Black Fury #57 Kari Therrian, Charlton Group, 2015-04-22 Black Fury ----- known as the Wonder Horse - roamed the west, and his story was told in a terrific 1950's comic series. Over time Black Fury experienced adventure, saved lives, found and lost friends, and even raised a family. The comic reprints from Golden Age Reprints and UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available. Fury Salman Rushdie, 2010-12-10 Professor Malik Solanka, retired historian of ideas, irascible doll maker, and since his recent fifty-fifth birthday celibate and solitary by his own (much criticized) choice, in his silvered years found himself living in a golden age. Outside his window, a long humid summer, the first hot season of the third millennium, baked and perspired. The city boiled with money. Rents and property values had never been higher, and in the garment industry it was widely held that fashion had never been so fashionable. - from *Fury* From one of the world's truly great writers comes a wickedly brilliant and pitch-black comedy about a middle-aged professor who finds himself in New York City in the summer of 2000. Not since the Bombay of *Midnight's Children* have a time and place been so intensely captured in a novel. Salman Rushdie's eighth novel opens on a New York living at break-neck speed in an age of unprecedented decadence. Malik Solanka, a Cambridge-educated self-made millionaire originally from Bombay, arrives in this town of IPOs and white-hot trends looking, perversely, for escape. He is a man in flight from himself. This former philosophy professor is the inventor of a hugely popular doll whose multiform ubiquity - as puppet, cartoon and talk-show host - now rankles with him. He becomes frustratingly estranged from his own creation. At the same time, his marriage is disintegrating, and Solanka very nearly commits an unforgivable act. Horrified by the fury within him, he flees across the Atlantic. He discovers a city roiling with anger, where cab drivers spout invective and a serial killer is murdering women with a lump of concrete, a metropolis whose population is united by petty spats and bone-deep resentments. His own thoughts, emotions and desires, meanwhile, are also running wild. He becomes deeply embroiled in not one but two new liaisons, both, in very different ways, dangerous. Professor Solanka's navigation of his new world makes for a hugely entertaining and compulsively readable novel. *Fury* is a pitiless comedy that lays bare, with spectacular insight and much glee, the darkest side of human nature.

Dragon Fury Lisa McMann, 2021-01-26 Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond Artimé in the sixth novel in the New York Times bestselling sequel series to *The Unwanteds*, which Kirkus Reviews called "The Hunger Games meets Harry Potter." As the greatest army ever assembled in the seven islands flies to the land of the dragons, everyone's mind is haunted by the same thought: Thisbe Stowe betrayed them all. Thisbe struggles to regain the trust of her brother Aaron and the people of Artimé after one crucial mistake forces her to abandon her intricate plan against the Revinir. Aaron is devastated by Thisbe's actions and refuses to hear her explanation, feeling a sense of responsibility for the wrong she's done mixed with his own deep regret and fears over his dark history. Complicating things are Thisbe's conflicted feelings about the Revinir, leaving her wondering if she allowed herself to get too close to the dragon-woman...and if she really is more evil than good after all. Risking everything they'd fought for since first being declared Unwanted, the people, creatures, and statues of Artimé and their allies make a final desperate attempt to take down the Revinir and bring peace to their world. But is the Revinir too powerful to defeat? And...will the Artiméans ever find out what's behind that last secret door?

Typhoon Fury Clive Cussler, Boyd Morrison, 2018-10-30 THE NEW YORK TIMES BESTSELLER Juan Cabrillo and the crew of the Oregon sail into a perfect storm of danger when they try to stop a new world war in this thrilling novel from the #1 New York Times-bestselling grand master of

adventure. Hired to search for a collection of paintings worth half a billion dollars, Juan Cabrillo and the crew of the Oregon soon find themselves in much deeper waters. The vicious leader of a Filipino insurgency is not only using them to finance his attacks, he has stumbled upon one of the most lethal secrets of World War II: a Japanese-developed drug, designed, but never used, to turn soldiers into super-warriors. To stop him, the Oregon must not only take on the rebel commander, but a South African mercenary intent on getting his own hands on the drug, a massive swarm of torpedo drones targeting the U.S. Navy, an approaching megastorm, and, just possibly, a war that could envelop the entire Asian continent. “Cussler and Morrison take readers to the edge, at a pace so fast, you may find yourself needing oxygen.”—Suspense Magazine

In a country filled with unrest and on the verge of civil war, peaceful negotiation is not an option. Mack Bolan is sent in to keep a lid on the uprising and to find a way to free the hostages. Bolan soon discovers that the kidnapping is driven by a powerful ethnic-cleansing group with a deadly political agenda. With the clock ticking down to a mass genocide, Bolan's mission turns into a death trap. The hostage takers may be prepared to kill anyone who stands in their way, but the Executioner is ready to make the ultimate sacrifice while taking down any who attempt to stop him.

Perhaps for the final time, Gaius Octavian and his legions must stand against the enemies of his people. And it will take all his intelligence, ingenuity, and furycraft to save their world from eternal darkness...

Sound and Fury Dave Kindred,2006-03-10 Muhammad Ali and Howard Cosell were must-see TV long before that phrase became ubiquitous.

Individually interesting, together they were mesmerizing. They were profoundly different -- young and old, black and white, a Muslim and a Jew, Ali barely literate and Cosell an editor of his university's law review. Yet they had in common forces that made them unforgettable: Both were, above all, performers who covered up their deep personal insecurities by demanding -- loudly and often -- public acclaim. Theirs was an extraordinary alliance that produced drama, comedy, controversy, and a mutual respect that helped shape both men's lives. Dave Kindred -- uniquely equipped to tell the Ali-Cosell story after a decades-long intimate working relationship with both men -- re-creates their unlikely connection in ways never before attempted. From their first meeting in 1962 through Ali's controversial conversion to Islam and refusal to be inducted into the U.S. Army (the right for him to do both was publicly defended by Cosell), Kindred explores both the heroics that created the men's upward trajectories and the demons that brought them to sadness in their later lives. Kindred draws on his experiences with Ali and Cosell, fresh reporting, and interviews with scores of key personalities -- including the families of both. In the process, Kindred breaks new ground in our understanding of these two unique men. The book presents Ali not as a mythological character but as a man in whole, and it shows Cosell not in caricature but in faithful scale. With vivid scenes, poignant dialogue, and new interpretations of historical events, this is a biography that is novelistically engrossing -- a richly evocative portrait of the friendship that shaped two giants and changed sports and television forever.

On a NUMA training mission in the Caribbean, Kurt Austin and Joe Zavala catch a distress call from a nearby freighter. Leaping into action, they locate a damaged vessel and a dead captain clutching a shotgun. While searching the freighter for clues, Kurt and Joe are ambushed by crew members who seem terrified and disoriented, almost brainwashed. The trawler they were hauling has vanished, taken—the men say—by baffling lights that circled the ship. Kurt and Joe deduce that the men are suffering from Havana Syndrome, which deepens the mystery and raises the stakes. Soon, they're confronting Cuban mercenaries who plan to use magnificent modern airships to hijack a nuclear submarine—culminating in a life-or-death showdown in the skies.

Hell Hath No Fury Charles G. West, 2023-01-24 From acclaimed storyteller Charles G. West, the Spur Award-winning adventure that first introduced the legend of John Hawk, an army scout with a tracker's eye, a cowboy's grit—and his own brand of justice . . . Rarely has an author painted the great American West in strokes so bold, vivid, and true. —Ralph Compton To start their new life together, Jamie Pratt and his young bride join a westward wagon train bound for the Rocky Mountains. They get as far as Helena when their unscrupulous wagon master deserts them, leaving them as good as dead in a godforsaken, blood-scorched land. The other settlers agree to set stakes where they are, but Jamie and his bride press on toward the Bitterroot Valley, deep into Sioux territory. Jamie's brother, Monroe, enlists the legendary scout, John Hawk, to find them. A hardened veteran of the range, Hawk is living off the land in a little cabin on the Boulder River when Monroe comes begging for his help. To rescue Jamie and his bride, Hawk—and his guns—will come out fighting, riding fast and fierce into deadly odds. For any other man it's a suicide mission. For Hawk, delivering justice is what he was born to do . . . Winner of the 2018 Spur Award for Best Paperback Western
