George R. R. Martin

A Game of Thrones George R. R. Martin,2003-01-01 NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King’s Landing. There Eddard Stark of Winterfell rules in Robert’s name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen’s brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

The Mystery Knight: A Graphic Novel George R. R. Martin,2017-08-08 A graphic novel edition of The Mystery Knight, one of the thrilling Dunk and Egg novellas from George R. R. Martin’s A Knight of the Seven Kingdoms and a prequel of sorts to A Game of Thrones “Every wedding needs a singer, and every tourney needs a mystery knight.” Westeros is eerily peaceful. King Aerys I sits on the Iron Throne. A ravaging plague has abated. Yet beneath the surface, tensions linger sixteen years after a failed rebellion. In these restless times, noble hedge knight Ser Duncan the Tall—Dunk, to his friends—and his precocious boy squire, Egg, travel the Seven Kingdoms performing chivalrous deeds, though Egg’s bloodline must be concealed at all costs. After heading north for Winterfell, Dunk and Egg are lured off the kingsroad by a wedding feast—and an unusually lucrative tournament. The champion jousting will claim a rare trophy indeed: a dragon’s egg. Dunk, always better in a melee, would be satisfied with a hot meal, a cup of wine, and a purse full of coins. But a treasonous plot is more likely to hatch before another dragon ever stretches its wings. Someone’s on to Egg. And a mystery knight with designs on an even bigger prize soon throws the entire affair into chaos.

This Is All I Got Lauren Sandler,2021-05-25 A NEW YORK TIMES NOTABLE BOOK • From an award-winning journalist, a poignant and gripping immersion in the life of a young, homeless single mother amid her quest to find stability and shelter in the richest city in America LONGLISTED FOR THE PEN/JEAN STEIN BOOK AWARD • “Riveting . . . a remarkable feat of reporting.”—The New York Times Camila is twenty-two years old and a new mother. She has no family to rely on, no partner, and no home. Despite her intelligence and determination, the odds are firmly stacked against her. In this extraordinary work of literary reportage, Lauren Sandler chronicles a year in Camila’s life—from the birth of her son to his first birthday—as she navigates the labyrinth of poverty and homelessness in New York City. In her attempts to secure a safe place to raise her son and find a measure of freedom in her life, Camila copes with dashed dreams, failed relationships, the desolation of abandonment, and miles of red tape with grit, humor, and uncanny resilience. Every day, more than forty-five million Americans attempt to survive below the poverty line. Every night, nearly sixty thousand people sleep in New York City-run shelters, 40 percent of them children. In This Is All I Got, Sandler brings this deeply personal issue to life, vividly depicting one

woman's hope and despair and her steadfast determination to change her life despite the myriad setbacks she encounters. This Is All I Got is a rare feat of reporting and a dramatic story of survival. Sandler's candid and revealing account also exposes the murky boundaries between a journalist and her subject when it becomes impossible to remain a dispassionate observer. She has written a powerful and unforgettable indictment of a system that is often indifferent to the needs of those it serves, and that sometimes seems designed to fail. Praise for This Is All I Got "A rich, sociologically valuable work that's more gripping, and more devastating, than fiction."—Booklist "Vivid, heartbreaking. . . . Readers will be moved by this harrowing and impassioned call for change."—Publishers Weekly "A closely observed chronicle . . . Sandler displays her journalistic talent by unerringly presenting this dire situation. . . . An impressive blend of dispassionate reporting, pungent condemnation of public welfare, and gritty humanity." —Kirkus Reviews

The Unofficial Guide to Game of Thrones Kim Renfro,2019-10-08 The everything-you-missed, wanted-to-know-more-about, and can't-get-enough guide to the Game of Thrones television series—from the first episode to the epic finale. Valar morghulis! Spanning every episode across all eight seasons, INSIDER's entertainment correspondent Kim Renfro goes deep into how the show was made, why it became such a phenomenon and explores every detail you want to know. It's the perfect book to look back at all you may have missed or to jump-start you on a second viewing of the whole series. As an entertainment correspondent, Renfro has covered the show's premieres, broken down key details in scenes, explored characters' histories, and interviewed the cast, directors, and crew. In this book, she sheds new light on the themes, storylines, character development, the meaning of the finale, and what you can expect next. Some of the questions answered here include: What was the Night King's ultimate purpose? How did the show effect George R.R. Martin's ability to finish the book series? Why were the final seasons shorter? Why did the direwolves get shortchanged? How were the fates of Jon Snow and Daenerys Targaryen foretold from the start? Was that really a bittersweet ending? Winter may have come and gone, but there is still plenty to discover and obsess over in this behind-the-scenes fan guide to the Game of Thrones HBO series.

Fan Phenomena: Game of Thrones Kavita Mudan Finn,2017-05-01 Winter is coming. Every Sunday night, millions of fans gather around their televisions to take in the spectacle that is a new episode of Game of Thrones. Much is made of who will be gruesomely murdered each week on the hit show, though sometimes the question really is who won't die a fiery death. The show, based on the Song of Ice and Fire series written by George R. R. Martin, is a truly global phenomenon. With the seventh season of the HBO series in production, Game of Thrones has been nominated for multiple awards, its cast has been catapulted to celebrity and references to it proliferate throughout popular culture. Often positioned as the grittier antithesis to J. R. R. Tolkien's Lord of the Rings, Martin's narrative focuses on the darker side of chivalry and heroism, stripping away these higher ideals to reveal the greed, amorality and lust for power underpinning them. Fan Phenomena: Game of Thrones is an exciting new addition to the Intellect series, bringing together academics and fans of Martin's universe to consider not just the content of the books and HBO series, but fan responses to both. From trivia nights dedicated to minutiae to forums speculating on plot twists to academics trying to make sense of the bizarre climate of Westeros, everyone is talking about Game of Thrones. Edited by Kavita Mudan Finn, the book focuses on the communities created by the books and television series and how these communities envision themselves as consumers, critics, and even creators of fanworks in a wide variety of media, including fiction, art, fancasting and cosplay.

The Girl's Got Secrets Linda Kage, Here's the same old "girl posing as a boy" story but with a rock-n-roll twist. Remy Curran dreams of one day being in a band, except the group she wants to join refuses to hire a girl drummer. So, she auditions as a guy...and makes the cut. Becoming "Sticks," a member of Non-Castrato, isn't quite what she dreamed it would be, though. She spends most of her time keeping up the subterfuge and learning how to walk, talk, act, and drink like a man. But what's even harder to deal with is acting oblivious when the band's heartthrob lead singer, Asher Hart, treats her like one of the guys and not a woman. She never imagined he'd be so much more than a pretty face with a nice voice. But he's better than perfect. He's perfect for her. When love and lies combine, Remy must keep up the act or lose everything. But who knew lying to reach one dream could prevent you from attaining an even bigger dream?
