Frenzy Robert Liparulo, 2010-11-29 Their destiny is to fix history. Their dream is to get home. When you live in a house that's really a gateway between past and present, you have to be ready for anything. It's a painful fact the Kings have faced since moving to Pinedale eight days ago. Desperately trying to rescue their mother from an unknown time and place, brothers Xander and David have lunged headlong into the chaos of history's greatest—and most volatile—events. But their goal has continually escaped their grasp. And worse: Finding Mom is only a small part of what they must do, thanks to the barbaric Taksidian. His ruthless quest to sieze their house and its power from them has put not only the family, but all of mankind, in grave danger. Somehow, the key to it all hinges on Uncle Jesse's words to the boys: Fixing time is what our family was made to do. But how can they fix a world that has been turned updisde down—much less ever find their way home? At long last, the secrets of the house and the King family are revealed in the stunning conclusion to this epic series.

The Frenzy Francesca Lia Block, 2010-09-28 Love is a werewolf, influenced by the moon and terror, and always about to change. Liv has a secret. Something happened to her when she was thirteen. Something that changed everything. Liv knows she doesn't belong anymore—not in her own skin, not in her family . . . not anywhere. The only time she truly feels like herself is when she's with her boyfriend, Corey, and in the woods that surround her town. But in the woods, a mysterious woman watches Liv. In the woods, a pack of wild boys lurks. In the woods, Liv learns about the curse that will haunt her forever. The curse that caused the frenzy four years ago. And that may cause it again, all too soon. While Corey and Liv's love binds them together, Liv's dark secret threatens to tear them apart as she struggles to understand who—or what—she really is. And by the light of the full moon, the most dangerous secrets bare their claws. . . .

Frenzy John Lutz, 2013-09-30 A half dozen bodies in a hotel room lead an ex-NYPD detective into danger in a tale of “white-knuckle suspense” by the New York Times-bestselling author (Booklist). Pretty Maids All In A Row Six

dead women in a hotel room. Five of them students, still in their teens. Tied up. Tortured. The NYPD recognizes the suspect's signature—three bloody initials carved into each victim's forehead. Ex-cop Frank Quinn has faced this madman before. Both bear scars from their last encounter. Killer and cop, hunter and prey...In a deadly game of matched wits, only one can prevail. It's not just about who gets killed. It's about who will survive . . . Praise for the writing of John Lutz "Lutz offers up a heart-pounding roller coaster of a tale." —Jeffery Deaver "A major talent." —John Lescroart "Among the best." —The San Diego U-T

Frenzy V. Chambers, 2013-09-24 Cori Donovan is dead. When she was alive, she was a bundle of opposites. She was a freshman college honors student. She wrote poetry and plays. And she sold ecstasy on the side. She slept around. Molly Colligan moves into Cori's old room, starting the spring semester at a new school, hoping to escape from the dark secrets of her past. But it seems that darkness follows her. Cori may be gone, but her absence seems to saturate everything in Molly's new life. Before long, Molly finds herself using the same drugs that Cori used, hanging out with same people Cori hung out with, kissing the same boys that Cori kissed, and ultimately in trouble with the same dangerous people that Cori knew. Levi Reed, Cori's drug dealing partner, wanted to use Cori's connections to get close to the mysterious Professor X, the biggest ecstasy cook this side of the Atlantic. Now that Cori's gone, he figures Molly's the next best thing. Using her gets tougher when he realizes he just might care about her. But he has his own past and his own secrets, and he can't get involved with a girl like Molly. However, they're both twisted up in Cori's past now, and to get free, they must untangle her secrets—without getting caught on the snags of their own.

Frenzy Casey Bond, 2016-01-29 After the world was ravaged by a viral apocalypse, Blackwater is one of the only colonies that remains. The survivors came together to create this safe haven. Nestled between a fierce river and a city's flood wall, the well-being of its residents hangs on a long-established treaty with the night-walkers. Sounds simple enough, but lately, the people of Blackwater have been dying, and the humans believe the night-walkers are to blame. Porschia Grant starves for more than her parents' affection. Forced to enter the rotation, she will be given extra food rations in exchange for becoming a vampire's breakfast and dinner for a week. The rotation has an extra responsibility as well: leave the colony and enter the dangerous forest to hunt for food. A night-walker will protect the hunters from the infected that roam the woods. But with the treaty hanging in the balance and tension between the humans and vampires rising, anything could happen in the darkness. What would you do if your only chance at survival might kill you?

Forever Frenzy Casey Bond, 2016-12-30 Everything in Porschia Grant's world was finally normal; the daily routine peppered with moments of happiness, sadness, and monotony. She longs for those moments now, because her entire world has been wrecked, and she didn't even see it coming. An evil escaped the underworld, killing someone she loves. It has to die, and she wants to be the one to end it. But can Porschia live with herself if she takes on the curse she once hated? Will the consequences of her choice crush her? How will she feel when someone from her past, someone she loved so deeply, enters her life again? Tage has been guiding his son from the afterlife. He's always been a part of Seth's life, even if Porschia didn't know the extent of his involvement. He's watched over both of them from afar. Close, but never close enough. Now they need him, and he's about to risk everything to show her how much she still means to him. For some, love never ends and frenzy is forever.
