

Hugs

Dave Ross

Hugs, Hugs ,2017-04-25 Hugs, Hugs is a wonderful book that teaches about caring, sharing and the importance of friendship.

The "official" Hugs B[oo]k Martha Bolton,2002 With wit and wisdom, Bolton delivers a lighthearted look at the who, what, when, where, why and how of hugging. Illustrations.

The 10 Essential Hugs of Life Roy Spence,2013-11-05 Roy Spence was raised in a family of huggers. When his dad—Big Roy, the biggest hugger of them all—passed away at the age of ninety-five, Roy Jr. started the healing process and discovered a more profound purpose behind the power of hugs. Roy inherited his dad's way of greeting both friends and strangers alike with a hug. In his journey from small-town Texas boy to CEO of a nationally acclaimed advertising agency, he hugged heads of state and CEOs, waitresses and receptionists, the famous and the salt of the earth. And he used hugs to mend fences, to get over it and get on with it, and to spread a little good in the world. In the 10 Essential Hugs of Life, Roy shares the inspiring lessons he has learned from practicing what his dad taught him—anyone worth meeting is worth hugging—with the hope that others will take up the call to put a little more joy in the lives of those we touch, including our own. We simply need to hug ourselves first, hug our faith and our flags, our friends and family, our fears and failures, our firsts, our futures, and our finals. When we embrace all of the people and events that make us who we are, we discover deep wells of love. With warm Texas charm and stirring artwork, *The 10 Essential Hugs of Life* reveals a path to healing, to goodness, to a future full of love and hope.

Hugs From My Heart T.S. Kuginskie, 2014-04-04 Hugs From The Heart began as autobiographical bedtime story 'memories' meant to lighten the moods of dear friends, many of whom spend their lives providing care and support for others. A collection of memories from my past, observations from my own perspective, and encouragement for those darker moments everyone has every now and then, I've been told I 'write the way I talk', which I take as

a compliment. This is my way of saying, I love you. You're special. You deserve to be cared for. You are MINE and I'm here for you.

Hugs All Around Janet Craig, Janet Palazzo-Craig, 1995 As members of a large family give each other hugs, the reader sees the many meanings a hug can have, such as Feel better, Goodbye, I'm sorry or I love you.

Hugs Robert N. Munsch, 2019-03-26 Thea and her little brother Tate need a hug -- but sometimes, only a Mommy Hug will do. When Thea gets mad at mommy, she and her little brother go for a walk around the block. They meet a snail, a skunk, a porcupine, and a gorilla, and get a hug from each one -- but the hugs are slimy, smelly, pokey, and way too hard! It's not until they get back to mommy that Tate and Thea get a really good hug. Following the success of the revised board book editions of *Alligator Baby*, *We Share Everything!*, and *Up, Up, Down*, Munsch and Martchenko have created their very first original book designed specifically for preschoolers! This book was inspired by a brother and sister from Saskatoon, Saskatchewan who Robert Munsch met while on a ski vacation.
