Meree Dunya (My World): Punjabi Ghazal, Geet and Nazm F.K. Akhtar Ziai, F. Akhtar,2018-05-17 Any Punjabi speaker will confirm this: after a day of navigating through polite English; or perhaps formal Urdu or Hindi, there is nothing quite like the warm embrace of your mother tongue. This collection of Punjabi ghazal, geet and nazm, written in Urdu, ranges from simple village life, to the complex issues of industrial cities and world politics; from the intimacy of love and deep friendships to the savage alienation of divided communities, brought about by hatred and war. The common themes are man's human-ness, and of course, Punjabi. The book is a celebration of Punjabi, but also of the Urdu script in which it is written. For the inquisitive, who lack written knowledge of these languages, each poem has been translated into English, with the transliteration below it, to help you brush up on your linguistic skills. As Ziai sahib says, Whenever a few Punjabis get together The conversation flows in Punjabi

Book of GEET Paul Pantone, 2015-08-07 THE BOOK OF GEET is not just another science book. It delves into many aspects of freeing the world from pollution and energy control. I stopped counting the number of discoveries attributed to GEET in 2003. Back then, there were over 100. I thought it was time to validate all I could for students around the world and people like me who are looking for answers but could not find them in the conventional books available through a library or university. If you have sought the answers to clean air and water with an unlimited supply of energy and could not find them, I am hoping you will find exactly that within the contents of this book. Some of the discoveries occurred over a hundred years ago. Where did the books go that had this knowledge? Did they simply vanish? Were they destroyed? We may never know the truth, but it is not relevant today. What is important is we cannot forget this knowledge. I hope others can expound upon it. If I can pioneer the road to clean, fresh air and clean water by showing you how to reduce emissions from every single piece of equipment on the planet that uses fuel, even if only by 10 percent, this would be a major accomplishment. Some of the things you will learn in this text will show you that 100 percent reduction in pollution is possible, and it has been accomplished.

Simsim Geet Chaturvedi, 2023-02-06 Old Basar Mal remembers his love and homeland that he lost in Sindh, Pakistan during the Partition. A young graduate gets into an imaginary relationship with a girl at a yellow window. The Mumbai land mafia is after Basar Mal and his library. A chatty book cover relates the plight of books. A silent Mangan's ma washes and feeds a plastic doll she thinks is her son. Poignantly written by Geet Chaturvedi, a major Hindi writer, and beautifully translated by Anita Gopalan, Simsim is a struggle between memory, imagination, and reality- an exquisitely crafted book that fuses the voices of remarkable yet relatable characters to weave a tale of seeking happiness, fulfilling passion, and reconciling with loss. Simsim is charming, and wonderfully original.

They set up a forward base on a convenient asteroid and monitor the trade route. One day while monitoring they observe a vessel acting suspiciously, and eventually identify that it has attacked a vessel as it enters space on the trade route, they assume that this is not appropriate conduct and go to the assistance of the vessel. After taking out the attacker they identify six survivors in the aft compartment, they haul the hulk clear of the vessel and transfer the survivor to provide them with medical aid. Whilst they are providing the aid ndr is able to thought read them to acquire information on their system and its language; which allows Angel to become reasonably conversant with the structure of the language. They also discover that the survivors were captives held hostage on the vessel to ensure it had not been sabotaged. ndr recruits them as base staff and angel contacts the vessel which turns out to be a tube runner carrying passengers in transit from the Faal system to the Clondone system. They inform the captain that they are about to tow the hulk back to their base and will return later to see if he needs further assistance. Once they have and installed their new staff the Faal agree to see if they can do provisional repairs on the vessel and improve the base whilst ndr returns to assist the tube runner. When ndr arrives back he identifies that they need a tow back to their port of origin in Faal system which ndr agrees to provide. When he finally enters Terminus space (the Faal port of origin) he is intercepted by Geet- tem-fin a Faal Mage on patrol guarding the entry point. Angel rapidly establishes contact with Geet-tems inboard sentient and establishes that it is also female personality as is its Bio; Angel and Faal-doe hit it of big time, and patch Geet-tem through to ndr; once it has been established that they are both Mages they agree to mind link and ndr explains the situation to Geet-tem who promptly arranges backup and clears him to tow the Runner in. Once they have reached their rendezvous with the Med ship the Taan (medics) request access to the re.gen to treat persons injured in the attack, ndr accompanied by Geet-tem tow the runner to parking orbit at Terminus Space Port where personal can be evacuated. On the way in they are met by the Ccin pop news vid crews and ndr claims that he is an Earth system salvage operator, the Ccin are suspicious about this but they get away with it. By the time they have achieved this it is the end of working day and they retire to their rooms to prepare for evening meal. When it is time Geet-tem collects ndr and they head for the duty bar to join the other Mages at base for evening social and introduce ndr to them when they arrive at the Bar they greet the other mages and Geet-tem orders her usual Fizz-bomb which is her usual drink ndr follows suit without realising that Fizz-bombs are lethal which results in him becoming slightly tipsy before anybody realizes that he is not acquainted with Faal social liquids, to the consternation of Geet-tem, and he is t
