The Paradox Hotel Rob Hart,2023-02-07 “Time travel, murder, corruption, restless baby dinosaurs, and a snarky robot named Ruby collide in this excellent, noir-inflected, humor-infused, science-fiction thriller.”—The Boston Globe An impossible crime. A detective on the edge of madness. The future of time travel at stake. From the author of *The Warehouse* . . . ONE OF THE BEST BOOKS OF THE YEAR: NPR, Kirkus Reviews January Cole’s job just got a whole lot harder. Not that running security at the Paradox was ever really easy. Nothing’s simple at a hotel where the ultra-wealthy tourists arrive costumed for a dozen different time periods, all eagerly waiting to catch their “flights” to the past. Or where proximity to the timeport makes the clocks run backward on occasion—and, rumor has it, allows ghosts to stroll the halls. None of that compares to the corpse in room 526. The one that seems to be both there and not there. The one that somehow only January can see. On top of that, some very important new guests have just checked in. Because the U.S. government is about to privatize time-travel technology—and the world’s most powerful people are on hand to stake their claims. January is sure the timing isn’t a coincidence. Neither are those “accidents” that start stalking their bidders. There’s a reason January can glimpse what others can’t. A reason why she’s the only one who can catch a killer who’s operating invisibly and in plain sight, all at once. But her ability is also destroying her grip on reality—and as her past, present, and future collide, she finds herself confronting not just the hotel’s dark secrets but her own. At once a dazzlingly time-twisting murder mystery and a story about grief, memory, and what it means to—literally—come face-to-face with our ghosts, *The Paradox Hotel* is another

unforgettable speculative thrill ride from acclaimed author Rob Hart.

The Hotel Monthly John Willy, 1923

The Glass Hotel Emily St. John Mandel, 2020-03-24 INTERNATIONAL BESTSELLER •

From the bestselling author of *Station Eleven* and *Sea of Tranquility*, an exhilarating novel set at the glittering intersection of two seemingly disparate events—the exposure of a massive criminal enterprise and the mysterious disappearance of a woman from a ship at sea. “The perfect novel ... Freshly mysterious.” —The Washington Post Vincent is a bartender at the Hotel Caiette, a five-star lodging on the northernmost tip of Vancouver Island. On the night she meets Jonathan Alkaitis, a hooded figure scrawls a message on the lobby's glass wall: Why don't you swallow broken glass. High above Manhattan, a greater crime is committed: Alkaitis's billion-dollar business is really nothing more than a game of smoke and mirrors. When his scheme collapses, it obliterates countless fortunes and devastates lives. Vincent, who had been posing as Jonathan's wife, walks away into the night. Years later, a victim of the fraud is hired to investigate a strange occurrence: a woman has seemingly vanished from the deck of a container ship between ports of call. In this captivating story of crisis and survival, Emily St. John Mandel takes readers through often hidden landscapes: campgrounds for the near-homeless, underground electronica clubs, service in luxury hotels, and life in a federal prison. Rife with unexpected beauty, *The Glass Hotel* is a captivating portrait of greed and guilt, love and delusion, ghosts and unintended consequences, and the infinite ways we search for meaning in our lives. Look for Emily St. John Mandel's bestselling new novel, *Sea of Tranquility*!

RED Hotel Edwin D. Fuller,Gary Grossman,2019-03-19 When a bomb rips the façade off the Kensington Hotel in Tokyo, dozens are killed and injured while one man walks calmly away from the wreckage, a coy smile playing on his lips. Former Army intelligence officer Dan Reilly, now an international hotel executive with high level access to the CIA, makes it his mission to track him down. He begins a jet-setting search for answers as the clock ticks down to a climactic event that threatens NATO and the very security of member nations. Reilly begins mining old contacts and resources in an effort to delve deeper into the motive behind these attacks, and fast. Through his connections he learns that the Tokyo bomber is not acting alone. But the organization behind the perpetrator is

not who they expect. Facilitated by the official government from a fearsome global superpower, the implications and reasons for these attacks are well beyond anything Reilly or his sources in the CIA and State Department could have imagined, and point not to random acts of terror, but calculated acts of war. RED Hotel is an incredibly timely globe-trotting thriller that's fiction on the edge of reality.

Hotel Chelsea Colin Miller, Ray Mock, 2019-11-12 An immersive photographic tour of the legendary Hotel Chelsea, whose residents share their spaces, their stories, and a delirious collective history of this landmark. Jackson Pollock, Robert Mapplethorpe, Patti Smith, Dylan Thomas, Arthur Miller, Bob Dylan, Arthur C. Clarke, Andy Warhol, William S. Burroughs, Janis Joplin, Eugene O'Neill, Rufus Wainwright, Betsey Johnson, R. Crumb, Thomas Wolfe, Jasper Johns—these are just a few of the figures who at one time occupied one of the most alluring and storied residences ever: the Chelsea Hotel. Born during the Gilded Age and once the tallest building in New York, the twelve-story landmark has long been a magnet for artists, writers, musicians, and cultural provocateurs of all stripes. In this book, photographer Colin Miller and writer Ray Mock intimately portray the enduring bohemian spirit of the Chelsea Hotel through interviews with nearly two dozen current residents and richly detailed photographs of their unique spaces. As documented in Miller's abundant photographs, these apartments project the quirky decorating sensibilities of urban aesthetes who largely work in film, theater, and the visual arts, resulting in deliriously ornamental spaces with a kitschy edge. Weathering the overall homogenization of New York and the rapid transformation of the hotel itself—amid recent ownership changeovers and tenant lawsuits—residents remain in about seventy

apartments while the rest of the units are converted to rentals (and revert to a hotel-stay basis, which had ceased in 2011). For the community of artists and intellectuals who remain, the uncertain status of the hotel is just another stage in a roller-coaster history. A fascinating portrait of a strand of resilient bohemian New Yorkers and their creative, deeply idiosyncratic homes, Hotel Chelsea is a rich visual and narrative document of a cultural destination as complicated as it is mythical.

The American Hotel Jefferson Williamson, 1930

The Grand Hotel Scott Kenemore, 2014-10-14 Welcome to the hotel where nobody checks out. When a desk clerk welcomes a group of tourists into his mysterious and crumbling hotel, the last thing he expects is that a lone girl on his tour may hold the power to unravel the hidden mystery that has lain for untold centuries within the structure's walls. The Grand Hotel is a horror novel by esteemed bestselling author Scott Kenemore

(Zombie, Ohio) that takes the reader on a thrilling ride through an interconnected series of stories narrated by the desk clerk and the residents of the hotel itself. And while it is not known whether or not the desk clerk is actually the devil incarnate, it is strange that so many visitors who come for a tour of the hotel have a way of never leaving. As the narrator takes you deeper and deeper into the heart of the hotel, secrets that have been hiding for aeons begin to show themselves. Although he is quite prepared for this experience, there is some question as to whether or not the rest of the world shares this readiness. Kenemore's incredible style and originality carry *The Grand Hotel* to places most people only see in their nightmares. And while we don't know all of the secrets that lie within the Grand Hotel, we know that the person who does hold that knowledge puts fear into the narrator himself—a thought that ought to terrify everyone. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

The Pink Hotel Liska Jacobs, 2022-07-19 Heady and dark and dangerous, *The Pink Hotel* is an intoxicating binge of a book. Liska Jacobs's stunning indictment of a society teetering toward apocalypse is one you won't easily forget." —Janelle Brown, author of *I'll Be You Newlyweds* Keith and Kit Collins can hardly believe their luck when the general

manager of the iconic, opulent Pink Hotel invites them to come for a luxurious stay as a bid to hire Keith. Kit loves their small-town life, but Keith has always wanted more, and the glittering, lily-scented lobby makes him feel right at home. Soon after their arrival, wildfires sweep through the surrounding mountains and Los Angeles becomes a pressure cooker, with riots breaking out across the city amid rolling blackouts. The Pink Hotel closes its doors to outsiders, and Keith and Kit find themselves confined with an anxious, disgruntled staff and a growing roster of eccentric, ultra-wealthy, dangerously idle guests who flock to the hotel for sanctuary, company, and entertainment. The Pink Hotel exposes a tenuous class system within its walls, full of insurmountable expectations and unspoken resentments, which deteriorate as the city burns. In her barbed, provocative new novel, Liska Jacobs explores the corrosive nature of greed and interrogates the notion of true love, while hurtling readers toward certain disaster.

Hotel Life Caroline Field Levander, Matthew Pratt Guterl, 2015-04-27 What is a hotel? As Caroline Field Levander and Matthew Pratt Guterl show us in this thought-provoking book, even though hotels are everywhere around us, we rarely consider their essential role in our modern existence and how they help frame our sense of who and what we are. They are, in fact, as centrally important as other powerful places like prisons, hospitals, or universities. More than simply structures made of steel, concrete, and glass, hotels are social and political institutions that we invest with overlapping and contradictory meaning. These alluring places uniquely capture the realities of our world, where the lines between public and private, labor and leisure, fortune and failure, desire and despair are regularly blurred. Guiding readers through the story of hotels as places of troublesome possibility,

as mazelike physical buildings, as inspirational touchstones for art and literature, and as unsettling, even disturbing, backdrops for the drama of everyday life, Levander and Guterl ensure that we will never think about this seemingly ordinary place in the same way again.

The Paragon Hotel Lyndsay Faye, 2019 The year is 1921, and 'Nobody' Alice James is on a cross-country train, carrying a bullet wound and fleeing for her life following an illicit drug and liquor deal gone horribly wrong. Desperate to get as far away as possible from New York City and those who want her dead, she has her sights set on Oregon: a distant frontier that seems the end of the line. She befriends Max, a black Pullman porter who reminds her achingly of Harlem, who leads Alice to the Paragon Hotel upon arrival in Portland. Her unlikely sanctuary turns out to be the only all-black hotel in the city, and its lodgers seem unduly terrified of a white woman on the premises. But as she meets the churlish Dr. Pendleton, the stately Mavereen, and the unforgettable club chanteuse Blossom Fontaine, she begins to understand the reason for their dread. The Ku Klux Klan has arrived in Portland in fearful numbers - burning crosses, inciting violence, electing officials, and brutalising blacks. And only Alice, along with her new

HOTEL Introduction

In today's digital age, the availability of HOTEL books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of HOTEL books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of HOTEL books and manuals for download is the cost-saving aspect. Traditional books and manuals can be

costly, especially if you need to purchase several of them for educational or professional purposes. By accessing HOTEL versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, HOTEL books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are

designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing HOTEL books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for HOTEL books and manuals is Open Library. Open Library is an initiative

of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion,

HOTEL books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of HOTEL books and manuals for download and embark on your journey of knowledge?
