Dan Wells

Fragments Binjamin Wilkomirski,1996 Memoir of a small boy who was separated from his family at the age of three or four-years-old after his father was killed during a round-up of Jews in Latvia, and was sent to the Majdanek death camp where he was discovered by Allied soldiers in 1945.

Fragments Jeffry W. Johnston,2007-01-09 Chase wishes he could remember the events of his accident, but when the memories begin to come back in his dreams, Chase must face the reality of his past and finally deal with the part he played in the tragic event.

Fragment Warren Fahy,2009-06-16 Aboard a long-range research vessel, in the vast reaches of the South Pacific, the cast and crew of the reality show Sealife believe they have found a ratings bonanza. For a director dying for drama, a distress call from Henders Island—a mere blip on any radar—might be just the ticket. Until the first scientist sets foot on Henders—and the ultimate test of survival begins. For when they reach the island’s shores, the scientists are utterly unprepared for what they find—creatures unlike any ever recorded in natural history. This is not a lost world frozen in time; this is Earth as it might have looked after evolving on a separate path for half a billion years—a fragment of a lost continent, with an ecosystem that could topple ours like a house of cards.

Fragments Marilyn Monroe,2012-10-16 Fragments is an event—an unforgettable book that will redefine one of the greatest icons of the twentieth century and that, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity. Marilyn's image is so universal that we can't help but believe we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety—and by the way the camera fell helplessly in love with her. Beyond the headlines—and the too-familiar stories of heartbreak and desolation—was a woman far more curious, searching, witty, and hopeful than the one the world got to know. Now, for the first time, readers can meet the private Marilyn and understand her in a way we never have before. Fragments is an unprecedented collection of written artifacts—notes to herself, letters, even poems—in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. Jotted in notebooks, typed on paper, or written on hotel letterhead, these texts reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life, but also playful, funny, and impossibly charming. The easy grace and deceptive lightness that made her performances indelible emerge on the page, as does the simmering tragedy that made her last appearances so affecting.

Sound Fragments Noel Lobley,2022-04-19 Winner of IASPM Book Prize, given by IASPM, 2023 This book is an ethnographic study of sound archives and the processes of creative decolonization that form alternative modes of archiving and curating in the 21st century. It explores the histories and afterlives of sound collections and practices at the International Library of African Music. Sound Fragments follows what happens when a colonial sound archive is repurposed and reimaged by local artists in post-apartheid South Africa. The narrative speaks to larger issues in sound studies, curatorial practices, and the reciprocity and ethics of listening to and reclaiming culture. Sound Fragments interrogates how Xhosa arts activism contributes to an expanding notion of what a sound or cultural archive could be, and where it may resonate now and in future.

Fragments of the Lost Megan Miranda,2017 Even though she thinks Caleb's mom blames her for his accidental death two months ago, Jessa agrees to pack up her ex-boyfriend's bedroom, but every item she touches makes Jessa question what she knows about his death, his family, and their year-long relationship.

Fragments of Your Ancient Name Joyce Rupp,2011-04-11 With over one million books sold in her career, Joyce Rupp presents her newest undertaking: a unique collection of daily meditations that draw from Christian, Jewish, Muslim, Hindu, and other sources, offering wisdom and insight about the God who is beyond all names. Bestselling author Joyce Rupp once again proves herself a wise and gentle spiritual midwife, drawing forth 365 names of God from the world’s spiritual treasury. Fragments of Your Ancient Name—whose title comes from a poem by German mystic Rainer Maria Rilke—assembles a remarkable collection of reflections for each day of the year. This unique and profound devotional will heighten awareness of the many names by which God is known around the world. Whether drawing from the Psalms, Sufi saints, Hindu poets, Native American rituals, contemporary writers, or the Christian gospels, Rupp stirs the imagination and the heart to discover a new dimension of God. Each name is explored in a ten-line poetic meditation and is complemented by a simple sentence that serves as a reminder of the name of God throughout the day.

Fragments Elena Ferrante,2012-08-14 Elena Ferrante is the bestselling author of The Days of Abandonment, which the New York Times described as “stunning,” Troubling Love, and The Lost Daughter. Her most recent novel, the first in a trilogy, is My Brilliant Friend . Frantumaglia is a collection of interviews and letters in which she discusses her controversial decision to remain out of the public eye, her thoughts on the art of writing, and the authors and books she admires. It is a free eGift from Europa Editions.

Fragments David Tracy,2020-04-06 David Tracy is widely considered one of the most important religious thinkers in North America, known for his pluralistic vision and disciplinary breadth. His first book in more than twenty years reflects Tracy’s range and erudition, collecting essays from the 1980s to 2018 into a two-volume work that will be greeted with joy by his admirers and praise from new readers. In the first volume, Fragments, Tracy gathers his most important essays on broad theological questions, beginning with the problem of suffering across Greek tragedy, Christianity, and Buddhism. The volume goes on to address the Infinite, and the many attempts to categorize and name it by Plato, Aristotle, Rilke, Heidegger, and others. In the remaining essays, he reflects on questions of the invisible, contemplation, hermeneutics, and public theology. Throughout, Tracy evokes the potential of fragments (understood both as concepts and events) to shatter closed systems and open us to difference and Infinity. Covering science, literature, philosophy, psychoanalysis, and non-Western religious traditions, Tracy provides in Fragments a guide for any open reader to rethink our fragmenting contemporary culture.

The Fragments Toni Jordan,2018-10-29 From the award-winning, bestselling author of Addition and Nine Days, a superbly crafted and captivating literary mystery about a lost book and a secret love.

Global Fragments Eduardo Mendieta,2012-02-01 Philosophical explorations of the processes of globalization, particularly in the context of Latin America.

Fragments Dan Wells,2014-03-11 Author Dan Wells is back with the sequel to the sci-fi blockbuster Partials, which Pittacus Lore called a thrilling sci-fi adrenaline rush, with one of the most compelling and frightening visions of Earth's future I've seen yet. After discovering the cure for RM, Kira Walker sets off on a terrifying journey into the ruins of postapocalyptic America and the darkest desires of her heart in order to uncover the means—and a reason—for humanity's survival. Dan Wells extends his richly imagined, gritty world and introduces new memorable characters in this second installment in the Partials Sequence.

Fragments Jachrys Abel,2020-11-22 Fragments explores various facets of humanity through eight short stories-each of different subject matter, but with a shared undercurrent of what can best be described as honest humanness. There's a gravedigger's uptake of a small favor for his brother, a young boy teaching his friend how to survive in a haunted house, and a valiant king's attempt to escape the clutches of death. There's also the arduous endeavor of a nameless boy to prove his existence, and a young girl's tortured wait for her partner's return home. The daughter of a scientist uncovers why exactly the ocean waves, while a defunct human does penance for calculated murder. The collection then ends off with a rework of the author's first ever published short which first appeared in literary magazine, Catch The Moment: a tale of how an invalid flees when his home is sieged, dragging along with him the village leader and her trusted advisor. Fragments is Jachrys' first self-published collection of short stories. His other works have appeared in numerous literary publications, of which include Catch The Moment; The Writing Cooperative; The Ascent; The Bad Influence; Storymaker; and Literally Literary.

Fragments Shalom Lappin,Elabbas Benmamoun,1999-01-28 This volume contains essays on ellipsis -- the omission of understood words from a sentence -- and the closely related phenomena of gapping. This volume presents work by leading researchers on syntactic, semantic and computational aspects of ellipsis. The chapters bring together a variety of theoretical perspectives and examine a range of cross-linguistic phenomena involving ellipsis in Japanese, Arabic, Hebrew, and in English. This volume will be of interest to syntacticians, semanticists, computational linguists, and cognitive scientists.

Atomic Fragments Mary Palevsky,2000-06-29 Scientists Hans Bethe, Edward Teller, Joseph Rotblat, Herbert York, Philip Morrison, and Robert Wilson, and philosopher David Hawkins, responded to Palevsky's personal approach in a way that dramatically expands their previously published statements.--BOOK JACKET.

Fragments of Light Michele Phoenix,2020-07-14 An impossible decision in the chaos of D-Day. Ripples that cascade seventy-five years into the present. And two lives transformed by the tenuous resolve to reach out of the darkness toward fragments of light. Cancer stole everything from Ceelie—her peace of mind, her selfimage, perhaps even her twenty-three-year marriage to her college sweetheart, Nate. Without the support of Darlene, her quirky elderly friend, she may not have been able to endure so much loss. So when Darlene’s own prognosis turns dire, Ceelie can’t refuse her seemingly impossible request—to find a WWII paratrooper named Cal, the father who disappeared when Darlene was an infant, leaving a lifetime of desolation in his wake. The search that begins in the farmlands of Missouri eventually leads Ceelie to a small town in Normandy, where she uncovers the harrowing tale of the hero who dropped off-target into occupied France. Alternating between Cal’s D-Day rescue by two French sisters and Ceelie’s present-day journey through trial and heartbreak, *Fragments of Light* explores a timeless question: When life becomes unbearable, will you surrender to the darkness or dare to press toward a lingering light? Praise for *Fragments of Light* “Michèle Phoenix skillfully explores the strength and resiliency of the human spirit but also its heartbreaking limits. Brimming with expertly researched wartime details, *Fragments of Light* abounds with poignancy and insight.” —Susan Meissner, bestselling author of *The Last Year of the War* “As a D-Day Airborne participant, I recommend this novel with enthusiasm. Everyone should read it.” —Staff Sergeant Thomas Rice, WWII Veteran, 101st Airborne “Michele Phoenix’s *Fragments of Light* is a luminous portrait of men and women grappling with the past in a brave attempt to forge a different kind of future . . . A story as beautiful as it is heartbreaking. In short, I loved this book!” —Lauren Denton, USA TODAY bestselling author of *The Hideaway* “Deeply personal and beautifully humane, Phoenix once again asserts her power as one of the most moving and lyrical voices in inspirational fiction.” —Rachel McMillan, author of *The London Restoration* “Written with depth and understanding, this story offers readers a wonderful journey spanning from war-torn World War II France to a battle for love in our time.” —Katherine Reay, bestselling author of *Dear Mr. Knightley* “As the title suggests, there are no easy illuminations on the path of healing. Cancer attacks more than the body. War destroys more than flesh and bone. Not all heroes welcome the attention, and not all husbands are up to the challenge. Women find the most unlikely sources of strength, and the best families defy definition.” —Allison Pittman, bestselling author of *The Seamstress* “It’s not often a story moves me as *Fragments of Light* has. With a rare and honest voice, Michèle Phoenix weaves a story of heroes from yesteryear and also those from your neighborhood—each with hearts of valor—as they endure the fight of their lives.” —Elizabeth Byler Younts, Carol Award-winning author *The Solace of Water*

Memory Fragments Marita Bullock,2012 Taking as its starting point four contemporary visual artists whose work utilizes the conventions of museum display and collecting practices, *Memory Fragments* examines how these artists have reconfigured dominant representations of Australian history and identity, including viewpoints often marginalized by gender and race. Echoing Walter Benjamin's reflections on history and time, this interdisciplinary volume will be of interest to scholars working in the arts as well as modern and postmodern cultural studies.

Fragments of the City Colin McFarlane,2021-10-05 Pursuing fragments -- Pulling together, falling apart -- Knowing fragments -- Writing in fragments -- Political framings -- Walking cities -- In completion.

In Praise of Fragments Meena Alexander,2020 *In Praise of Fragments* is a collection of various and inter-related works, including a sequence of poems written about Venetian Jewish poet Sarra Copia Sulam (1592-1641), lyric essays about Venice, a suite of poems about Hyderabad, where Alexander lived for many years, and a series of brief sketches of memoir about her childhood in Kerala, the subject of her groundbreaking memoir *Fault Lines*. The writings are accompanied by a series of sumi ink drawings by Alexander and an afterword by Leah Suffrant.
