Bippity Bop Barbershop Natasha Anastasia Tarpley,2009-11-29 In this companion book to the bestselling *I Love My Hair!*, a young boy, Miles, makes his first trip to the barbershop with his father. Even Monsters Need Haircuts Matthew McElligott,2013-06-27 Perfect for Halloween, this is a hilarious story about a boy who follows in his father's footsteps . . . in his own monstrously unique way. Just before midnight, on the night of a full moon, a young barber stays out past his bedtime to go to work. Although his customers are mostly regulars, they are anything but normal-after all, even monsters need haircuts. Business is steady all night, and this barber is prepared for anything with his scissors, rotting tonic, horn polish, and stink wax. It's a tough job, but someone's got to help these creatures maintain their ghoulish good looks.

It's Haircut Time! Michele Griffin,2012 Often demonstrating strong dislikes for haircuts, tags in

shirts, seams on socks, and lumps in food, extra-sensitive children are sometimes very challenging for parents to rear. Griffin, a pediatric occupational therapist, created this story to foster communication, tolerance, and understanding between parent and child.

No Haircut Today! Elivia Savadier,2005-05 Dominic refuses to get his hair cut, no matter how much his mother wants him to or how bad it looks.

That's a Great Haircut! Joe Oppold,2016-12-06 A moving story told by a young man who graduated with honors from U. S. Military Academy at West Point, NY. My First Haircut Mary Cahoe,2021-08-13 My First Haircut is dedicated to all of the “Firsts” (You know who you are) who received their first haircut during my Husband’s 50 years of running his

Barbershop in a “Main street USA” type of city in the Midwest. Celebrating 50 years in the said location, with very little change is easy as Barber customers remain very loyal. As a matter of fact, many of his current customers were some of his “Firsts”. Once you have a Barber, it is hard to make a change. Besides, where else can you go to hear the local news and the gossip is free! Stop by and say Hi! sometime if you are in the Neighborhood, in Illinois, on Route 24. (You can Google the address). If you need a haircut, he can always try to squeeze you in. You can get a good haircut in an old-fashioned Barber shop, with old fashioned prices. I am sorry to report, there is no longer a candy store next door; but if you stop by the Barber might have his popcorn popper running and you can have a bag just for stopping in. He will autograph this book too!

Haircut Ring Lardner, 2016-04-03 This early work by Ring Lardner was originally published in 1925 and we are now republishing it with a brand new introduction. 'Haircut' is a dark satire about moral blindness. Ring Lardner was born in Niles, Michigan in 1885. He studied engineering at the Armour Institute of Technology in Chicago, but did not complete his first semester. In 1907, Lardner obtained

his first job as journalist with the South Bend Times. Six years later, he published his first successful book, *You Know Me Al*, an epistolary novel written in the form of letters by 'Jack Keefe', a bush-league baseball player, to a friend back home. A huge hit, the book earned the appreciation of Virginia Woolf and others. Lardner went on to write such well-known short stories as 'Haircut', 'Some Like Them Cold', 'The Golden Honeymoon', 'Alibi Ike', and 'A Day with Conrad Green'.

The Price of the Haircut Brock Clarke, 2018-03-13 From an acclaimed and original writer comes a new collection of stories bursting with absurdist plot twists and laced with trenchant wit. Brock Clarke, author of *An Arsonist's Guide to Writers' Homes in New England* and *Exley*, among other novels, now offers up bite-sized morsels of his trademark social satire that will have readers laughing, and perhaps shifting uncomfortably in their seats. The title story delivers a cringingly biting dissection of racial attitudes in contemporary America, and Clarke also turns his eagle eye to subjects like PTSD, the fate of child actors, and, most especially, marital discord in stories like "Considering Lizzie Borden, Her Axe, My Wife" and "The Misunderstandings." In "The Pity Palace," a masterful study in self-

absorption and self-delusion, a reclusive husband in Florence, Italy, who believes his wife has left him for a famous novelist, sells tickets to tourists anxious to meet someone more miserable than they. It's a distinctly Clarkean world, in which readers find themselves reflected back with the distortion of funhouse mirrors—and swept up on a wild ride of heart-wrenching insight and self-discovery.

When big sister Sadie notices Eva's hair is just too long and getting out of control, she decides to take matters into her own hands. When the haircut is over and there's a pile of hair on the floor, Sadie realizes she may have done something wrong. What will Eva and Sadie's parents say? Will they be able to fix the worst haircut ever? With beautiful illustrations from Elanna Allen, young readers will love reading a story based on a real-life sister act! I Want a Circle Haircut, Just Like Daddy Carolyn Hester, 2019-10-30 At four years of age, a child is learning very rapidly, but sometimes they draw wrong conclusions from a limited set of experiences. This is what happened when our twin son, Kent, who drew the conclusion that the barber had given

his daddy a circle-haircut style when it was actually a bald spot by nature, and so he requested that the barber give him the same style of haircut, thinking the barber was responsible for the style of haircut his daddy had. Through the years, we have found humor in his unusual request and would like to share it with others who may have a little boy who also has drawn the wrong conclusion or perhaps those who enjoy the same humor we have through the years. We still laugh about this. The day this occurred, my husband came home chuckling at the request our son had made to the barber, and the barber was very amused by it also. The above part of this story is an actual experience, and the rest of the book is fiction. He did not get the circle haircut in real life, but he does in the book. Follow father, son, and grandfather at the experiences they might have had.
