

Hydra

Vaughan Rapatahana, Pauline Bunce

Hydra Matt Wesolowski, 2017-12-24 DIVElusive online investigative journalist Scott King investigates the case of Arla Macleod, who bludgeoned her family to death, in another episode of the chilling, award-winning Six Stories series. 'Bold, clever and genuinely chilling with a terrific twist that provides an explosive final punch' Deidre O'Brien, Sunday Mirror 'A genuine genre-bending debut' Carla McKay, Daily Mail 'Impeccably crafted and gripping from start to finish' Doug Johnstone, The Big Issue _____ A family massacre A deluded murderess Five witnesses Six stories Which one is true? One cold November night in 2014, in a small town in the north west of England, 21-year-old Arla Macleod bludgeoned her mother, father and younger sister to death with a hammer, in an unprovoked attack known as the Macleod Massacre. Now incarcerated at a medium-security mental-health institution, Arla will speak to no one but Scott King, an investigative journalist, whose Six Stories podcasts have become an internet sensation. King finds himself immersed in an increasingly complex case, interviewing five witnesses and Arla herself, as he questions whether Arla's responsibility for the massacre was diminished as her legal team made out. As he unpicks the stories, he finds himself thrust into a world of deadly forbidden 'games', online trolls, and the mysterious black-eyed kids, whose presence seems to extend far beyond the delusions of a murderess... Dark, chilling and gripping, *Hydra* is both a classic murder mystery and an up-to-the-minute, startling thriller, that

shines light in places you may never, ever want to see again.

 Praise for the Six Stories series Matt Wesolowski brilliantly depicts a desperate and disturbed corner of north-east England in which paranoia reigns and goodness is thwarted ... an exceptional storyteller' Andrew Michael Hurley 'Beautifully written, smart, compassionate – and scary as hell. Matt Wesolowski is one of the most exciting and original voices in crime fiction' Alex North 'Wonderfully horrifying ... the suspense crackles' James Oswald 'Original, inventive and dazzlingly clever' Fiona Cummins 'A complex and subtle mystery, unfolding like dark origami to reveal the black heart inside' Michael Marshall Smith 'Endlessly inventive and with literary thrills a-plenty, Matt Wesolowski is boldly carving his own uniquely dark niche in fiction' Benjamin Myers 'Disturbing, compelling and atmospheric, it will terrify and enthrall you in equal measure' M W Craven 'Readers of Kathleen Barber's Are You Sleeping and fans of Ruth Ware will enjoy this slim but compelling novel' Booklist 'A relentless and original work of modern rural noir which beguiles and unnerves in equal measure. Matt Wesolowski is a major talent' Eva Dolan 'The very epitome of a must-read' Heat 'Haunting, horrifying, and heartrending. Fans of Arthur Machen, whose unsettling tale The White People provides an epigraph, will want to check this one out' Publishers Weekly 'For those who like the book they curl up with in their favourite slipper socks to generate a powerful sense of unease, and impel them to check all doors are locked and as many lights turned on as

possible, Matt Wesolowski has just the formula to meet your self-scaring needs... ' Strong Words/div

Hydra: Research Methods Howard Lenhoff,2013-06-29

The Nazi Hydra in America Glen Yeadon,2008 This book exposes how US plutocrats launched Hitler, then recouped Nazi assets to lay the post-war foundations of a modern police state. Fascists won WWII because they ran both sides. Lays bare the tenacious roots of US fascism from robber baron days to Reichstag fire to the WTC atrocity and Homeland Security, with a blow-by-blow account of the fascist take-over of America's media.

Defeating Operation Hydra E. Kendrick Smith,2011-08-01 The year is 2002. War is imminent. As coalition forces gather to invade Iraq, Saddam Hussein plans his counterattack. In Colombia, a consortium of global businesses, secretly known as Operation Hydra, has developed a new and lethal breed of chemical and biological weapons and plans to sell them to the highest bidder. Saddam's access to these WMDs would alter the outcome of the Second Gulf War. In Manhattan, Sharon Weinstock, a brilliant but neurotic prosecutor, verges on a nervous breakdown. In an uncharacteristic act of spontaneity, she leaves her job and flies to Aruba, hoping to confront her demons and pursue her Zen state. While there, she stumbles onto the principals behind Operation Hydra and unwittingly involves herself in their deadly conspiracy. As she unravels their secrets, they draw her ever deeper into their dark world. She must discover within herself the courage necessary to take on the forces behind

Operation Hydra and prevent catastrophe in the Middle East.

Six Stories Matt Wesolowski, 2016-12-01 DIVElusive online journalist Scott King investigates the murder of a teenager at an outward bound centre, in the first episode of the critically acclaimed, international bestselling Six Stories series... For fans of Serial 'Bold, clever and genuinely chilling' Sunday Mirror 'Haunting, horrifying, and heartrending. Fans of Arthur Machen, whose unsettling tale The White People provides an epigraph, will want to check this one out' Publishers Weekly 'Wonderfully horrifying ... the suspense crackles' James Oswald 'A complex and subtle mystery, unfolding like dark origami to reveal the black heart inside' Michael Marshall Smith

_____ One body Six stories Which one is true? 1997. Scarclaw Fell. The body of teenager Tom Jeffries is found at an outward bound centre. Verdict? Misadventure. But not everyone is convinced. And the truth of what happened in the beautiful but eerie fell is locked in the memories of the tight-knit group of friends who embarked on that fateful trip, and the flimsy testimony of those living nearby. 2017. Enter elusive investigative journalist Scott King, whose podcast examinations of complicated cases have rivalled the success of Serial, with his concealed identity making him a cult internet figure. In a series of six interviews, King attempts to work out how the dynamics of a group of idle teenagers conspired with the sinister legends surrounding the fell to result in Jeffries' mysterious death. And who's to blame... As every interview unveils a new revelation, you'll be forced to

work out for yourself how Tom Jeffries died, and who is telling the truth. A chilling, unpredictable and startling thriller, *Six Stories* is also a classic murder mystery with a modern twist, and a devastating ending.

Praise for the *Six Stories* series 'A genuine genre-bending debut' Carla McKay, Daily Mail 'Impeccably crafted and gripping from start to finish' Doug Johnstone, The Big Issue Matt Wesolowski brilliantly depicts a desperate and disturbed corner of north-east England in which paranoia reigns and goodness is thwarted ... an exceptional storyteller' Andrew Michael Hurley 'Beautifully written, smart, compassionate – and scary as hell. Matt Wesolowski is one of the most exciting and original voices in crime fiction' Alex North 'Original, inventive and dazzlingly clever' Fiona Cummins 'It's a relentless & original work of modern rural noir which beguiles & unnerves in equal measure. Matt Wesolowski is a major talent' Eva Dolan 'Endlessly inventive and with literary thrills a-plenty, Matt Wesolowski is boldly carving his own uniquely dark niche in fiction' Benjamin Myers 'Disturbing, compelling and atmospheric, it will terrify and enthrall you in equal measure' M W Craven 'Readers of Kathleen Barber's *Are You Sleeping* and fans of Ruth Ware will enjoy this slim but compelling novel' Booklist 'A relentless and original work of modern rural noir which beguiles and unnerves in equal measure. Matt Wesolowski is a major talent' Eva Dolan 'With a unique structure, an ingenious plot and so much suspense you can't put it down, this is the very epitome of a must-read' Heat 'Wonderfully atmospheric. Matt

Wesołowski is a skilled storyteller with a unique voice. Definitely one to watch' Mari Hannah/div

The Many-Headed Hydra Marcus Rediker, Peter Linebaugh, 2020-05-05 Long before the American Revolution and the Declaration of the Rights of Man, a motely crew of sailors, slaves, pirates, labourers, market women, and indentured servants had ideas about freedom and equality that would for ever change history. The Many-Headed Hydra recounts their stories in a sweeping history of the role of the dispossessed in the making of the modern world.

Hydra Virginia Loh-Hagan, 2016-08-01 Books in the Magic, Myth, and Mystery series explore those spooky creatures that go bump in the night, fill our dreams (or nightmares!), and make us afraid of the dark. In *Hydra* you'll learn more about these creepy creatures. Written with a high interest level to appeal to a more mature audience and a lower level of complexity with clear visuals to help struggling readers along. Considerate text includes tons of fascinating information and wild facts that will hold the readers' interest, allowing for successful mastery and comprehension. A table of contents, glossary with simplified pronunciations, and index all enhance comprehension.

The Many-Headed Hydra Peter Linebaugh, Marcus Rediker, 2013-09-03 Winner of the International Labor History Award Long before the American Revolution and the Declaration of the Rights of Man, a motley crew of sailors, slaves, pirates, laborers, market women, and indentured servants had ideas about

freedom and equality that would forever change history. The Many Headed-Hydra recounts their stories in a sweeping history of the role of the dispossessed in the making of the modern world. When an unprecedented expansion of trade and colonization in the early seventeenth century launched the first global economy, a vast, diverse, and landless workforce was born. These workers crossed national, ethnic, and racial boundaries, as they circulated around the Atlantic world on trade ships and slave ships, from England to Virginia, from Africa to Barbados, and from the Americas back to Europe. Marshaling an impressive range of original research from archives in the Americas and Europe, the authors show how ordinary working people led dozens of rebellions on both sides of the North Atlantic. The rulers of the day called the multiethnic rebels a 'hydra' and brutally suppressed their risings, yet some of their ideas fueled the age of revolution. Others, hidden from history and recovered here, have much to teach us about our common humanity.

Defeating Operation Hydra E. Kendrick Smith, 2011-08 The year is 2002. War is imminent. As coalition forces gather to invade Iraq, Saddam Hussein plans his counterattack. In Colombia, a consortium of global businesses, secretly known as Operation Hydra, has developed a new and lethal breed of chemical and biological weapons and plans to sell them to the highest bidder. Saddam's access to these WMDs would alter the outcome of the Second Gulf War. In Manhattan, Sharon Weinstock, a brilliant but neurotic prosecutor, verges on a nervous breakdown. In an uncharacteristic act of spontaneity, she leaves her

job and flies to Aruba, hoping to confront her demons and pursue her Zen state. While there, she stumbles onto the principals behind Operation Hydra and unwittingly involves herself in their deadly conspiracy. As she unravels their secrets, they draw her ever deeper into their dark world. She must discover within herself the courage necessary to take on the forces behind Operation Hydra and prevent catastrophe in the Middle East.

Hydra's Secret John A. Stancik, 2010-12 The year is 2056, and the Tri United States has outgrown its capacity to feed its people. Even though the Sumon Games keep their minds off the soaring gas prices, and the overcrowded cities, the constant need for food and basic living essentials is becoming worse. And yet select government officials must address a far greater problem . . . The Island. Ascen Colbert, a historical researcher for the government, uncovers an ancient Indian curse on the presidency that may be the root cause of presidential assassinations every twenty years. Ascen is also a member of a long distance swimming team based in Galveston, Texas. Early one March morning, Ascen swims further than the required fifteen miles, and discovers a secret island shrouded in fog. This discovery and his subsequent return will place him in direct contact with The Guardian of the Underworld, Hydra. During Ascen and Ophelia's stay on The Island, they will learn of a compromise between God and the Pleiades, agreed on 20,000 years ago, for control of Earth. Ascen and Ophelia, with the help of Abel, will battle Hydra to save the Earth and humanity so Abel can be born again on The Island.

Biology of Hydra Allson Burnett, 2012-12-02 Biology of Hydra covers eight areas of Hydra biology, particularly, its behavior and ecology; polarity; gastrodermal and epidermal regeneration; differentiation of nervous elements; cell proliferation and morphogenesis; and mesoglea. This book describes, in particular, the various aspects of Hydra's behavior, not obvious in casual observation, as well as the animal's feeding and digestion. It also looks into the contribution of interstitial cells to the regenerative process in Hydra; the ultrastructural changes during dedifferentiation and redifferentiation in the regenerating, isolated gastrodermis; regeneration from isolated epidermal explants; and regeneration of a Hydra containing no interstitial cells from an isolated basal disc. Furthermore, the book explains the grafting of the gastrodermis of Hydra viridis to the epidermis of Hydra pseudoligactis, and the results of such agraft on two animals sectioned for histological study. It examines the role of the neoblast in regeneration and the ultrastructure of Hydra's nervous system. The book also explores Hydra's growth and the contribution of cell proliferation to net growth and maintenance of form.

The Year of the Hydra William Broughton Burt, 2015-02-19 Could a dark agenda be woven into the architecture of China's most sacred ancient temple? An agenda that only Julian Mancer is seeing? Or is Julian off his meds again? If the structure were in fact a doomsday device awaiting an astronomical tripwire—could Julian stop it? Julian is determined to discover the answer,

as soon as he concludes a far more pressing matter involving a sixteen-year-old girl with a most intriguing mutation.

The Hydra Varan Merten, 2021-10-25 Retells the mythic battle of Hercules and the Lernean Hydra, focusing on the numerous influences in the lives of both combatants which set them on a course to their inevitable clash. Replete with beautiful illustrations and fast, witty dialogue, this is a contemporary take on one of the world's best-loved stories, told in rich detail that will open the door to a deeper understanding of mythology and world literature.

English Language as Hydra Vaughan Rapatahana, Pauline Bunce, 2012-06-22 In far too many places, the worldwide trade in English-language teaching, testing and publishing has become a self-perpetuating, self-congratulating, neocolonial monster ... a veritable multi-headed Hydra. Too often the English language industry aggressively promotes itself as some sort of "uplifting", "essential", "proper" or even "better" means of communication than any other language. Unfortunately, its relentless global outreach is taking place at the direct expense, and the active denigration, of local and regional languages – not to mention individual identities. English Language as Hydra brings together the voices of linguists, literary figures and teaching professionals in a wide-ranging exposé of this monstrous Hydra in action on four continents. It provides a showcase of the diverse and powerful impacts that this ever-evolving, gluttonous beast has had on so many non-English language cultures - as well as the surreptitious, drug-like ways in which it

can infiltrate individual psyches.

A Hint of Hydra Heidi Lang,Kati Bartkowski,2019-07-16 “A zingy, buoyant adventure.” –BCCB “A wildly inventive fantasy.” –Booklist Thirteen-year-old chef Lailu Loganberry must stop a war between the elves and scientists in this follow-up to A Dash of Dragon, which Kirkus Reviews calls “a recipe for success.” It’s the Week of Masks, a festival held to chase away evil spirits. But Lailu doesn’t have time to worry about demons. She has bigger fish to fry—or rather, griffons, now that she’s been asked to prepare a mystical feast for the king’s executioner, Lord Elister. Unfortunately Lailu’s meal is overshadowed by the scientists’ latest invention: automatons, human-shaped machines that will respond to their masters’ every order. Most people are excited by the possibilities, but the mechanical men leave Lailu with a bad taste in her mouth. Even worse, the elves still blame the scientists for the attacks on them weeks ago, and Lailu worries that the elves might be cooking up revenge. So when she and her sorta-rival-turned-almost-friend Greg stumble across the body of a scientist, the elves are the prime suspects. With help from Greg, her best friend Hannah, and the sneaky, winking spy Ryon, Lailu has to discover the truth behind the murder, and soon—because hostilities between the elves and the scientists are about to boil over faster than hydra stew. And just ask any chef: war is bad for business.

Why English? Pauline Bunce,Robert Phillipson,Vaughan Rapatahana,Ruanni Tupas,2016-06-10 This book explores the ways and means by which English

threatens the vitality and diversity of other languages and cultures in the modern world. Using the metaphor of the Hydra monster from ancient Greek mythology, it explores the use and misuse of English in a wide range of contexts, revealing how the dominance of English is being confronted and counteracted around the globe. The authors explore the language policy challenges for governments and education systems at all levels, and show how changing the role of English can lead to greater success in education for a larger proportion of children. Through personal accounts, poems, essays and case studies, the book calls for greater efforts to ensure the maintenance of the world's linguistic and cultural diversity.

The Hydra Conspiracy Les Justus, Pam Lewis, 2002-11 Tiny Blush of Sunlight is inspired by the true story of a French Huguenot family that emigrated to North Carolina and took slaves with them to Ohio to set them free. The journey begins on two plantations near Charleston, South Carolina and weaves its way through many lives, until it finally reaches Ohio. The story opens a fascinating and compelling window into the antebellum lowcountry. The lives of two slaves, from very different plantations, intersect with the life of a prominent Charleston attorney. Slavery and ambivalence stand trial.

Hercules and the Nine-Headed Hydra Joan Holub, Suzanne Williams, Tracey West, 2019-12-03 Zeus and his friends are back for another adventure in this latest Heroes in Training chapter book! Since defeating the Titans, Zeus and his fellow Olympians have taken over Mount Olympus. Things are nearly back to

normal...until a stranger named Hercules shows up, asking for help. He's on the run from Eurythseus, King of Argon, who is after Hercules for egging his temple. Before Zeus can help, Eurythseus himself appears. It turns out that Hercules has also been bragging that he is the ruler of Olympus, and Eurythseus intends to declare war on the Olympians' new home. Zeus's friends come up with an idea—maybe Hercules could make up for egging Eurythseus's temple. The Oracle Pythia reveals that in order to do this, Hercules must get a scale from a huge, nine-headed serpent—the Hydra. Will this be enough to please Eurythseus? Or is another battle on the horizon for the Olympians?

The Lernaean Hydra Maria Angelidou, 2018-04-12 At the time when the Earth was still young, it was up to the heroes to carry out the most difficult, or even impossible tasks. And first among them was Hercules, who set himself against the Lernaean Hydra: The Floodwater, who had countless heads, all of which were cruel beasts – from the first to the very last, the most terrible, the immortal one. And he defeated them all. The series *Tales from Greek Mythology* offers a new reading of the ancient Greek myths. They are not old, worn-out stories, but gripping tales of timeless human adventures, containing all the fears and joys that have marked and continue to mark the human soul.

Hydra and the Bananas of Leonard Cohen Roger Green, 2009-04-30 English poet Roger Green left the safety of God, country, and whiskey to immerse himself in an austere and sober life on the Greek Island of Hydra. But when Green discovered that his terrace overlooked the garden of sixties balladeer

Leonard Cohen, he became obsessed with Cohen's songs, wives, and banana tree. Hydra starts with a poem the author wrote and recited for his fifty-seventh birthday (borrowing the meter of Cohen's Suzanne, and ripe with references to the song), with Cohen's ex-partner Suzanne, who may or may not be the subject of Cohen's song, in the audience. By turns playful and philosophic, Green's unconventional memoir tells the story of his journey down the rabbit hole of obsession, as he confronts the meaning of poetry, history, and his own life. Beginning as a poetic meditation upon Leonard Cohen's bananas, Green's bardic pilgrimage takes the reader on various twists and turns until, at last, the poet accepts the joy of accepting his fate.

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, **Hydra** . This emotionally charged ebook, available for download in a PDF format (PDF Size: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
