**Which Hana?** Mizue Odawara, Hana Kisugi is a somewhat apathetic 28-year-old office worker with no luck at work or with men. One day, she missed a step on a staircase and... When she woke up, she was in the body of a 17-year-old high school student named Hana Yamada. At a loss, she ends up living the life of a high school girl at the boarding house Hana Yamada lived at, Ikuta House. She's surrounded by the responsible adult Haruki, and the high school boy Haruchika. She's having trouble not falling for all the guys around her, but she can't fall in love in someone else's body, can she? While she's worried about that, someone tells her HE'S in love with HER! **A House in Hana** Birgitt Van Wormer,2019-05-29 A House in Hana...is the story about Lani Winters, a nursery owner and avid orchid collector in the Hudson Valley, who is of Polynesian descent and was adopted as an infant. Her nursery is struggling, but to make things worse, her boyfriend of six years breaks up with her and wants to be bought out. One day, she suddenly receives a letter from a lawyer in Kahului, Maui, informing her that she inherited a house in Hana from her great-aunt Malani.She travels to Maui and not only to find a house that is in dire need of renovation and has to be fixed up within one year, otherwise it will be sold to an investor who wants to bulldoze it and build oceanfront condos, she also finds out that her mother disappeared from the face of the Earth when she became pregnant and her father, Lani's grandfather, wanted to talk her into having an abortion.When Lani arrives at the house, she finds a painting of a woman who looks exactly like her: It seems that her father was a renowned artist and painted many paintings of her mother and the beautiful tropical surroundings of Hana and Maui. But he also obviously died a mysterious death and all information about his death has been deleted from the internet.Lani also finds a village that has been in a feud since thirty years, divided between the people that were on her great-aunt Malani's side who thought the pregnant girl, Lani's mother, should have all the assistance she could get, and the people that were on the grandfather's side who did not support having a child from a Haole, a white man.Max, the caretaker of the house, who lives in the guesthouse, not only helps Lani evaluate how much work the house needs, but he also helps Lani follow traces of her mother and father while he shows her beautiful sites of Hana and surroundings. They fall madly in love, but when the singer of a Jazz combo shows up at the house more than Lani can tolerate and obviously wants more from Max than just hang out, Lani is not sure whether Max is just using her or really loves her. She withdraws from him until she is sure about his love.The house suffers a final blow which is the straw that breaks the camel's back, but the residents of Hana have a big surprise for Lani.

**Hana's Suitcase** Karen Levine,2002-08-07 New edition with foreword by Nobel Peace Prize winner Desmond Tutu: "How extraordinary that this humble suitcase has enabled children all over the world to learn through Hana's story the terrible history of what happened and that it continues to urge them to heed the warnings of history." In the spring of 2000, Fumiko Ishioka, the curator of a small Holocaust education centre for children in Tokyo, received a very special shipment for an exhibit she was planning. She had asked the curators at the Auschwitz museum if she could borrow some artifacts connected to the experience of children at the camp. Among the items she received was an empty suitcase. From the moment she saw it, Fumiko was captivated by the writing on the outside that identified its owner - Hana Brady, May 16, 1931, Waisenkind (the German word for orphan). Children visiting the centre were full of questions. Who was Hana Brady? Where did she come from? What was she like? How did Hana become an orphan? What happened to her? Fueled by the children's curiosity and her own need to know, Fumiko began a year of detective work, scouring the world for clues to the story of Hana Brady. Writer Karen Levine follows Fumiko in her search through history, from present-day Japan, Europe and North America back to 1938 Czechoslovakia and the young Hana Brady, a fun-loving child with a passion for ice skating. Together with Fumiko, we learn of Hana's loving parents and older brother, George, and discover how the family's happy life in a small town was turned upside down by the invasion of the Nazis. Based on an award-winning CBC documentary, Hana's Suitcase takes the reader on an incredible journey full of mystery and memories, which come to life through the perspectives of Fumiko, Hana and later Hana's brother, who now lives in Canada. Photographs and original wartime documents enhance this extraordinary story that bridges cultures, generations and time. Ideal for young readers aged 9 and up. Hana's Suitcase is part of the award-winning Holocaust Remembrance Series for Young Readers.

**From Okinawa to the Americas** Hana Yamagawa,2010-10-11 Between 1889 and 1940 more than 40,000 Okinawan contract laborers emigrated to plantations in Hawaii, Brazil, the Philippines, and Peru. In 1912 seventeen-year-old Hana Kaneshi accompanied her husband and brother to South America and dreamed of returning home in two years' time a wealthy young woman. Edited by her daughter Akiko, Hana's richly detailed memoir is a rare, first-hand account of the life of a female Okinawan immigrant in the New World. It spans nearly a century, from Hana's early life in a small village not long after the Ryukyu Kingdom's annexation to Japan; to a sugar plantation in Peru and its capital, Lima; to her dangerous trek through Mexico and the California desert to enter the U.S. and start a new life, this time in the Imperial Valley and finally Los Angeles. Hana's story comes full circle when she returns briefly, after forty-seven years, to Okinawa during the postwar American Occupation. From Okinawa to the Americas will appeal to not only students of Asian American and diaspora studies, but also those seeking to understand the complexity of Okinawan culture and the networks of family relationships in Okinawa and in its overseas immigrant communities.
