Us Elle Kennedy, Sarina Bowen, 2016-03-08 Can your favorite hockey players finish their first season together undefeated? Five months in, NHL forward Ryan Wesley is having a record-breaking rookie season. He's living his dream of playing pro hockey and coming home every night to the man he loves—Jamie Canning, his longtime best friend turned boyfriend. There's just one problem: the most important relationship of his life is one he needs to keep hidden, or else face a media storm that will eclipse his success on the ice. Jamie loves Wes. He really, truly does. But hiding sucks. It's not the life Jamie envisioned for himself, and the strain of keeping their secret is taking its toll. It doesn't help that his new job isn't going as smoothly as he'd hoped, but he knows he can power through it as long as he has Wes. At least apartment 10B is their retreat, where they can always be themselves. Or can they? When Wes's nosiest teammate moves in upstairs, the threads of their carefully woven lie begin to unravel. With the outside world determined to take its best shot at them, can Wes and Jamie develop major-league relationship skills on the fly? Warning: contains sexual situations, a vibrating chair, long-distance sexytimes and proof that hockey players look hot in any shade of green. I read HIM in one sitting--it's so, so good! If I had to pick two authors who I'd have team up, it would be Bowen and Kennedy -- #1 New York Times bestselling author Colleen Hoover HIM is my favorite read of 2015! Hot, sexy, romantic, funny, and full of heart. I LOVED Jamie and Wes! -- NYT Bestselling Author Lauren Blakely The way that Sarina Bowen and Elle Kennedy spun the tale of these two men falling and staying in love was absolutely timeless and beautifully real. --Audrey Carlan, #1 New York Times Best Selling Author Keywords: MM, male/male, hockey romance, hockey mm, sports romance, contemporary romance. In Him Kenneth E. Hagin, 1979 This minibook will help believers learn more about who they are and what they have in Christ.

Let's Praise Him Arvind Ephraim, 2021-07-29 Praising God has played a very important role in my life and ministry. For every challenge and need which I face in my life, I praise God and I have seen if I praise God for one topic for 10 hours then things turn. God takes control of things in my life as soon as I start praising Him. Amplified Bible says 1 Thessalonians 5:18 Thank [God] in everything [no matter what the circumstances may be, be thankful and give thanks], for this is the will of God for you [who are] in Christ Jesus [the Revealer and Mediator of that will]. God specially put on my heart to write this book which is 7 hours Praise, which we are doing for 3 days. The main purpose of the book is to Praise the Most High God. There are 12 praises per hour and each Praise should be given for 5 minutes. And Each day there are 252 praises. You can divide the days and hours mentioned in this book according to your convenience. I pray that many will see the power of God as they start praying and praising aloud these promises of God. God bless!

Let Him Lead Ludi Denis, 2022-03-15 Who are you letting lead your life? Life itself is hard why would we want to live a life of self dependent? I have made so many mistakes, I need the Lord to direct my every step. I have experienced the love of God. He has brought me to a place I never been before. He has gone before me and prepares me for me. The love of God has complete me. He made Himself real to me. I could go to Him anytime and He will speak to me and grant me the peace that is needed for each day. I learned to trust Him and take Him as His word. He said I will never leave you. We all need to have a relationship with our Lord. We might not understand everything, but one thing I know He is real and He is our hope. He had sent His son to die on the cross for our sins. That is love. We all need to believe in who He says He is. The truth is we are blind. There is so much to know about God. He led you to a family of love. He takes you away from issues we are tired of handling. Over and over He goes and protect me from making the same mistakes. Letting Him lead my life has been unexplainable. The love He gave is like no other.

The Shore of Him (The Sea of Her 6) Lynn Robin,2022-06-21 The sea has sent Leilani and Keanu back to Hibiscus Island. This is where it all began. And where it all will end. They soon become the people's hope for defeating the false Queen poisoning their ocean, their island, and even their children, but Leilani and Keanu both know that this battle is different from the one they fought against the Twins. This has become a war. One they cannot hope to win on their own. But even as familiar and unexpected allies arrive, Leilani and Keanu soon realize nothing is as it seems, and that they'll have to look with more than their eyes in order to see through the games that are played and the masks that are worn. As Yuka opens the hunt for the fourth Ocean Spirit in order to prevent Leilani and Keanu from awakening him, time is quickly slipping as shadows gather between the walls of the fallen castle where he resides. Even with their pasts and true identities unraveled, Leilani and Keanu both still have demons to conquer and choices to make. It brings them closer and deepens their love— but will it last, will the outcome to this war bind them together forever... or tear them apart instead?

To Him That Hath Leroy Scott,2019-12-18 To Him That Hath is one of the earliest novels by the American novelist and screenplay writer Leroy Scott. He had strong socialist views and was a member of several socialist societies. The book is dedicated to the theme of the reformation of criminal and personal development. It is written with the firm belief there is a need for the physical, mental, and moral uplifting of the masses, which suffer from the greed of wealth, thinly veneered with heart interest.

Call Him Jack Yohuru Williams,Michael G. Long,2022-09-20 An enthralling, eye-opening portrayal of this barrier-breaking American hero as a lifelong, relentlessly proud fighter for Black justice and civil rights. According to Martin Luther King, Jr., Jackie Robinson was “a sit-inner before the sit-ins, a freedom rider before the Freedom Rides.” According to Hank Aaron, Robinson was a leader of the Black Power movement before there was a Black Power movement. According to his wife, Rachel Robinson, he was always Jack, not Jackie—the diminutive form of his name bestowed on him in college by white sports writers. And throughout his whole life, Jack Robinson was a fighter for justice, an advocate for equality, and an inspiration beyond just baseball. From prominent Robinson scholars Yohuru Williams and Michael G. Long comes Call Him Jack, an exciting biography that recovers the real person behind the legend, reanimating this famed figure's legacy for new generations, widening our focus from the sportsman to the man as a whole, and deepening our appreciation for his achievements on the playing field in the process.

I Let Him Go Denise Fergus,2018-02-01 On 12th February 1993, Denise Fergus's life changed forever. As she was running errands at New Strand Shopping Centre, she let go of her two-year-old son's hand for a few seconds to take out her purse. Denise never saw her son again. For the first time since that moment 25 years ago, Denise tells her extraordinary story in this heart-wrenching book, an unflinching account of that terrible day. What if she had never taken James shopping? What if she had turned right coming out of the butcher's, instead of left? Denise's initial hope after seeing her son on CCTV with other children quickly turned to devastation when, two days later, James' body was found. His death reverberated around the world and his killers became the youngest ever convicted murderers in UK legal history. Four minutes is all it took for them to lead James away from his mother to his death. Denise took up a tortuous legal battle for James, and it was her astonishing strength and love for her son that ultimately helped to change the way the law treats victims of crime. This is a mother's tale of finding a way through the despair to remember the happiness and wonderful memories that James brought his family. Above all, Denise doesn't want her son to be remembered as a murdered child, and with this beautifully written book, she does just that. Part of the proceeds of the book will be donated to the James Bulger Memorial Trust.

Find and Kill Him Sourabh Arora,2016-10-19 Do you have a fancy for an ideal match or ever had even to score high in school time? Him With His Foot In His Mouth and Other Stories Saul Bellow,2016-04-18 Five of Saul Bellow’s most moving, richly textured, and exquisitely plotted short stories make up this volume, each providing a history of personality and self-awakening. The title story, “Him with His Foot in His Mouth,” follows a musicologist narrator who for years has scattered wounding witticisms “from the depths of my nature, that hoard of strange formulations.” As the story unfolds he tries to discover what led him into a “deep legal-financial hole,” while he awaits extradition from a refuge in British Columbia. “What Kind of Day Did You Have?” follows a divorced suburban woman and her lovers—would-be and actual—through a frantic day in their lives. Their needs and passions, as well as their comic conflicts, are matters of life and death. In “Zetland: By a Character Witness” and in “A Silver Dish,” Bellow returns, with his unequaled command of eloquent recollected detail, to a bygone Chicago, “Zetland” is a brilliant portrait of an artist as a young boy and a man, precocious and eccentric; “A Silver Dish” is a memorable story of a raffish, willful father and his affectionate son. “Cousins,” the final story in the volume, explores the mysteries of family feeling—mysteries that defy both logic and the worthiness of their objects, as Ijah Brodsky, successful in the larger world, is drawn into an encounter with criminal and naively idealistic forces. This collection represents a turning point in the bountiful career of Saul Bellow, a felicitous rendering of the human condition in all its absurd complexity.
