Susan Fleming Marx

Harpo's Horrible Secret Barbara Kelley,1993-06-01 When Harpo's great-grandfather, who has Alzheimer's, comes to live with him and his family, Harpo fears that he himself has the disease because he shares his relative's tendency to make things up.

Slim Harpo Martin Hawkins,2016-09-19 As Louis Armstrong forever tethered jazz to New Orleans and Clifton Chenier fixed Lafayette as home to zydeco, Slim Harpo established Baton Rouge as a base for the blues. In the only complete biography of this internationally renowned blues singer and musician, Martin Hawkins traces Harpo's rural upbringing near Louisiana's capital, his professional development fostered by the local music scene, and his national success with R&B hits like Rainin' in My Heart, Baby Scratch My Back, and I'm A King Bee, among others. Hawkins follows Harpo's global musical impact from the early 1960s to today and offers a detailed look at the nature of the independent recording business that enabled his remarkable legacy. With new research and interviews, Hawkins fills in previous biographical gaps and redresses misinformation about Harpo's life. In addition to weaving the musician's career into the lives of other Louisiana blues players—including Lightnin' Slim, Lazy Lester, and Silas Hogan—the author discusses the pioneering role of Crowley, Louisiana, record producer J. D. Miller and illustrates how Excello Records in Nashville brought national attention to Harpo's music recorded in Louisiana. This engaging narrative examines Harpo's various recording sessions and provides a detailed discography, as well as a list of blues-related records by fellow Baton Rouge artists. Slim Harpo: Blues King Bee of Baton Rouge will stand as the ultimate resource on the musician's life and the rich history of Baton Rouge's blues heritage.

The Anatomy of Harpo Marx Wayne Koestenbaum,2012-02-29 The Anatomy of Harpo Marx is a luxuriant, detailed play-by-play account of Harpo Marx's physical movements as captured on screen. Wayne Koestenbaum guides us through the thirteen Marx Brothers films, from The Cocoanuts in 1929 to Love Happy in 1950, to focus on Harpo's chief and yet heretofore unexplored attribute—his profound and contradictory corporeality. Koestenbaum celebrates the astonishing range of Harpo's body—its kinks, sexual multiplicities, somnolence, Jewishness, cute pathos, and more. In a virtuosic performance, Koestenbaum's text moves gracefully from insightful analysis to cultural critique to autobiographical musing, and provides Harpo with a host of odd bedfellows, including Walter Benjamin and Barbra Streisand.

Harpo Speaks! Harpo Marx,Rowland Barber,2011-05-01

Harpo Marx as Trickster Charlene Fix,2013-02-07 The author invites readers to spend time in the pleasure of Harpo's cinematic company while comparing him to tricksters from folklore, myth and legend. The book demonstrates how Harpo, the sweetest, wildest, most magical Marx brother, accomplishes the archetypal trickster's work. Thirteen chapters examine Harpo's trickster persona closely in each of the Marx Brothers' films: The Cocoanuts, Animal Crackers, Monkey Business, Horse Feathers, Duck Soup, A Night at the Opera, A Day at the Races, Room Service, At the Circus, Go West, The Big Store, A Night in Casablanca and Love Happy. Harpo as trickster embodies luck, foolishness, cleverness, mania, hunger, lust, stealing, shape-shifting, gender-bending, alliance with underdogs, attacks on the powerful, musicality, sympathy for animals, magic and mischief. His trickster behaviors in all the films are woven into a composite impression that “with a little luck, will resonate beyond the covers of this book and leak out into the world, making it a more just, flexible, resilient, amusing and magical place.”

Harpo's Garden and Other Stories Roger Kenvin, 1998

Son of Harpo Speaks! Bill Marx, 2011 Bill Marx, son of Harpo Marx, reflects on his life and what it was like to grow up as the son of a Marx brother. Bill studied composition at the Juilliard School and has composed and performed various styles of music. He became Harpo's musical conductor/arranger at age 16.

Eli Harpo's Adventure to the Afterlife Eric Schlich, 2024-01-16 Award-winning author Eric Schlich's *Eli Harpo's Adventure to the Afterlife* is an accessible and big-hearted novel that explores belief and forgiveness as a boy grapples with his faith and sexuality on a rollicking family road trip to Bible World. When Eli Harpo was four, he underwent emergency open-heart surgery, flatlined on the operating table, and for a brief time, went to heaven and met Jesus. Or at least that's what his father, a loving but devout Baptist minister, has raised him to believe. Nine years later, Eli isn't so sure. His rounds with his father to evangelize at hospices and sell his father's self-published book, *Heaven or Bust!*, feel inauthentic and strange, especially now that he's started having sex dreams about Jesus. Between that and his mother's terminal breast cancer diagnosis, Eli feels further from heaven than ever. But when the famous televangelist Charlie Gideon shows up at the Harpos' doorstep with a proposal to create a new attraction based on Eli's trip to the afterlife at his Bible-themed park, Eli isn't able to say no. As the Harpos head off on a rollicking road trip from Kentucky to Bible World in Orlando, Eli is left to grapple with not just his faith and his sexuality, but also his own parents' messy humanity and what happens when a family held together by mythmaking starts coming apart at the seams. Hilarious and moving, *Eli Harpo's Adventure to the Afterlife* is a kind-hearted story about self-discovery and the search for truth, wherever it takes you.

Speaking of Harpo Susan Fleming Marx, 2022-07-15 Susan Fleming appeared in three Broadway shows and twenty-eight films before she turned her back on a show business career she never really enjoyed or wanted. The role of her lifetime came when she married Harpo Marx in 1936. Together, they raised four adopted children and enjoyed one of Hollywood's happiest and most successful unions. But their twenty-year age difference made Susan a young widow in 1964. On her path to Hollywood, Susan worked in Broadway musicals produced by Florenz Ziegfeld and George White and befriended a young dancer who would later be known as Paulette Goddard. In Hollywood, she appeared in films with stars like John Wayne, W.C. Fields, and Katharine Hepburn and worked at all the major studios. But it wasn't until she fell in love with a confirmed bachelor, twenty years older than her, that she found her purpose. Her story is the counterpoint to the beloved and acclaimed Harpo Marx autobiography, *Harpo Speaks!* Susan's frank, opinionated perspective provides a true look behind the curtain and details Harpo's last years, following the publication of his own book. Susan's account of her more than thirty-year adventure with Harpo includes

encounters with people like Charlie Chaplin, William Randolph Hearst, Salvador Dalí, Somerset Maugham, Joan Crawford, Howard Hughes, George S. Kaufman, Helen Keller, Oscar Levant, Jean Harlow, Bugsy Siegel, Samuel Goldwyn, Menachem Begin, Ginger Rogers, Alexander Woollcott, and of course, the Marx Brothers. Susan provides an inside look at the family and pulls no punches when discussing her brothers-in-law, who weren't always her favorite comedians.

Harpo Charles Clemans,2009 He spoke not a word of English when he entered the first grade. He was beaten and whipped as a young boy and abandoned by his mother before age twelve. He survived one of the most horrific experiences a man could endure with the sinking of the USS Indianapolis, and then led a band of six small Mexican Americans on a rampage through the Arizona state high school basketball championship tournament in 1947. With so many hardships early in life, how is it that he could achieve so much before the age of twenty? This is an inspirational story of determination, character, and grace under fire. It is the story of a young man who simply would not accept defeat ... by ANYTHING or ANYONE.

The Comedy Studies Reader Nick Marx,Matt Sienkiewicz,2018-03-01 From classical Hollywood film comedies to sitcoms, recent political satire, and the developing world of online comedy culture, comedy has been a mainstay of the American media landscape for decades. Recognizing that scholars and students need an authoritative collection of comedy studies that gathers both foundational and cutting-edge work, Nick Marx and Matt Sienkiewicz have assembled *The Comedy Studies Reader*. This anthology brings together classic articles, more recent works, and original essays that consider a variety of themes and approaches for studying comedic media—the carnivalesque, comedy mechanics and absurdity, psychoanalysis, irony, genre, race and ethnicity, gender and sexuality, and nation and globalization. The authors range from iconic theorists, such as Mikhail Bakhtin, Sigmund Freud, and Linda Hutcheon, to the leading senior and emerging scholars of today. As a whole, the volume traces two parallel trends in the evolution of the field—first, comedy’s development into myriad subgenres, formats, and discourses, a tendency that has led many popular commentators to characterize the present as a “comedy zeitgeist”; and second, comedy studies’ new focus on the ways in which comedy increasingly circulates in “serious” discursive realms, including politics, economics, race, gender, and cultural power.

CliffsNotes on Walker's The Color Purple Gloria Rose,2007-08-13 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. Covering a series of personal letters that span a 40-year period, this study guide shares a story about growth, endurance, loyalty, solidarity, and joy -- all nurtured by the strength of love. You'll gain comfort with the black folk language main character Celie's uses to express herself as you move through critical commentaries on each of the novel's 89 letters. Other features that help you figure out this important work include Life and background of the author, Alice Walker Analyses of a large cast of characters Introduction to the novel A review section that tests your knowledge and suggests essay topics A selected bibliography that leads you to more great resources Classic literature or modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.

Giraffes on Horseback Salad Josh Frank,Tim Heidecker,2019-03-19 This lushly illustrated graphic novel re-creates a lost Marx Brothers script written by

modern art icon Salvador Dali. Grab some popcorn and take a seat...The curtain is about to rise on a film like no other! But first, the real-life backstory: *Giraffes on Horseback* Salad was a Marx Brothers film written by modern art icon Salvador Dali, who'd befriended Harpo. Rejected by MGM, the script was thought lost forever. Author and lost-film buff Josh Frank unearthed the original script, and Dali's notes and sketches for the project, tucked away in museum archives. With comedian Tim Heidecker and Spanish comics creator Manuela Pertega, he's re-created the film as a graphic novel in all its gorgeous full-color, cinematic, surreal glory. In the story, a businessman named Jimmy (played by Harpo) is drawn to the mysterious Surrealist Woman, whose very presence changes humdrum reality into Dali-esque fantasy. With the help of Groucho and Chico, Jimmy seeks to join her fantastical world—but forces of normalcy threaten to end their romance. Includes new Marx Brothers songs and antics, plus the real-world story behind the historic collaboration.

Harpo Speaks-- about New York Harpo Marx, Rowland Barber, 2001 Long before vaudeville, Broadway, and the silver screen, Harpo Marx had triumphed on the greatest stage of all: New York City. For a kid on the streets in 1902, every day demanded wit and improvisation. Beyond the door of the tenement at 179 East 93rd Street lay rival gangs, lucky breaks, failed hustles. While his mother, Minnie, was occupied elsewhere—planning her unruly brood's ultimate destiny—Harpo roamed the streets doing what any self-respecting second-grade dropout would: grabbing the family's one left-foot skate and heading to Central Park, preparing for the bonfires of a Tammany election night, and hopping on the El to watch “the Gods in Valhalla—which is to say, the New York Giants in the Polo Grounds.” With an unforgettable cast of characters, and set against turn-of-the-century Manhattan, *Harpo Speaks . . . About New York* overflows with the optimism and sweetness of the kid who, on the off-chance that “Sandy Claus” just might remember him, never forgot to hang his stocking in the airshaft on Christmas Eve.

The Marx Brothers Wes D. Gehring, 1987-07-28 This bio-bibliography was designed to present a combined biographical, critical, and bibliographical portrait of the Marx Brothers. It examines their significance in film comedy in particular, and as popular culture figures in general. The book is divided into five sections, beginning with a biography which explores the public and private sides of the Marx Brothers. The second section is concerned with the influences of the Marx Brothers as icons of anti-establishment comedy, as contributors to developments in American comedy, as early examples of saturation comedy, and as a crucial link between silent films and the talkies. Three original articles, two by Groucho and one by Gummo, comprise part three. A bibliographical essay, which assesses key reference materials and research collections, is followed by two bibliographical checklists. Appendices containing a chronological biography with a timeline, a filmography, and a selected discography complete the work.

The Color Purple Alice Walker, 2011-09-20 The Pulitzer Prize– and National Book Award–winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sofia, who challenges her to fight for independence.

And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-winning Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the 25th anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.
