The Censor's Notebook Liliana Corobca, 2022-11-08 A fascinating narrative of life in communist Romania, and a thought-provoking meditation on the nature of literature and censorship. Winner of the 2023 Oxford Weidenfeld

Translation Prize A Censor's Notebook is a window into the intimate workings of censorship under communism, steeped in mystery and secrets and lies, confirming the power of literature to capture personal and political truths. The novel begins with a seemingly non-fiction frame story—an exchange of letters between the author and Emilia Codrescu, the female chief of the Secret Documents Office in Romania's feared State Directorate of Media and Printing, the government branch responsible for censorship. Codrescu had been responsible for the burning and shredding of the censors' notebooks and the state secrets in them, but prior to fleeing the country in 1974 she had stolen one of these notebooks. Now, forty years later, she makes the notebook available to Liliana, the character of the author, for the newly instituted Museum of Communism. The work of a censor—a job about which it is forbidden to talk—is revealed in this notebook, which discloses the structures of this mysterious institution and describes how these professional readers and ideological error hunters are burdened with hundreds of manuscripts, strict deadlines, and threatening penalties. The censors lose their identity, and are often frazzled by neuroses and other illnesses.

The Unbearable Book Club for Unsinkable Girls Julie Schumacher,2012-05-08
I'm Adrienne Haus, survivor of a mother-daughter book club. Most of us didn't want to join. My mother signed me up because I was stuck at home all summer, with my knee in a brace. CeeCee's parents forced her to join after cancelling

her Paris trip because she bashed up their car. The members of The Unbearable Book Club, CeeCee, Jill, Wallis, and I, were all going into eleventh grade A.P. English. But we weren't friends. We were literary prisoners, sweating, reading classics, and hanging out at the pool. If you want to find out how membership in a book club can end up with a person being dead, you can probably look us up under mother-daughter literary catastrophe. Or open this book and read my essay, which I'll turn in when I go back to school.

Imagery On Fabric Jean Ray Laury,2010-11-05 Jean Ray Laury takes the reader step-by-step through techniques and technology for transferring images to fabric, with full-color photos and information on how to safely accomplish beautiful results. She leaves nothing unexplained about these methods and products. Lettering, photos, drawings - the possibilities are endless. Included are detailed explanations and complete material lists for each process, along with troubleshooting tips that provide tested solutions for any problems you may encounter. Topics cover working with copiers and computer printers, drawing and painting, dye transfers, silk screening, stamp

printing, discharge printing, high-sensitive processes, and Polaroid. This classic text is an indispensable reference and sourcebook for anyone working with textiles.

Success Runs in Our Race George C. Fraser, 2009-05-05 A completely updated and revised edition of a bestselling book that has helped tens of thousands of people learn how to network effectively, *Success Runs in Our Race* is more important than ever in this fluctuating economy. With scores of anecdotes taken from interviews with successful African Americans -- from Keith Clinkscales, founder and former CEO of Vanguard Media, to Oprah Winfrey -- Fraser shows how to network for information, for influence, and for resources. Readers will learn, among other things, how to cultivate valuable listening skills, which conferences blacks are most likely to attend when looking to build their business network, and how to effectively circulate a résumé. More than a guide for personal achievement, this is an information-packed bible of networking that also seeks to inspire a social movement and a rebirth of the Underground Railroad, in which successful African Americans share the lessons of self-determination and empowerment with those still struggling to scale the ladder of success.

Off Beat Jan Hein Hoogstad, Birgitte Stougaard Pedersen, 2013-08-01 *Off Beat: Pluralizing Rhythm* draws attention to rhythm as a tool for analyzing various cultural objects. In fields as diverse as music, culture, nature, and economy, rhythm can be seen as a phenomenon that both connects and divides. It suggests a certain measure with which people, practices, and cultures may comply. Yet, for this very reason rhythm can also function as a field of exclusion, contestation, and debate. In that respect, rhythm possesses an underestimated meaning-creating potential. Whereas its connecting force is often accentuated in the aesthetic, political, and commercial usage of the term, the divisive aspect of rhythm is at least as important. This volume wants to rid rhythm of its harmless, nearly esoteric, reputation as a cosmic unifier by understanding it in the light of the contemporary medial turn. In the present collection of essays, we have encouraged approaches that combine political, aesthetic, musical, and theoretical dimensions of rhythm. Jan Hein Hoogstad is Assistant Professor in Comparative Literature and Cultural Analysis at the University of Amsterdam, the Netherlands. Birgitte Stougaard Pedersen is Associate Professor in the Section for Aesthetics and Culture, Department of Aesthetics and Communication, Aarhus University, Denmark.

Bake, Borrow, and Steal Ellie Alexander, 2021-12-28 Ellie Alexander's *Bake, Borrow, and Steal*, the most delicious installment yet in the *Bakeshop Series* set in Ashland, Oregon! As the autumnal hues of November fall over the Shakespearean hamlet of Ashland, Oregon, Jules and her team at Torte are

working on their biggest event ever. They've been invited to create chocolate showpieces for the gala opening of a new exhibit, Shakespeare's Lost Pages at SOMA. The museum, located on the campus of Southern Oregon University, is getting ready to unveil the Bard's lost manuscript, Double Falsehood, which is being touted as the greatest artistic discovery of modern times. In addition to molding luscious, silky chocolate into magnificent structures, Torte will be serving an authentic Elizabethan feast straight from the pages of a sixteenth century cookbook featuring Lardy cakes, Frangipane tarts, and jellies with chestnut cream. Jules has underestimated the amount of work required to pull off such a culinary feat. She finds herself in the strange position of feeling frazzled and stressed as the day of the gala approaches. However, her team rallies around her and once the massive works of chocolate art are safely installed at the museum, she can finally let out a sigh of relief and revel in the excitement of the grand celebration. But her relief is short-lived. Right before the unveiling, news quickly begins to spread that Shakespeare's lost manuscript is missing. Not only that, but the security guard tasked with keeping the priceless artifact safe has been killed. Is this a case of a heist gone terribly wrong? Or could it be that a killer is lurking in the museum archives?
