Grim

*Grim* Rachel Hawkins, Julie Kagawa, Ellen Hopkins, Amanda Hocking, Claudia Gray, 2014 A collection of stories inspired by fairy tales, but all featuring a dark and sinister twist.

**Grim** M.K. Eidem, King Grim Vasteri is the strongest and most feared warrior in the Tornian Empire. He is the King of Luda, blood brother to the Emperor and his line will die with him. He will have no offspring for no female would join with him, for once he was scarred he was considered 'unfit'. The Tornian Empire has been dying ever since the great infection caused the birth of females to become a rarity. Since then they have been searching the known universes, for compatible females. The Emperor's discovery of a compatible female on a slave ship changed that. He has ordered Grim to find his Empress' home world so more 'unprotected' females could be obtained, knowing Grim would never be allowed to join with one. Lisa Miller is a widowed mother of two little girls, Carly and Miki. Her husband died just a year ago, after a long battle with cancer and she misses him immensely. Friends want her to start dating again, but in her heart, she knows there isn't a man on the planet she could love like her Mark and who could love their girls as their own. Therefore, she'll stay alone. When Lisa is discovered 'unprotected' at her husband's grave site, she wakes on an alien ship heading for an alien world. Refusing to accept this she confronts the large alien males, demanding she be returned to her children. Seeing his chance to have a female, Grim agrees to accept and protect her offspring if she agrees to join with him and only him. Realizing this is the only way she can retrieve her children, Lisa agrees and the Tornian Empire changes forever.

**Mortal Enemy** Nicholas Ryan Howard, 2018-10-31 Vant Hu'l is cursed. Dragged to the center of a wasteland by a ruthless malevolence, the legendary warrior discovers a cavern filled with devious riddles and fiendish traps. Upon solving the labyrinth, he is confronted by a hideous creature. A beast

with unimaginable abilities. A being of unspeakable evil... Death. Without a shred of clemency, the demigod presents Vant with a choice: do his sinister bidding out in the world, or suffer an eternity of horrifying torment. Thus begins Vant's quest out of the badlands, through the hostile wilderness, into the clutches of twisted townships, and finally toward conflict with the vile stewards of a corrupted civilization. But Vant will not go it alone. In the midst of his journey, he develops an unlikely companionship with a clever and venturesome teenage girl, the expert survivalist Skii Tavee. They also form an alliance with two newfound — but questionable — companions: Kram Grammie, the sneaky con man who is as crafty as he is klepto, and an off-kilter eccentric bizarrely known as The World's Worst Magician. United, they set out to dispatch their foes, rescue the innocents caught in the crossfire, and unite the forces of a world gone astray, all while reconciling with their own haunting pasts. *Mortal Enemy: Legends of Grim #1* is a tale like no other. It is a relentless whirlwind of action and adventure. A saga of conflicted heroes and devious villains. A journey rife with darkness and struggle, yet also wicked humor. It is jam-packed with nightmarish scenarios, fantastical environments, rich mythology, incredible weapons, unique technologies, and characters dripping with personality, with shocking surprises awaiting you at every turn. Come experience Death... if you dare.

**Dust & Grim** Chuck Wendig, 2021-10-19 A New York Times bestseller! Miss Peregrine meets The Graveyard Book in this middle grade adventure about rival siblings running a monster mortuary. Thirteen-year-old Molly doesn't know how she got the short end of the stick—being raised by her neglectful father—while Dustin, the older brother she's never met, got their mother and the keys to the family estate. But now the siblings are both orphaned, she's come home for her inheritance, and if Dustin won't welcome her into the family business, then she'll happily take her half in cash. There's

just one problem: the family business is a mortuary for monsters, and Molly's not sure she's ready to deal with mysterious doors, talking wolves, a rogue devourer of magic, and a secret cemetery. It's going to take all of Dustin's stuffy supernatural knowledge and Molly's most heroic cosplay (plus a little help from non-human friends) for the siblings to figure it out and save the day...if only they can get along for five minutes. Bestselling author Chuck Wendig's middle grade debut is equal parts spooky, funny, and heartfelt—perfect for Halloween and year-round reading!

**Grim** Grim,2013-07-26 This is my first book of poems. I'm finally beginning to do something with them. I hope you enjoy my writings and if all goes well, I will be publishing more.

Grim Anna Waggener,2012-06-01 A fantastic debut from the winner of the Scholastic Art and Writing Awards novel contest.When Erika wakes up after a horrific car crash, she finds herself somewhere between earth and heaven, between life and death. She doesn't want to accept help from Jeremiah, who she's not sure she can trust, even as she finds herself drawn to him, following him into a grim city of souls. She's not sure who wants to help her and who wants to hurt her. And she's desperate to get back to her children.Shawn's never thought about having to shoulder the responsibility of caring for his young sister Megan and his reckless older sister. And he never imagined that the three of them would find themselves in a haunted wood, sometimes chased, sometimes assisted, never sure where they're headed.With Grim, the terrifically talented Anna Waggener delves into the place where myth becomes reality, where family can distort you as easily as it cares for you, where death and eternity meet.

**Dreamer's Pool** Juliet Marillier,2014-11-04 Award-winning author Juliet Marillier “weaves magic, mythology, and folklore into every sentence on the page” (The Book Smugglers). Now she presents the first novel in an enchanting series that will transport readers to a magical vision of ancient

Ireland.... In exchange for help escaping her long and wrongful imprisonment, embittered magical healer Blackthorn has vowed to set aside her bid for vengeance against the man who destroyed all that she once held dear. Followed by a former prison mate, a silent hulk of a man named Grim, she travels north to Dalriada. There she'll live on the fringe of a mysterious forest, duty bound for seven years to assist anyone who asks for her help. Oran, crown prince of Dalriada, has waited anxiously for the arrival of his future bride, Lady Flidais. He knows her only from a portrait and sweetly poetic correspondence that have convinced him Flidais is his destined true love. But Oran discovers letters can lie. For although his intended exactly resembles her portrait, her brutality upon arrival proves she is nothing like the sensitive woman of the letters. With the strategic marriage imminent, Oran sees no way out of his dilemma. Word has spread that Blackthorn possesses a remarkable gift for solving knotty problems, so the prince asks her for help. To save Oran from his treacherous nuptials, Blackthorn and Grim will need all their resources: courage, ingenuity, leaps of deduction, and more than a little magic.

**We've Got People** Ryan Grim, 2019-05-23 Alexandria Ocasio-Cortez may seem like she came from nowhere, but the movement that propelled her to office - and to global political stardom - has been building for 30 years. *We've Got People* is the story of that movement, which first exploded into public view with the largely forgotten presidential run of the Rev. Jesse Jackson, a campaign that came dangerously close to winning. With the party and the nation at a crossroads, this timely and original book offers new insight into how we've gotten where we are - and where we're headed.

world where reapers, vampires, and demons exist. Drawn to a reaper who is as handsome as he is unreachable, he assigns me to a trainer who has the initiative of an overfed hamster. However, when the Grim Reaper curses me to strip me of my birthright, suddenly death isn't my only fear. If you like action packed books filled with enthralling characters, a deadly plot, humorous encounters, a gorgeous reaper, a hungry vampire, and enough twists to keep the pages turning, read Grim Girl.

Grim and Bear It Heather Novak, 2022-06-06 Poppy's skull over heels in love, and not even death can stop her... Poppy Grim dreams of starring in a real-life rom-com. Instead, she's an overworked, lonely grim reaper with chronic motion sickness from ferrying souls to the afterlife. She adheres to all the reaper handbook rules except one-she regularly visits the love she lost twelve years ago when

she passed. She's not worried-humans can only see her when they are about to die, after all-until Jake looks up and says her name. Supernatural Investigator Jake Robinson wants to leave active duty because of past on-the-job injuries, but he's determined to finish solving the most important case of his career first. His plans sink like the Titanic-his ghost roommate's favorite movie-when he sees Poppy. With death looming, they both risk everything-including their hearts-and work together to keep Jake alive while he stops the people threatening his family. But love is a losing game when the punishment for a reaper-human relationship is permanent removal from existence.

*Grim Reaper* Drac Von Stoller,2012-01-26 I knew this day would come but I didn't think it would be so soon. I peered through the curtains of my bedroom window listening to the howling wind and watched as the lightning lit up the sky. My heart was beating like a base drum. Something about this night was like no other night I have ever experienced that overwhelmed me with great fear of the unknown. Then I noticed in the distance a carriage barreling down the castle road at such a great speed. The closer the carriage got to the castle the more my fear grew. I could tell it was just a matter of minutes when death would knock upon my door. Just as the carriage pulled up to the front of the castle's gate my heart was telling me not to answer the door. I knew in my heart when destiny knocks upon your door there's no stopping a good or evil presence. Then the black figure stepped down from the carriage slowly walking to the front door of the castle and with three loud knock's on the door, I calmly walked down the castle stairs to the front door shaking like a leaf to see who was at my front door.
