The 6 Ifa paths to success and prosperity Daviel Valdés,2021-05-27 Don't you think it is already the moment to make a radical change in your life? Don't you think it is the time to achieve your most immediate goals and to go in search of everything you've ever wished for? This book will guide you, through the different Ifa paths, to learn about and implement the six most important laws of success. These universal laws have always existed and, from the beginning, have been immersed within the teachings of Ifa. But, very few people have been able to really understand their essence and put them into practice, as it is required to be done. It is a mistake to think that we come into the world for something other than to enjoy a fulfilling life: a life overflowing with financial success, love, health, and happiness. No matter how difficult your past was or how complicated your present may be; no matter the place where you are or the incomes you are receiving; no matter your sex or your age; regardless of your condition, this book will change your life forever and will lead you to achieve the goals and the lifestyle you've always dreamed of.

The Mechanics of Ifa Divination System Ojo Oludare Oyeibisi,2019-06-21 The majority of native Yoruba speakers view the Ifa divination system as a form of dark magic, inconsequential shamanism or ritualistic fetish. Even some scholars of Ifa and its divination system have conveyed the impression that it is simply a primitive oracular instrument of narrative art that should be appreciated only for its poetic sublimity. The Ifa divination system has been greatly misconceived as a mere esoteric system, devoid of any form of technological information. This book, therefore, seeks to describe what the Ifa divination system truly is and to illustrate its pertinence beyond traditional divination and cultural-level information to modern technology. The author examines the process and structure of the Ifa divination system and highlights some of the elements of technological knowledge that are embedded in the Ifa divination system. In all, this book is both a lively introduction to some of the technological-level information in Ifa divination system and a concise reference for those who are interested in enhancing technological development within the context of the cultural knowledge of Ifa and its divination system.

Iyanifa Woman of Wisdom Ayele Kumari, 2014-08-04 Iyanifa means Mother of Wisdom or Mother of Ifa. It is the position of the High Priestess in the Ifa Orisha tradition. The Ifa Orisha tradition of Africa is thousands of years old and was so strong, it was able to survive the slave trade to go on in the new world. What didn't survive the slave trade, but remained in Africa was the position of Iyanifa. In a world where women have lost much of their ancient mysteries to patriarchy and slavery, a tradition is presented here that went underground but did not die. Iyanifas, Iyami, and Queen mothers of Africa resurface now to continue a legacy for new generations across the globe. This book is a collection of stories, essays, and explorations of the position of Iyanifa and its resurgence in the Diaspora. Gleaned from the perspective of the elder mothers who broke the glass ceiling to reclaim the tradition, they share their divine wisdom teachings, candid personal experiences, joys, and growing pains drawn from their lives as Iyanifas and women in the tradition. This volume of work features authors such as Luisah Teish, Iyanla Vanzant, Aina Olomo and many other powerful healers, diviners, and counselors. It is offered as a gift to women in the tradition and to those interested in Woman's and African Studies to explore the path of Iyanifa and to be a resource for years to come.

Ela Awo Falokun Fatunmbi, 2014-04-30 Within the West African cultural spirituality of the Yoruba, Ela is known as the Spirit of Light and Manifestation meaning all things came into existence here on Ikole Aye (Earth) by way of Ela. Ela can also be summarized as the Holy Spirit of Ifa and interchangeably used as another name for Orunmila Elerin Ipin Ibikeji Olodumare (Orunmila, Witness of Creation, Second to the Creator). It is by way of Ela that Ifa became acceptable throughout the world and Orunmila accepted by followers, including followers in secret. In "Ela, The Ifa Concept of Altered States", Awo Falokun opens the dialogue once again on how devotees can continue

to seat Ifa in the West. His approach to the subject of Ela is not the way, but a way to create and maintain Extended Family and Community. Knowledge of Ela and the Orisa is not enough – through the possession (spiritual access to the wisdom) of Ela, Ifa devotees can begin to heal ourselves of the negative influences of the Western World View, past and present, and heal the Ifa Community and the world around us. In this book, Awo Falokun teaches that the basis of Traditional Yoruba Spirituality is Good Character, which is accessible through Ela, and how it is essential to go into possession with the Spirit of Orunmila in order to maintain good character and banish the negative forces that create ori burukú, i.e., gossip, jealousy, lying, stealing, violence, etc.
