Full Asheritah Ciuciu,2017-01-03 Can the Bible help me with my food struggles? Have you ever felt stuck in a seemingly endless cycle of overeating, yo-yo dieting, and obsessive thoughts about food? Whether you feel defeated by your lack of self-control or overwhelmed by thoughts and longings for food, the answer to our food fixation does not lie in the \$500 billion global diet industry. This is not a diet book and it's not a healthy eating plan. Because at the core, our problem is not really what we eat. It's why we seek fullness in something that will never satisfy. Join Asheritah Ciuciu as she shares honestly about her own battles with food and reveals the path to freedom. You'll discover the joy of living free from food fixation so you can experience deeper satisfaction in Christ, gain a renewed sense of purpose, and yes, even enjoy good food (without regret). A healthier relationship with food through a stronger relationship with Christ—that's the goal of Full. Includes a quiz to help you find out if you have food fixation, plus practical strategies for overcoming it.

Full of Heart J.R. Martinez,2012-10-30 An inspirational journey from tragedy to triumph In 2003, nineteen-year-old Private J.R. Martinez was on a routine patrol when the Humvee he was driving hit an antitank mine in Iraq, resulting in severe injuries and burns on his face and more than one-third of his body. Out of that tragedy came an improbable journey of inspiration, motivation, and dreams come true. In Full of Heart, Martinez shares his story in intimate detail, from his upbringing in the American South and his time in the Army to his recovery and the indomitable spirit that has made him an inspiration to countless fans. J.R. Martinez always had a strong spirit. Raised in Bossier City, Louisiana, and then Hope, Arkansas, by a single mother from El Salvador, he was well known at school for his good looks and his smart mouth. At seventeen, showing an early determination and drive that would become one of his trademark qualities, J.R. convinced his mom to move to Dalton, Georgia, where he believed he would have a better chance of being recruited to play college football. His positive attitude earned him a spot on a competitive high school football squad, but when his college dreams collapsed, he turned to the U.S. Army. A few months later, he found himself serving in Iraq. When J.R.'s humvee hit a mine and exploded—just one month into his deployment—he was immediately evacuated to a San Antonio medical center, where he spent the next thirty-four months in grueling recovery. Seeing his disfigured face for the first time after the accident threw him into a crushing period of confusion and anger. His spirits were low, until he was asked to speak to another young burn victim. J.R. realized how valuable and gratifying it was to share his experiences with other patients and listen to theirs. He'd found a calling. His fellow soldiers, along with the local and then national media, soon latched onto J.R.'s spirit and strength. His resilience, optimism, and charm were also noted by Hollywood and scored him roles on All My Children and Dancing with the Stars, where he was the season thirteen champion. Today, J.R. tours the country sharing his story and his lessons for overcoming challenges and embracing hope, lessons that abound in this book. Full of Heart is an unforgettable story of a man who never gave up on his dreams. After being injured in Iraq, J.R. Martinez became a motivational speaker, actor, and winner of season thirteen of Dancing with the Stars. Martinez lives in Los Angeles

Jacob's Room is Full of Books Susan Hill,2017-10-05 When we spend so much of our time immersed in books, who's to say where reading ends and living begins? The two are impossibly and gloriously wedded, as Hill shows in Jacob's Room Is Full of Books. Considering everything from Edith Wharton's novels through to Alan Bennett's diaries, Virginia Woolf and the writings of twelfth century monk Aelred of Rievaulx, Susan Hill charts a year of her life through the books she has read, reread or returned to the shelf. From beneath a shady tree in a hot French summer, or the warmth of a kitchen during an English winter, Hill reflects on what her reading throws up, from writing and writers to politics and religion, as well as the joy of dandies or the pleasure of watching a line of geese cross a meadow. Full of wry observations and warm humour, as well as strong opinions freely aired, this is a rare and wonderful insight into the rich world of reading from one of the nation's most accomplished authors.

The Full Cupboard of Life Alexander McCall Smith,2004-04-20 THE NO. 1 LADIES' DETECTIVE AGENCY - Book 5 Fans around the world adore the best-selling No. 1 Ladies' Detective Agency series and its proprietor, Precious Ramotswe, Botswana's premier lady detective. In this charming series, Mma Ramotswe—with help from her loyal associate, Grace Makutsi—navigates her cases and her personal life with wisdom, good humor, and the occasional cup of tea. Still engaged to the estimable Mr J.L.B. Matekoni, Mma Ramotswe understands that she should not put too much pressure on him, as he has other concerns, especially a hair-raising request from the ever persuasive Mma Potokwane, matron of the orphan farm. Besides Mma Ramotswe herself has weighty matters on her mind. She has been approached by a wealthy lady to check up on several suitors. Are these men interested in the lady or just her money? This may be a difficult case, but it's just the kind of problem Mma Ramotswe likes and she is, as we know, a very intuitive lady.

Full-Contact Leadership Edward Flood,Anthony Aвило,2017-07-17 Full-Contact Leadership is written for men and women who hold leadership positions or aspire to leadership roles in the fire service. There are many leadership positions in the fire service, but not all of them are held by leaders. Leadership has very little to do with the color of your helmet, the bling on your collar, the stripes on your sleeve, the title on your door, the order of march, or the crease in your pants. Full-contact leadership is a commitment to drawing out the very best within others and allowing the very best in others to be expressed as excellence. Full-contact leadership is a career-long, ever-challenging, never-ending, self-initiated, self-sustained personal research, development, and improvement program. Full-contact leadership is never about you; it's always about them. In Full-Contact Leadership, Chiefs Flood and Aвило examine what makes a leader and, more importantly, what makes a leader effective in today's fire service. This text discusses the various types of leaders, how they communicate, discipline, delegate, motivate, and set expectations for the people they lead. Flood and Aвило also take a hard look at what hinders or blocks effective leadership and what steps to take to foster and instill leadership in your department.

Full House Stephen Jay Gould,2011-10 Gould shows why a more accurate way of understanding our world is to look at a given subject within its own context, to see it as a part of a spectrum of variation and then to reconceptualize trends as expansion or contraction of this "full house" of variation, and not as the progress or degeneration of an average value, or single thing.
