Huge James Fuerst,2009-07-07 Life hasn't been easy for Eugene "Huge" Smalls. Sure, his IQ is off the charts, but that doesn't help much when you're growing up in the 1980s in a dreary New Jersey town where your bad reputation precedes you, the public school system's written you off as a lost cause, and even your own family seems out to get you. But it's not all bad. Raymond Chandler and Dashiell Hammett have taught Huge everything he needs to know about being a hard-boiled detective . . . and he's just been hired to solve his first case. What he doesn't realize is that his search for the truth will change everything for him.

Huge Sasha Paley,2012-12-11 Sixteen-year-olds Wilhelmina and April meet at Wellness Springs, a posh fat camp in California. Wil is not happy to be there - her parents own a chain of gyms and see their overweight daughter as a PR disaster - so she plans not to lose a pound all summer in order to get back at them. April, on the other hand, can't believe her luck. She's been saving for a whole year to come to Wellness Springs after she saw it featured in Teen Vogue. She can't wait to work off her excess weight, and then bring on the guys! Assigned to be room mates and work-out partners, the girls hate each other from the start. And things get worse when they both go after the same guy. Can Wil make it through the summer, and finally be accepted by her parents? Will April ever find someone willing to be a real boyfriend, even though she may never be skinny? A funny and poignant novel about friendship and self-acceptance.

The Huge Book of Hell Matt Groening,2005-03-07 A second bumper collection of the classic Life in Hell cartoon strips from the 80s and 90s which were the basis for The Simpsons.

HUGE Brent Butt,2023-10-03 In comedy, killing is a good thing. From the award-winning screenwriter and International Emmy nominee comes this unexpectedly dark and twisted thriller. It's 1994, and three stand-up comedians have embarked on a tour of smaller communities across a remote stretch of rural Canadian countryside. Dale is a 40-something comic from Chicago who's on the back half of a mediocre career and thinking about quitting the business. Rynn is a 20-something fast-rising comedy star from Dublin with a big break into TV on her horizon. And who is this third guy, the hulking young man added to the bill at the last minute by a booker with dubious motives? He goes by Hobie Huge, and his enormous physical presence is unfortunately not matched by his skills as an opening act. But his brutal lack of ability as a comedian turns out to be the least of his companion's problems. Huge starts to show signs of a terrifying capacity for brutality offstage too--and for Dale and Rynn, the tour becomes less about getting laughs and more about getting off the road alive. It's going to take some getting used to, but Brent Butt is no longer just a funny guy. His debut novel is so accomplished it's frightening.

Small Steps, Huge Changes Phyllis Reed, 2011-03-23 What is a sacred moment? Is it a big, sudden change in the direction of your life or your physical or mental state? Or is it a moment in which you understood your fears or made a choice to let something go? We may find our lives full of fear, hurt, or pain of loss, and even though these daily experiences have not caused major earthquakes or volcanic eruptions around the world, it is in these moments of our daily lives that we must look for our answers. In *Small Steps, Huge Changes: The Extraordinary Moments of an Ordinary Life*, writer Phyllis Reed shows us how it is possible to discover healing and joy by choosing to take just one small, courageous step. Through reflections, remembrances, poems, and vignettes, Reed tracks her own small steps through realms as varied as love, parenthood, loneliness, fear, and connecting to places, other people, and holy presence. Each true story, told in Reed's conversational, nurturing tone, is a tribute to those who have found ways to live happily and healthily after great difficulties to see the extraordinary in their everyday experiences. Taken as a whole, these moments of rising and falling, of joy and defeat, become our sacred lives. Our sacred moments are our greatest gifts, and the choice is ours to step forward and accept and learn from them.
