The Season Came To An End: Freestyle Brings Loneliness To A Crowded Dance Floor Maura Johnston,2012-03-24

Freestyle: A Graphic Novel Gale Galligan,2022-10-18 From New York Times bestselling author Gale Galligan, a fun, high-energy graphic novel about friendship, family, and the last hurrahs of middle school. Cory's dance crew is getting ready for a major competition. It's the last one before they graduate eighth grade and go their separate ways to high schools all over New York City, so they have to make it count! The group starts to have problems as their crew captain gets increasingly intense about nailing the routine, and things go from bad to worse when Cory's parents ground him for not taking his grades seriously. He gets stuck with a new tutor, Sunna, who he dismisses as a boring nerd... until he catches her secretly practicing cool yo-yo tricks. Cory wants to learn the art of yo-yo, and as his friendship with Sunna grows, he ends up missing practice and bailing on his crew -- and they are not happy about it. With mounting pressure coming from all sides, how is Cory supposed to balance the expectations of his parents, school, dance, and his new friend?

Freestyle for Life Latif Mercado,2011-05-24 Urban Latin Novel, based on Freestyle Music, a genre of music that originated in the 1980s

To the Break of Dawn William Jelani Cobb,2008-05 With roots that stretch from West Africa through the black pulpit, hip hop emerged in the streets of the South Bronx in the 1970s and has spread to the farthest corners of the earth. To the Break of Dawn uniquely examines this freestyle verbal artistry on its own terms. A kid from Queens who spent his youth at the epicenter of this new art form, music critic William Jelani Cobb takes readers inside the beats, the lyrics, and the flow of hip hop, separating mere corporate rappers from the creative MCs that forged the art in the crucible of the street jam. The four pillars of hip hop - break dancing, graffiti art, deejaying, and rapping - find their origins in traditions as diverse as the Afro-Brazilian martial art Capoeira and Caribbean immigrants' turnstile artistry.

Freestyle Sandra Beaulieu,2020-06-14 Music has long been part of esteemed equestrian traditions—consider the classical tones of the over-500-year-old Spanish Riding School and the Verdi purported to play at deafening volumes from the arena of Portuguese master Nuno Oliveira. Today we have sound systems that enable the most humdrum of riding lessons to become rhythmical dance

rehearsals. And on the Olympic stage, the very best in international talent compete to discover which exquisitely choreographed performance is gold-medal-worthy. The musical “freestyle,” as it’s known, has become a form of equestrian display that draws large audiences in horse sports of every kind: dressage, Western dressage, and Cowboy Dressage; reining and liberty; breed classes and training competitions; drill teams and quadrilles. The use of music with horses is truly an art in itself—one that award-winning musical freestyle designer Sandra Beaulieu has perfected in her years of experience as a dressage competitor and professional entertainer. Here she provides everything readers need to know to enjoy freestyles of their own—whether for fun or for ribbons. Discover how to choose suitable music, explore choreography techniques, and learn basic music editing. Review required movements, then use Beaulieu’s expert suggestions for weaving them together. Plus, enjoy a section on preparing exhibition performances—complete with ideas for props and costumes. With plenty of advice for practice as well as putting on a crowd-pleasing show, readers are sure to find all they need to begin the dance of a lifetime.

Freestyle Bea Paige,2023-03-25 From the gutter to the stars... Dance is in my blood. It's what keeps me sane, out of trouble. It used to keep them out of trouble too. A group of boys I grew up with. Xeno, York, Zayn and Dax. We were a crew once and we ruled the clubs. Separate we were insanely good, together we were unbeatable. F*&ing on fire. I was their girl and they were my Breakers. Until they did something they promised they never would; break my heart. We were seventeen when they left me. You see, for kids like us, dance was all we had. Growing up in a rundown housing estate in London with no prospects can make you view the world differently. It can make you choose the wrong path. I chose dance, and they chose crime. Three years later I've won a scholarship to Stardom Academy. I try to forget my past. But how can I do that when the four boys who hurt me are back? And this time they're following in my footsteps and joining the academy too. **Freestyle is book one of this new gritty, contemporary romance for 17+ readers and deals with adult themes and some subjects you may find upsetting. If you love dance, your men on the criminal side, alpha hot holes and the friends-to-enemies-to-lovers trope, this is for you. Contains foul language and sexual scenes and ends on a cliffhanger.**

Moto X Freestyle Patrick G. Cain,2017-01-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Did you know that top motocross freestyle pros race around a course doing as many awesome moves as they can before time's up? Some perform an amazing trick called a cliffhanger, where they touch their toes to their

bikes' handlebars while airborne.

The Art of Freestyle Eric Brymer, Tom Hughes, Loel Collins, 2000 This book is intended to be instructional, inspirational and of interest to both novice and expert alike. The assumption is made that to even begin to playboat the paddler will already be an intermediate white water boater familiar with basic strokes and boating skills. For the interested non paddler a glossary of terms is included. Part One gives an overview of the sport and lays the foundations of understanding on which the rest of the book builds, as well as exploring safety issues and exploring key concepts. Part Two describes and coaches the moves which are divided into intermediate and advanced standard. Part Three looks at how to train in order to hone your physical and mental skills and be 'the best you can be'. Never before has so much freestyle, rodeo and playboating information from so many great boaters been gathered together in one place. In a world dominated by the biggest, the fastest, the loudest...the most big headed, this book makes a stand. Whilst of course covering all the latest moves, the authors have not been frightened to start right back at basic concepts. Technical ability is nothing without knowledge, without planning and without stamina. This book tells you the secrets. Freestyle is a thinking person's sport. The authors, the contributors and the book's publisher have an unrivalled breadth of knowledge in this field, so let this book do some of the thinking for you. The full colour format and the emphasis on personal training and coaching make for a particularly easy read. When planning my preparation or training before a competition, I always try to evaluate its potential benefits in terms of how many places it will have helped me move up in the final results. As a general rule in life, any time spent off the water should be viewed with suspicion! However, use this time constructively and absorb the information in this book and you will reap your own rewards. The Art of Freestyle is a book genuinely written by paddlers for paddlers. It is often a hard task to get top athletes to part with their preferred training or competition techniques, but this book is full of such 'Top Tips'. This is not a book written just by its authors, but by a wealth of accomplished paddlers. It is this subtle combination that keeps the reader in the real world...believing in a move, not just imagining it. This is the real world...believe you can do it.

BMX Freestyle Thomas K. Adamson, 2015-08-01 A sport created with racing in mind evolved into what we now know as BMX freestyle. Now more durable and sturdy, these bikes can support an ambitious biker. With spinning handlebars and pegs for fancy footwork, these athletes will surely impress. Ride along in this active title for reluctant readers.

Rising Freestyle Vivian Arend, 2018-03-13 From New York Times bestselling author Vivian Arend.

Stuck between a rock-solid man and a hard place... Melanie Dixon's body may have recovered from a horrific climbing accident, but her nerve is long gone. So is the natural enthusiasm for life she took for granted. Tired of being scared, beyond ready to conquer her fears, she pulls up stakes and moves to her brother's new hometown to start over. Her first step is the most terrifying—to tackle the wall at the local climbing center. Derrick James is mesmerized by Melanie's dark beauty, and equally impressed with her climbing abilities and determination. Watching her re-tune rusty skills spurs a desire to partner with her—on and off the ropes. Melanie's a compelling mix of wit, sensuality and vulnerability, and it's his delicious task to convince her the scars on her body are no match for the heat rising between them. Then a man from Melanie's past shows up, pushing their relationship to the edge. Nathan King wants photographs for a "where are they now" series, but his side agenda is more personal in nature. A proposal that brings her out of her sensual shell and onto a precarious sexual ledge. Where trust is crucial...and too easily shattered. Previously published in 2011. Keywords: Canadian Author, contemporary, red-hot, small town, adventure For readers who enjoy Lorelei James, Cat Johnson, Jennifer Ashley, and Jill Sorenson.

Avalanche Freestyle Scott Ciencin, 2010-07 When Tony Jay realizes his biggest competition, Jack Hewitt, can't afford to enter the Silver Falls snowboarding competition he agrees to hold a freestyle contest with Jack atop Silver Falls Mountain.

Freestyle Fun Blake Hoena, 2018-08 Jason is ready to win the famous golden fenders, but it's not going to be easy. He has to take on the likes of Perseus and The Hydra in a freestyle event. While he is doing wheelies and donuts, one evil official is trying to make sure Jason gets crushed by his completion. ThunderTrucks combines Greek mythology and monster trucks, using action-packed text in the early chapter book format to keep young readers racing to finish. A glossary, author and illustrator bios, and additional Greek myth information round out these exciting early chapter books.

Motocross Freestyle Tina P. Schwartz, 2004 Describes the sport of freestyle motocross, including the major competitions, stunts, and athletes involved.
