Your DNA Guide – the Book Diahan Southard,2020-02-26 You don't have to learn everything about genetic genealogy before asking specific questions of your DNA! That's the premise of Diahan Southard's brand new book, *Your DNA Guide - the Book*, now available for pre-order at a special sale price. *Your DNA Guide - the Book* is like no other genetic genealogy book on the market. Instead of learning more-than-you-need-to-know in textbook style, you'll choose a specific DNA question to start exploring right away. You'll follow concrete step-by-step plans, learning important DNA concepts--in plain English--as you go. Do you want to learn who your 2X great grandmother is? Turn to page 23. Do you want to know how you are related to one of your DNA matches? Page 37. As you proceed, you check your progress and get new guidance based on your specific results at each stage. (Including troubleshooting, like when your matches just aren't responding or your great-grandparents turn out to be first cousins.) This powerful, hands-on approach is based on Diahan's 20 years of experience in the genetic genealogy industry and especially in the past five years, as she helps clients one-on-one make DNA discoveries. It became clear to her that while each client's situation may be unique, there are patterns in how you can find solutions that you can apply yourself. *Your DNA Guide - the Book* is for anyone who has taken a DNA test or may want to. It helps genealogists reconstruct family trees. It helps adoptees identify biological relatives. It can help you identify a specific DNA match. In short, it helps anyone explore what their DNA--and their DNA matches--can tell them about their origins.

The Guide Peter Heller,2022-05-10 NATIONAL BESTSELLER • The best-selling author of *The River* returns with a heart-racing thriller about a young man who is hired by an elite fishing lodge in Colorado, where he uncovers a plot of shocking menace amid the natural beauty of sun-drenched streams and forests. “Peter Heller is the poet laureate of the literary thriller. —Michael Koryta, New York Times best-selling author of *Those Who Wish Me Dead* Kingfisher Lodge, nestled in a canyon on a mile and a half of the most pristine river water on the planet, is known by locals as Billionaire's Mile and is locked behind a heavy gate. Sandwiched between barbed wire and a meadow with a sign that reads Don't Get Shot! the resort boasts boutique fishing at its finest. Safe from viruses that have plagued America for years, Kingfisher offers a respite for wealthy clients. Now it also promises a second chance for Jack, a return to normalcy after a young life filled with loss. When he is assigned to guide a well-known singer, his only job is to rig her line, carry her gear, and steer her to the best trout he can find. But then a human scream pierces the night, and Jack soon realizes that this idyllic

fishing lodge may be merely a cover for a far more sinister operation. A novel as gripping as it is lyrical, as frightening as it is moving, *The Guide* is another masterpiece from Peter Heller.

A People's Guide to New York City Carolina Bank Muñoz, Penny Lewis, Emily Tumpson Molina, 2022-01-25 This alternative guidebook for one of the world's most popular tourist destinations explores all five boroughs to reveal a people's New York City. The sites and stories of *A People's Guide to New York City* shift our perception of what defines New York, placing the passion, determination, defeats, and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this book shows you where to look to find them. New York City is a preeminent global city, serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function—immigrants, people of color, and the working classes—reside largely in the so-called outer boroughs, outside the corporations, neon, and skyscrapers of Manhattan. *A People's Guide to New York City* expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn and Staten Island as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and freedom have shaped the very landscape of the city.

Field Guide to the Natural World of New York City Leslie Day, 2013-05-10 “This little gem fills you in on everything finned, furred, feathered, or leafed, and how to find it, in all five boroughs” (House and Garden). New York just might be the most biologically diverse city in temperate America. The five boroughs sit atop one of the most naturally rich sites in North America, directly under the Atlantic migratory flyway, at the mouth of a 300-mile-long river, and on three islands?Manhattan, Staten, and Long. Leslie Day, a New York City naturalist, reveals this amazing world in her *Field Guide to the Natural World of New York City*. Combining the stunning paintings of Mark A. Klingler with a variety of photographs and maps, this book is a complete guide for the urban naturalist?with tips on identifying the city's flora and fauna and maps showing the nearest subway stop. Here is your personal guide

to the real wild side of America's largest city. Throw it in your backpack, hop on the subway, and explore. "Dr. Day . . . A sort of Julia Child of nature." —Ellen Pall, New York Times "Provides historic facts, photographs and maps to give a snapshot of the city's natural resources and to remind hard-charging New Yorkers of the unchanging parts of their environment." —Sally Goldenberg, Staten Island Advance "This book should be in every New Yorker's library as both reference and inspiration for low-carbon-impact journeys to places of unexpected beauty and tranquility." —Crawford-Doyle Booksellers Newsletter "You may well wonder why I am reviewing a book about New York city when we preach 'local, local, local' throughout these pages. I'll tell you, because this beautifully illustrated handbook is a wonderful example of exploring the bucolic city. . . . All illustrated with gorgeous watercolors by Klingler. We should have one of these. But in the meantime, you will find many of the same species in our fair cities., so why not pick up a copy for inspiration?"—Minneapolis Observer Quarterly

The Rough Guide to California Rough Guides,2017-06-13 This in-depth coverage of California's local attractions, sights, and restaurants takes you to the most rewarding spots - from the Hollywood sign to the Golden Gate Bridge to the Redwoods - and stunning color photography brings the land to life on the pages. The Complete Idiot's Guide to the Book of Revelation James S. Bell Jr., Stan Campbell, 2001-12-01 You're no idiot, of course. You're familiar with the Four Horsemen of the Apocalypse and Judgment Day—especially in the wake of the new millennium. However, the Book of Revelation has existed for almost 2,000 years and is open to countless interpretations. Don't get confused by scholarly analysis and religious dogma! The Complete Idiot's Guide® to the Book of Revelation shows you how so many meanings are derived from the book's text. In this Complete Idiot's Guide®, you get: • Various ways to interpret Revelation and its symbols • A detailed examination of the key elements, including the Seven Seals and the Antichrist • A look at how the Jewish Old Testament and prophecies relate to Revelation

A Field Guide to Insects Donald Joyce Borror, Richard E. White, 1970 Text and pictures combine to present 579 insect families.

Lit! Tony Reinke,2011-09-09 I love to read. I hate to read. I don't have time to read. I only read Christian books. I'm not good at reading. There's too much to read. Chances are, you've thought or said one of these exact phrases before because reading is important and in many ways unavoidable. Learn how to better read, what to read, when to read, and why you should read with this helpful guide from accomplished reader Tony Reinke. Offered here is a theology for reading and practical suggestions for reading widely, reading well, and for making it all worthwhile.

An Illustrated Field Guide to the Elements and Principles of Art + Design Joshua Field,2018 Discover the hidden language of images using this full-color guide to the Elements and Principles of Art and Design with over 200 individual illustrations and 30 artwork examples. This comprehensive illustrated exploration of how images are composed is organized for easy reference and explores each element and principle in depth. Unlike big textbooks, this field guide-sized edition can easily slip into a bag or pocket for your next trip to the museum, design meeting, or classroom critique.

The Rough Guide to Seoul Martin Zatko,2011-06-01 The Rough Guide to Seoul is the ultimate travel companion to the Korean capital, one of Asia's most intriguing and energetic cities. Comprehensive sections detail the very best places to eat, drink, shop and unwind, providing information on everything from the luxurious cafes, restaurants and clothing boutiques of Apgujeong to Hongdae's snack stands, barbeque halls and hole-in-the wall bars. Representing all of these attractions using highly detailed maps, the guide depicts Seoul's culinary scene and dynastic history with glorious colour images. Enabling readers to get to grips with Seoul's modern art and live music will help travellers to get a sense of Asia's bustling cultural scene. The guide will help you to see a side of Seoul you never thought possible, by providing you with knowledge of its royal fortresses, secluded temples, enchanting islands and the world's most visited national park. This guide contains all the information a traveller could possibly need to reach all these,

and more. Make the most of your time on earth™ with The Rough Guide to Seoul.

The Essential Guide to Getting Your Book Published Arielle Eckstut, David Henry Sterry, 2010-11-04 Now updated for 2015! The best, most comprehensive guide for writers is now revised and updated, with new sections on ebooks, self-publishing, crowd-funding through Kickstarter, blogging, increasing visibility via online marketing, micropublishing, the power of social media and author websites, and more—making The Essential Guide to Getting Your Book Published more vital than ever for anyone who wants to mine that great idea and turn it into a successfully published book. Written by experts with twenty-five books between them as well as many years' experience as a literary agent (Eckstut) and a book doctor (Sterry), this nuts-and-bolts guide demystifies every step of the publishing process: how to come up with a blockbuster title, create a selling proposal, find the right agent, understand a book contract, and develop marketing and publicity savvy. Includes interviews with hundreds of publishing insiders and authors, including Seth Godin, Neil Gaiman, Amy Bloom, Margaret Atwood, Leonard Lopate, plus agents, editors, and booksellers; sidebars featuring real-life publishing success stories; sample proposals, query letters, and an entirely updated resources and publishers directory.

Guide to New York City Landmarks New York City Landmarks Preservation Commission, 2003-10-13 Five boroughs rich with history—and one guide to it all The official and only complete guide to New York City's landmarks, this beautiful Third Edition has been updated to include 128 new individual sites and sixteen new historic districts. Mayor Michael Bloomberg opens this treasure trove of historical discovery with an elegant Foreword. What follows are insightful descriptions of more than 1,000 individual landmarks and 84 historic districts. Everyone will feel like a native New Yorker when they quickly point out landmarks with the help of 80 easy-to-read maps. This new edition also features new photographs, enhanced maps, and more than a dozen themed sections that make it easy to create a customized sightseeing experience. New York City Landmarks Preservation Commission (New York, NY) is the agency responsible for identifying and designating local landmarks and historic districts. Established in 1965 in response to the destruction of the original Penn Station, the agency is comprised of eleven members appointed by the mayor and a professional staff.

writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Guide eBooks, including some popular titles.

FAQs About Guide Books

1. Where can I buy Guide books?

Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available?

Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or

software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Guide book to read?

Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Guide books?

Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them?

Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or

online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Guide audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.
