**FurScience!** Courtney N. Plante, Stephen Reysen, Sharon E. Roberts, Kathleen C. Gerbasi, 2016-06-01 The International Anthropomorphic Research Project is a group of social scientists conducting research to gain a better understanding of the furry fandom. In the present book we present the main findings from a variety of studies, including more than 10,000 furry participants, over the past five years. The book seeks to answer questions often asked about furies, such as what is a furry? Do furies really think they're animals? Is it true that all furies wear fursuits? Whether you've never heard of furies before or you've been a furry for decades, you're sure to learn something from this book.

**Furry Nation** Joe Strike, 2017-10-03 Winner of the 2017 Ursa Major Award for Best Non-Fiction Work! Furry fandom is a recent phenomenon, but anthropomorphism is an instinct hard-wired into the human mind: the desire to see animals on a more equal footing with people. It's existed since the beginning of time in prehistoric cave paintings, ancient gods and tribal rituals. It lives on today—not just in the sports mascots and cartoon characters we see everywhere, but in stage plays, art galleries, serious literature, performance art—and among furry fans who bring their make-believe characters to life digitally, on paper, or in the carefully crafted fursuits they wear to become the animals of their imagination. In *Furry Nation*, author Joe Strike shares the very human story of the people who created furry fandom, the many forms it takes—from the joyfully public to the deeply personal—and how Furry transformed his own life.

*A Furry Faux Paw* Jessica Kara, 2022-07-26 Sometimes Your Best Self Is Your Fursona Online, MauveCat (a cool, confident, glittering pixie cat) has friends and a whole supportive furry community that appreciates her art. At home, Maeve Stephens has to tiptoe around her hoarder mother's mood and mess. When her life is at its hardest, Maeve can always slip into Mauve, her fursona, and be "the happy one," the bubbliest, friendliest artist in her community—it's even how she made her best friend, Jade. With graduation around the corner, Maeve is ready to put her lonely school days behind her and move on with her life. And while her father hasn't been home since the divorce, he does offer her a dream come true: an all-expenses paid trip to the regional furry convention. Furrylympia will have everything Maeve's been missing—friends, art mentors, and other furies! So when her mother forbids her from going, Maeve decides to sneak out on her own. Between hitching a ride with Jade, getting a makeover from a young furry she inspired, and connecting with an art idol who could help her get into her dream school—the furcon is everything Maeve hoped for and more. A single weekend away shows Maeve how wonderful her life could be, but breaking free of the hoard means abandoning her mother, just like everyone else in their life. And Maeve isn't sure if she can—even if it destroys her, too.

Fan Identities in the Furry Fandom Jessica Ruth Austin,2021-08-26 Although definition can vary, to be a Furry, a person identifies with an animal as part of their personality; this can be on a mystical/religious level or a psychological level. In modern Western society having a spirit animal or animal identity can sometimes be framed as social deviance rather than religious or totemic diversity. Jessica Ruth Austin investigates how Furies use the online space to create a 'Furry identity'. She argues that for highly identified Furies, posthumanism is an appropriate framework to use. For less identified Furies, who are more akin to fans, fan studies literature is used to conceptualise their identity construction. This book argues that the Furies are not a homogenous group and with varying levels of identification within the fandom, so shows that negative media representations of the Furry Fandom have wrongly pathologized the Furies as deviants as opposed to fans.

This selected compilation provides an overview from 1784 through the 2010s, covering such popular novels as *Watership Down* and *Redwall*, along with forgotten gems like *The Stray Lamb* and *Where the Blue Begins*, and science fiction works like *Sundiver* and *Decision at Doona*.
