blood vessels have become clogged, and your nerves have become weakened-long after your relentless pursuit of fitness or health or longevity has become a vain effort-your spirit can be just as strong and as bright as ever. How about you? Have you gained the world yet left your soul behind? Do you feel like that most important part of you - your soul - is shrunken, neglected and unfit? Do you crave for more meaning, purpose and fulfillment in your life? Then this book - *Fit Soul* - was written exactly for you. Within the pages - written in a practical, easy-to-understand way with tips, tricks, strategies and solutions that will be simple to implement within your own life - you'll discover everything you need to know to care for your soul, attain true spiritual fitness, discover union with God and find the happiness you have always craved for and deserve.

**Stay Fit for Life: Everything You Need to Get a Slim, Fit and Healthy Body** Patricia Williams, It is only natural for anyone to believe that weight loss is such a simple process to accomplish. There are many advertisements presented on television that gives quick and easy solutions to losing weight. They are guaranteed to work and, of course, they do. However, they don't work for your whole life. Fortunately, weight loss is a simple process but, unfortunately, it takes time. The fact that the so-called specialists are giving you the quick and easy method is so they can leach money off of you. If you want a healthier way to lose weight and to stay fit for the rest of your life, then moving towards the natural way is the one that you should be looking for. This book will be giving you advice on weight loss and how to stay fit throughout your life so you can throw away your diet pills and pointless weight loss programs that you've been subscribing too.

*From Fat to Fit* Carole Carson, 2007 This guide chronicles how one woman's very public journey to lose weight mushroomed into a community quest to get fit. At the age of 60, Carole Carson broke the taboo of speaking about obesity when she openly admitted her shame and guilt about being fat and out of shape on the front page of the local newspaper. As she recounted her transformation from butterball to butterfly in a weekly newspaper column, she gradually inspired more than 1,000 people in her Northern California community to join her. People who had struggled with weight loss and fitness suddenly found that when they joined with their friends and neighbors they could accomplish together what they could not do by themselves. They learned a completely new way of living and discovered that getting fit was fun and in the process lost the equivalent of a school bus! Through the guide's seven-step process, among other practical strategies and resources, readers will find a framework for duplicating the Nevada County Meltdown's successes in their respective communities—their congregation, their office, their friends and family—realizing the power of partnership and revitalizing their ties with each other.
