The Sufi Message of Hazrat Inayat Khan: The Way of Illumination Hazrat Inayat Khan,2020-09-28 The Sufi understands that although God is the source of all knowledge, inspiration, and guidance, yet man is the medium through which God chooses to impart His knowledge to the world. He imparts it through one who is a man in the eyes of the world, but God in his consciousness. It is the mature soul that draws blessings from the heavens, and God speaks through that soul. Although the tongue of God is busy speaking through all things, yet in order to speak to the deaf ears of many among us, it is necessary for Him to speak through the lips of man. He has done this all through the history of man, every great teacher of the past having been this Guiding Spirit living the life of God in human guise. In other words, their human guise consists of various coats worn by the same person, who appeared to be different in each. Shiva, Buddha, Rama, Krishna on the one side, Abraham, Moses, Jesus, Muhammad on the other; and many more, known or unknown to history, always one and the same person. Those who saw the person and knew Him recognized Him in whatever form or guise; those who could only see the coat went astray. To the Sufi therefore there is only one Teacher, however differently He may be named at different periods of history, and He comes constantly to awaken humanity from the slumber of this life of illusion, and to guide man onwards towards divine perfection. As the Sufi progresses in this view he recognizes his Master, not only in the holy ones, but in the wise, in the foolish, in the saint and in the sinner, and has never allowed the Master who is One alone, and the only One who can be and who ever will be, to disappear from his sight. The Persian word for Master is Murshid. The Sufi recognizes the Murshid in all beings of the world, and is ready to learn from young and old, educated and uneducated, rich and poor, without questioning from whom he learns. Then he begins to see the light of Risalat, the torch of truth which shines before him in every being and thing in the universe, thus he sees Rasul, his Divine Message Bearer, a living identity before him. Thus the Sufi sees the vision of God, the worshipped deity, in His immanence, manifest in nature, and life now becomes for him a perfect revelation both within and without.

The True Nature of the Mahdi Hazrat Mirza Ghulam Ahmad,2017-01-01 The history of religion demonstrates that all Prophets have suffered vehement opposition. Like all the prophets of God, Hazrat Mirza Ghulam Ahmad of Qadian, the Promised Messiah and Mahdi was also opposed. Throughout his life, Maulvi Muhammad Husain of Batala, a staunch opponent, spared no opportunity to harm and malign the Promised Messiah. When all else failed, he began to submit false reports to the British government, alleging that Mirza Ghulam Ahmad was a rebel of the state and believed in the advent of a bloodthirsty, violent Mahdi, who would force all non-Muslims to Islam. It was due to these false reports that the author wrote a brief but eloquent treatise outlining his true beliefs regarding the advent of the Promised Mahdi in Islam. In this book, the author explains that the divinely appointed reformer and Mahdi to appear in the latter days would bring a message of peace and conquer the world with love; not through violence and bloodshed. He also reassures the government of his loyalty to the state and exposes the hypocrisy of Maulvi Muhammad Husain and the falsity of his reports to the government.

LIFE OF HAZRAT MUHAMMAD SM Shovon Ahmed,Sifat Mahmud,Go with Shovon,Golam Rabby,2023-03-31 This book discusses the biography of Hazrat Muhammad SAW. The Revealed Sermon Hazrat Mirza Ghulam Ahmad,2023-08-22 Khutbah Ilhamiyyah ('The Revealed Sermon') is an Arabic sermon delivered by Hazrat Mirza Ghulam Ahmad, the Promised Messiah(as), on the occasion of Eid-ul-Adha. On that very morning of 11 April 1900, he had received the Divine revelation, 'Today you will deliver the speech in Arabic; you have been endowed with this ability.' Accordingly, he stood up before a live audience of approximately 200 people and began to deliver the sermon ad lib. A stream of eloquently structured sentences in the Arabic language began to flow forth in rapid succession, highlighting the nature and essence of the Islamic philosophy of sacrifice. We present here the actual text of the sermon as transcribed by two audience members while the sermon was simultaneously being delivered. Khutbah Ilhamiyyah is an insightful read for anyone seeking to behold a Divine miracle in all its grandeur and glory, and the profound mysteries deeply embedded within the Arabic language.

Magnificent Services of the Just Imam, the Promised Messiah, to Reform the Mutual Controversies and Distorted Beliefs of the Muslims Hazrat Mirza Tahir Ahmad,2013-01-25 Part 16 of a Review of the Pakistani Government's "White Paper": Qadiyaniyyat - A Grave Threat to Islam In 1984 the Islamic government of Pakistan set aside all Islamic injunctions and took upon itself the burden of depriving the Ahmadi Muslims of many basic human rights including religious social freedoms. In an attempt to justify this action, the government of Pakistan published a so-called White Paper under the title Qadiyaniyyat—Islam kay liyay Sangin Khatrah (Qadiyaniyyat—A Grave Threat to Islam). Although there was nothing new in this so-called White Paper and the Jama'at literature already included detailed answers to all the issues which were raised, nevertheless Hazrat Mirza Tahir Ahmad Khalifatul-Masih IV(rta), the then Imam of the Ahmadiyya Muslim Jama'at, answered these allegations in a series of Friday sermons. These sermons (in Urdu) were published by the London Mosque in 1985 and the English translation is now being published. Hazrat Mirza Tahir Ahmad Khalifatul-Masih IV(rta) delivered this sermon on May 3, 1985 at the Fazl Mosque, London. It gives a heart-rendering account of the perversions

that had been incorporated into the holy faith of Islam by the so-called divines. It also gives a brief summary of the magnificent services of the Promised Messiah(as) and his Community to remove these perversions and to establish true Islamic faith.
