second is Leah and Candace Leap Into Spring. Leah and Candace are neighbors, best friends, and students in Mrs. Casey’s third grade class at Nash Elementary. In Look Out, Fourth Grade, Mrs. Casey and her third grade class face a troubling sight in the auditorium where the class play is being set up. With only five days left before their performance of “The Emperor’s New Clothes,” there are oodles of problems that need to be fixed. As the third grade class gets closer to becoming fourth graders, Leah and Candace lead the way in helping their classmates overcome several difficulties. Leah and Candace still rely on their secret escape vehicle, the back seat of a 1957 Chevy, to get away from the stress that comes from trying to be good daughters, friends, and classmates. Not only do the girls work as a great support system for one another, but also for their friends and families. The two are a great team and push themselves to make the right choices.
